## PREFACE.

---

THE history chapter of this Gazetteer was written by Mr. J. T. Rankin, I.C.S. Exigencies of space necessitated its compression but to him entirely is due whatever merit it possesses. I desire to acknowledge with gratitude the assistance rendered by Colonel Hall, I.M.S., who examined the chapter on Public Health, Nawāb Khwaja Muhammad Yusuf, Chairman of the Dacca Municipality, Khān Bahadur Saiyid Aulad Husain, Babu Shoshi Bhusan Mitra, late District Engineer, and the staff of the Collectorate.

B. C. ALLEN.
