[The subnoted gentleman also sat as a delegate, but was not really elected, see p. xviii of introductory article: Rajah Siva Prasad, C.S.I., &c., &c., of Benares.]

Although great pains have been taken to make this list complete, there is no doubt that some names will prove to have been unintentionally omitted, in consequence of several delegates having failed to register their names in due form at the Congress. On the other hand, several names have been intentionally omitted of gentlemen who did register, because, on inquiry from the local Standing and Divisional Committees, it did not appear that these gentlemen had been duly elected. Of all the 1,248 delegates entered in the list the election was duly verified, but one of these, No. 870, Pandit Shiv Narayan, wrote subsequently a letter to the papers saying that he was a self-constituted delegate. How he came to this conclusion it is difficult to say. As was pointed out in the *Tribune* of the 6th March, he at the Congress recorded himself in the register as elected at a public meeting at Jullundur on the 2nd of December, 1888, and further he held a regular certificate, signed by Pandit Devi Chand, the President of that meeting, that he had been duly elected. He had probably forgotten these facts when he wrote.

It has to be noticed that the same names will be found spelt in several different ways. This is due to the fact that people are beginning to spell their names—family names especially—differently, to distinguish themselves from members of other branches of the family. Thus Bannerjee will be found spelt Banerjee, Banerjea, Banerjee, Bonnerjee, Bonarjee, &c.; Iyer is spelt Aiyer, Ayer, &c.; Pershad is spelt also Prosad, Proshad, Prasad, &c. Where gentlemen recorded their own names their own spelling has been followed; in other cases the spelling given in the lists of the Standing and Divisional Committees has been adopted.

In the list many gentlemen who are Municipal Commissioners, members of District or Local Boards, Honorary Magistrates, Fellows and Graduates of the Universities, &c., &c., are not entered as such, simply because they themselves, in recording their names, failed to note these particulars, and it has been found impossible to supply all these omissions.

## APPENDIX II.

### SUMMARY OF RESOLUTIONS

PASSED AT THE

### FIRST, SECOND, AND THIRD CONGRESSES.

#### RESOLUTIONS PASSED AT THE FIRST CONGRESS.

##### RESOLUTION I.

Resolved—That this Congress earnestly recommends that the promised inquiry into the working of Indian Administration, here and in England, should be entrusted to a Royal Commission, the people of India being adequately represented thereon, and evidence taken both in India and in England.

[Proposed by Mr. G. Subramania Iyer (Madras); seconded by Mr. P. M. Mehta (Bombay); and supported by Mr. Norendronath Sen (Calcutta)].

##### RESOLUTION II.

Resolved—That this Congress considers the abolition of the Council of the Secretary of State for India, as at present constituted, the necessary preliminary to all other reforms.

[Proposed by Mr. S. H. Chiplonkar (Poonah); seconded by Mr. P. Ananda Charlu (Madras); and supported by Mr. J. Ghosal (Allahabad).]

##### RESOLUTION III.

Resolved—That this Congress considers the reform and expansion of the Supreme and existing Local Legislative Councils, by the admission of a considerable proportion of elected members (and the creation of similar Councils for the North-Western Provinces and Oudh, and also for the Punjab) essential; and holds that all Budgets should be referred to these Councils for consideration, their members being moreover empowered to interpellate the Executive in regard to all branches of the administration; and that a Standing Committee of the House of Commons should be constituted to receive and consider any formal protests that may be recorded by majorities of such Councils against the exercise by the Executive of the power, which would be vested in it, of overruling the decisions of such majorities.

[Proposed by the Hon'ble K. T. Telang, C.I.E. (Bombay); seconded by the Hon'ble S. Subramania Iyer (Madras); and supported by the Hon'ble Dadabhai Naoroji (Bombay).]

