IN writing this volume, I have found Mr. Sunder's Report on the Survey and Settlement of the Western Duārs (1895) of great assistance. I desire also to acknowledge my indebtedness to the many persons who have helped me in compiling this account of the Jalpāiguri district. The map of the district has been kindly prepared by Mr. J. A. Milligan, I.C.S., Settlement Officer of Jalpāiguri.
