

**THE INDIAN CURRENCY** PP. 168.  
**PRICE RE. 1-**  
**POSTAGE EXTRA & EXCHANGE PROBLEM**

BY

**PROF. JWALA PRASAD SINGHAL, M.A., LL.B.,**

PROFESSOR OF SOCIOLOGY AND ECONOMICS AT THE NATIONAL MUSLIM UNIVERSITY ALIGARH.

**Bombay Chronicle** (31st. July 1921) —“ . . . the book is an up-to-date orthodox expose of Indian Demands. . . . and may well be recommended to earnest students of the subject.”

**Servant** (4th. Nov. 1921)—“We recommend this book to all who wish to take an intelligent interest in two of the most important branches of Indian Economics.”

**Business World** (Nov. 1921)—“ . . . serves well the necessity of having a reliable book on Indian currency and exchange . . . and Indian exchange is the most difficult . . . owing to the complicated mechanism. The author, in spite of it, takes the reader lightly through . . . The book is quite an opportune publication and well worth the perusal of all interested in the subject.”

**Hindu Message** (19th. Jan. 1922.)—“Prof. Jwala Prasad brings to his subject a comprehensive thoroughness, a keen argumentative faculty—what is more, a simplicity of exposition which appeals directly to the lay mind . . . the national point of view . . . has not blinded the gifted author to the other side of the question. The credit of the book lies in stating the opponent's case in every aspect and smashing their arguments . . . .”

**Mr. Manmohandass Ramjee, M. L. A. (Bombay)**—“I find the book is very interesting, it gives the history of currency and deals with all the problems connected to it. It is a very useful book for any one interested in the present situation.”

**Prof. Shanker Yajnik, M. A. U. B. (H. University Benares)**—“I personally think that the book is quite useful and I would have been glad to get such a book for examination purposes.”

**Prof. S. K. Sundaram (Gurukul, Kangri)**—“certain definite suggestions regarding the future currency policy in India, given at the end of the book by the author, greatly add to its interest.”

**Prof. Kalka Prasad (D. A. V. College, Cawnpore)**—“ . . . it is an admirable book for the politician, the journalist and business men.”

AN EXHAUSTIVE, TO-THE-POINT, CONDENSED BUT INTERESTING TREATMENT OF THE SUBJECT AT A VERY MODERATE PRICE.

**JWALA PRASAD SINGHAL, M.A., LL. B.**

FOR PRINCES AND RICH MEN ONLY.

# THE ROYAL YAKUTI.

THIS YAKUTI or Life-giving NECTAR has been prepared from the best, choicest, and richest vegetable drugs. It has wonderful properties of increasing VIRILE POWER and it rectifies urinary disorders. In fact it makes man a MAN. This valuable medicine is used in large quantities not only by our Rajas, Maharajas, Nawabs, and many of the nobility, aristocracy and gentry in this country but it is greatly patronized by people in all countries of Europe, America, Asia, and Africa. It is needless to expatiate upon the MAGICAL QUALITIES of this our invaluable medicine. We recommend it especially to those persons who desire to tone the nervous system to strengthen the body, refresh the memory, and to guard against debility. Suffice it to say that the use of this medicine is recommended to those who have any faith in the Ayurvedic medicines. It works like a CHARM and the effect is lasting. It replaces lost power and rejuvenates the emaciated and it is enough to say that musk is not that which a performer admires. It is that which diffuses fragrance of its own accord. Price per tin containing 40 pills, RUPEES TEN ONLY.

# The Royal Message

---

..... my sympathy in all that passes in your lives is unabating.  
..... Throughout the civilised world the foundations of social order have been tested by war and change. .... has been called to face new and special problems of her own. .... That ..... you will bring those problems to an issue worthy of your historic past and of happiness for your future, that all disquietings will vanish in well-ordered progress, is my earnest wish and my confident belief. Your anxieties and your rejoicings are my own. In all that may touch your happiness, in all that gives you hope and promotes your welfare I feel with you in the spirit of sympathy.

*FROM THE ROYAL MESSAGE READ OUT BY THE  
PRINCE OF WALES, BOMBAY, NOV. 17th. 1921*

# H. R. H. The Duke's Appeal

---

"Since I landed I have felt around me bitterness and estrangement between those who have been and should be friends. The shadow of Amritsar has lengthened over the fair face of India. I know how deep is the concern felt by His Majesty the King Emperor at the terrible chapter of the events in the Punjab ... ..  
... .. misunderstanding usually means mistakes on either side. ... .. I appeal to you all—British and Indian—to bury along with the dead past the mistakes and misunderstandings of the past, to forgive where you have to forgive, and to join hand and work together to realise the hopes that arise from to-day.