## RESOLUTION IV.

**Resolved**—That in the opinion of this Congress the competitive examinations now held in England, for first appointments in various civil departments of the public service, should henceforth, in accordance with the views of the India Office Committee of 1860. “be held simultaneously, one in England and one in India, both being as far as practicable identical in their nature, and those who compete in both countries being finally classified in one list according to merit,” and that the successful candidates in India should be sent to England for further study, and subjected there to such further examinations as may seem needful. Further, that all other first appointments (excluding peonships, and the like) should be filled by competitive examinations held in India, under conditions calculated to secure such intellectual, moral, and physical qualifications as may be decided by Government to be necessary. Lastly, that the maximum age of candidates for entrance into the Covenanted Civil Service be raised to not less than 23 years.

[Proposed by the Hon'ble Dadabhai Naoroji (Bombay); seconded by Mr. Vira Raghavacharya (Madras); and supported by Mr. D. S. White (Madras).]

## RESOLUTION V.

**Resolved**—That in the opinion of this Congress the proposed increase in the military expenditure of the empire is unnecessary, and regard being had to the revenues of the empire and the existing circumstances of the country, excessive.

[Proposed by Mr. Rangaya Nayadu (Madras); seconded by Mr. Dinsha Eudlji Wacha (Bombay); and supported by Mr. Dayaram Jethmul (Karachi).]

## RESOLUTION VI.

**Resolved**—That in the opinion of this Congress, if the increased demands for military expenditure are not to be, as they ought to be, met by retrenchment, they ought to be met, firstly, by the re-imposition of the Customs duties; and, secondly, by the extension of the licence-tax to those classes of the community, official and non-official, at present exempted from it, care being taken that in the case of all classes a sufficiently high taxable minimum be maintained. And, further, that this Congress is of opinion that Great Britain should extend an imperial guarantee to the Indian debt.

[Proposed by Mr. J. U. Yajnik (Bombay); seconded by Mr. S. A. Swaminath Iyer (Tanjore); supported by Rao Saheb S. Venkata Subbarayudu Pantulu (Masulipatam).]

## RESOLUTION VII.

**Resolved**—That this Congress deprecates the annexation of Upper Burmah, and considers that if the Government unfortunately decide on annexation, the entire country of Burmah should be separated from the Indian Viceroyalty and constituted a Crown Colony, as distinct in all matters from the Government of this country as is Ceylon.

[Proposed by Mr. P. M. Mehta (Bombay); seconded by Rao Bahadur Krishanji Laxman Nulkar (Poona).]

### RESOLUTION VIII.

Resolved—That the resolutions passed by this Congress be communicated to the Political Associations in each province, and that these Associations be requested, with the help of similar bodies and other agencies within their respective provinces, to adopt such measures as they may consider calculated to advance the settlement of the various questions dealt with in these resolutions.

[Proposed by Mr. Murlidhar (Umballa); seconded by Mr. H. H. Dhruva (Surat).]

### RESOLUTION IX.

Resolved—That the Indian National Congress re-assemble next year in Calcutta, and sit on Tuesday, the 28th of December, 1886, and the next succeeding days.

[Proposed by Mr. A. O. Hume (Bengal); seconded by the Hon'ble S. Subramania Iyer (Madras).]

## RESOLUTIONS PASSED AT THE SECOND CONGRESS.

### RESOLUTION I.

Resolved—That this Congress of delegates from all parts of India do humbly offer its dutiful and loyal congratulations to Her Most Gracious Majesty, the Queen-Empress, on the approaching completion of the first half century of her memorable, beneficent, and glorious reign, and heartily wish her many, many more, and happy, years of rule, over the great British Empire.

[Proposed by Mr. Rahimatulla M. Sayani (Bombay); seconded by Lala Murlidhar (Ambala); supported by Mr. G. Subramania Iyer (Madras), and carried by acclamation.]

### RESOLUTION II.

Resolved—That this Congress regards with the deepest sympathy, and views with grave apprehension, the increasing poverty of vast numbers of the population of India, and (although aware that the Government is not overlooking this matter and is contemplating certain palliatives) desires to record its fixed conviction that the introduction of Representative Institutions will prove one of the most important practical steps towards the amelioration of the condition of the people.

