—*Birmingham Post*

THE NINE MAGAZINES OF KODANSHA

by

SEIJI NOMA

With an Introduction by J. W. Robertson Scott
With 25 Illustrations and a Coloured Plate
10s. 6d. net

"Mr. Noma's autobiography is an enthralling personal record untainted by egoism; it is an inspiring narrative of achievement and the fruits of consistent perseverance. Its greatest value is the insight it gives into the Japanese mind when that mind is definitely set upon a course of action. If the illusion still lingers that the Oriental even in business is still actuated by a philosophic calm, never in a hurry, willing to bide his time, this book should help to shatter it. Mr. Noma's career has been a forced march, and he is still marching; nor is it to be supposed that he and his methods are unique in Japan."

Times Literary Supplement

"No autobiography could be franker than this one. Mr. Seiji Noma is a remarkable man . . . His career is one of the most romantic and interesting among modern records of success . . . a wonderful picture of Japan to-day. It is a complete and fascinating exposure of the life and character of the modern Japanese."

Eric Gillett in the *Sunday Express*