[Proposed by Mr. Dinshaw Edulji Wacha (Bombay); seconded by the Hon'ble S. Subramania Iyer (Madras); supported by Pandit Prannath (Lucknow), and carried by a very large majority.]

### RESOLUTION III.

Resolved—That this Congress do, emphatically, re-affirm the 3rd Resolution of the Congress of 1885, and distinctly declare its belief that the reform and

expansion of the Council of the Governor-General for making Laws and of the Provincial Legislative Councils, therein suggested, have now become essential alike in the interests of India and England.

[Proposed by Rai Kunja Lall Banerjee, Bahadur (Calcutta); seconded by Mr. P. Rangiah Naidu (Madras); supported by Mr. Ghanasham Nilkanth (Bombay), and carried unanimously.]

#### RESOLUTION IV.

**Resolved**—That this Congress is of opinion that in giving practical effect to this essential reform, regard should be had (subject to such modifications as, on a more detailed examination of the question, may commend themselves to the Government) to the principles embodied in the following tentative suggestions:—

- (1.) The number of persons composing the Legislative Councils, both Provincial and of the Governor-General, to be materially increased. Not less than one-half the Members of such enlarged Councils to be elected. Not more than one-fourth to be officials having seats *ex-officio* in such Councils, and not more than one-fourth to be Members, official or non-official, nominated by Government.
- (2.) The right to elect Members to the Provincial Councils to be conferred only on those classes and members of the community, *prima facie*, capable of exercising it wisely and independently. In Bengal and Bombay the Councillors may be elected by the Members of Municipalities, District Boards, Chambers of Commerce and the Universities, or an electorate may be constituted of all persons possessing such qualifications, educational and pecuniary, as may be deemed necessary. In Madras, the Councillors may be elected either by District Boards, Municipalities, Chambers of Commerce, and the University, or by Electoral Colleges composed of Members partly elected by these bodies and partly nominated by Government. In the North-West Provinces and Oudh, and in the Punjab, Councillors may be elected by an Electoral College composed of Members elected by Municipal and District Boards, and nominated, to an extent not exceeding one-sixth of the total number, by Government, it being understood that the same elective system now in force where Municipal Boards are concerned will be applied to District Boards, and the right of electing Members to these latter extended to the cultivating class. But whatever system be adopted (and the details must be worked out separately for each province) care must be taken that all sections of the community, and all great interests, are adequately represented.
- (3.) The elected Members of the Council of the Governor-General for making Laws to be elected by the elected Members of the several Provincial Councils.
- (4.) No elected or nominated Member of any Council to receive any salary or remuneration in virtue of such Membership, but any such Member, already in receipt of any Government salary or allowance, to continue to draw the same unchanged during Membership, and all Members to be entitled to be reimbursed any expenses incurred in travelling in connection with their Membership.
- (5.) All persons resident in India to be eligible for seats in Council, whether as electees or nominees, without distinction of race, creed, caste, or colour.
- (6.) All legislative measures and all financial questions, including all budgets, whether these involve new or enhanced taxation or not, to be necessarily submitted to and dealt with by these Councils. In the case of all other branches of the administration, any Member to be at liberty, after due notice, to put any question he sees fit to the *ex-officio* Members (or such one of these as may be specially

charged with the supervision of the particular branch concerned), and to be entitled, except as hereinafter provided, to receive a reply to his question, together with copies of any papers requisite for the thorough comprehension of the subject, and on this reply the Council to be at liberty to consider and discuss the question, and record thereon such resolution as may appear fitting to the majority. Provided that, if the subject in regard to which the inquiry is made involves matters of Foreign policy, Military dispositions or strategy, or is otherwise of such a nature that, in the opinion of the Executive, the Public interests would be materially imperilled by the communication of the information asked for, it shall be competent for them to instruct the *ex-officio* Members, or one of them, to reply accordingly, and decline to furnish the information asked for.

- (7.) The Executive Government shall possess the power of overruling the decision arrived at by the majority of the Council in every case in which, in its opinion, the public interests would suffer by the acceptance of such decision; but whenever this power is exercised, a full exposition of the grounds on which this has been considered necessary shall be published within one month, and in the case of local Governments they shall report the circumstances and explain their action to the Government of India, and in the case of this latter it shall report and explain to the Secretary of State; and in any such case, on a representation made through the Government of India and the Secretary of State by the overruled majority, it shall be competent to the Standing Committee of the House of Commons (recommended in the 3rd Resolution of last year's Congress, which this present Congress has affirmed) to consider the matter, and call for any and all papers or information, and hear any persons on behalf of such majority or otherwise, and thereafter, if needful, report thereon to the full House.

[Proposed by Mr. Surendra Nath Banerjee (Calcutta), seconded by Mr. N. G. Chandavarkar (Bombay), supported by Mr. Sharfuddin (Behar), and carried without a dissentient voice.]

### RESOLUTION V.

Resolved—That this Congress do invite all Public Bodies and all Associations throughout the Country, humbly and earnestly, to entreat His Excellency the Viceroy to obtain the sanction of Her Majesty's Secretary of State for India, to the appointment of a Commission, to enquire exhaustively into the best method of introducing such a tentative form of Representative Institutions into India, as has been indicated in Resolutions III. of the past, and IV. of the present, year's Congress.

[Proposed by Mr. N. N. Gupta (Karrachi); seconded by Mr. M. B. Namjoshi (Poona); supported by Kumar Binay Krishna (Calcutta), and carried unanimously.]

### RESOLUTION VI.

Resolved—That a Committee composed of the gentlemen named in the

*Hon'ble Dadabhai Naoroji (Bombay).	Mr. Guru Prasad Sen (Patna).	margin* be appointed
" S. Subramania Iyer (Madras).	Pundit Prannath (Lucknow).	to consider the Public

[Proposed by Mr. Surendra Nath Banerjee (Calcutta); seconded by Mr. M. B. Namjoshi (Poona); supported by Pandit S. Agnihorti (Lahore), and carried unanimously.]

## RESOLUTION VII.

Resolved—That this Congress approves and adopts the report\* submitted by the Committee appointed by Resolution VI.

[Proposed by Mr. Surendra Nath Banerjee (Calcutta); seconded by the Hon'ble S. Subramania Iyer (Madras), and carried unanimously.]

## RESOLUTION VIII.

Resolved—That in the opinion of this Congress, the time has now arrived when the system of trial by jury may be safely extended into many parts of the country where it is not at present in force.

[Proposed by Mr. S. A. Saminada Iyer (Tanjore); seconded by Mr. H. H. Dhruva (Surat); supported by Dr. Trailokyanath Mitter (Calcutta), and carried unanimously.]

## RESOLUTION IX.

Resolved—That, in the opinion of this Congress, the innovation made in 1872 in the system of trial by jury, depriving the verdicts of juries of all finality, has proved injurious to the country, and that the powers then, for the first time, vested in Sessions Judges and High Courts, of setting aside verdicts of acquittal, should be at once withdrawn.

[Proposed by Mr. W. C. Bonnerjee (Calcutta); seconded by the Hon'ble Peary Mohan Mookerjee (Calcutta); supported by Munshi Sadho Lal (Benares), and carried by a very large majority.]

## RESOLUTION X.

Resolved—That, in the opinion of this Congress, a provision, similar to that contained in the Summary Jurisdiction Act of England (under which accused persons in serious cases have the option of demanding a committal to the Sessions Court), should be introduced into the Indian Code of Criminal Procedure, enabling accused persons, in warrant cases, to demand that, instead of being tried by the Magistrate, they be committed to the Court of Sessions.

## \* REPORT.

We, the Members of the Committee appointed by the Congress to submit a statement in connection with the Public Service Question, have the honor to report that the following resolutions were unanimously adopted by us at a meeting held yesterday:—

1. That the open Competitive Examination be held simultaneously both in India and in England.
2. That the simultaneous examinations thus held be equally open to all classes of Her Majesty's subjects.
3. That the classified lists be prepared according to merit.
4. That the Congress express the hope that the Civil Service Commissioners will give fair consideration to Sanskrit and Arabic among the subjects of examination.
5. That the age of Candidates eligible for admission to the open Competitive Examination be not less than 19, or, as recommended by Sir C. Aitchison, more than 23 years.
6. That simultaneous examinations being granted, the Statutory Civil Service be closed for first appointments.
7. That the appointments in the Statutory Civil Service, under the existing rules, be still left open to the Members of the Uncovenanted Service and to professional men of proved merit and ability.
8. That all appointments requiring educational qualifications, other than covenanted first appointments, be filled by Competitive Examinations held in the different Provinces, and open in each Province to such natural-born subjects of Her Majesty only as are residents thereof.

These Resolutions, it is hoped, cover the main principles which underlie the questions set by the Public Service Commission. For a more detailed consideration there was no time.

(Sd.) DADABHAI NAOROJI,  
President of the Committee.

[Proposed by Mr. Mano Mohan Ghose (Calcutta); seconded by Mr. T. Chidambara Row (Bellary); supported by Khajeh Abdul Aleem (Dacca), and carried unanimously.]

### RESOLUTION XI.

**Resolved**—That this Congress do place on record an expression of the universal conviction, that a complete separation of executive and judicial functions (such that in no case the two functions shall be combined in the same officer) has become an urgent necessity, and that, in its opinion, it behoves the Government to effect this separation without further delay, even though this should, in some Provinces, involve some extra expenditure.

[Proposed by Mr. Daji Abaji Khare (Bombay); seconded by Munshi Kashi Pershad (Allahabad); supported by Mr. Sri Ram (Lucknow), and carried unanimously.]

### RESOLUTION XII.

**Resolved**—That in view of the unsettled state of public affairs in Europe, and the immense assistance that the people of this country, if duly prepared therefor, is capable of rendering to Great Britain in the event of any serious complications arising, this Congress do earnestly appeal to the Government to authorise (under such rules and restrictions as may to it seem fitting) a system of Volunteering for the Indian inhabitants of the country, such as may qualify them to support the Government effectively in any crisis.

[Proposed by Rajah Rampal Singh (Oudh); seconded by Mr. R. D. Mehta (Calcutta), and carried by acclamation.]

### RESOLUTION XIII.

**Resolved**—That Standing Congress Committees be constituted at all important centres.

[Proposed by Mr. W. C. Bonnerjee (Calcutta); seconded by Mr. N. G. Chandavarkar (Bombay), and carried unanimously.]

### RESOLUTION XIV.

**Resolved**—That the third Indian National Congress assemble at Madras on the 27th of December, 1887.

[Proposed by Mr. A. O. Hume (Punjab); seconded by the Hon'ble S. Subramania Iyer (Madras), and carried by acclamation.]

### RESOLUTION XV.

**Resolved**—That copies of these Resolutions be forwarded to His Excellency the Viceroy in Council, with the humble requests, that he will cause the 1st Resolution to be submitted in due course to Her Majesty the Queen-Empress, that he will cause all the Resolutions to be laid before Her Majesty's Secretary of State for India, and that he himself will be graciously pleased, in consultation with his colleagues, to accord them his best consideration.

[Proposed by Mr. Rangiah Naidu (Madras); seconded by Mr. Sorabjee Framjee Patel (Bombay), and carried unanimously.]

(Signed) DADABHAI NAOROJI,  
*President of the Second Indian National Congress.*

## RESOLUTIONS PASSED AT THE THIRD CONGRESS.

Resolved—That this Congress re-affirms the necessity for the expansion and reform of the Council of the Governor-General for making Laws, and the Provincial Legislative Councils, already set forth in Resolutions III. of the Congresses of 1885 and 1886, and expresses the earnest hope that the Government will no longer delay action in the direction of this essential reform.

### RESOLUTION III.

Resolved—That this Congress once again places on record an expression of the universal conviction, that a complete separation of the Executive and Judicial functions (such that in no case the two functions shall be combined in the same officer) has become an urgent necessity, and declares that, in its opinion it behoves the Government to effect this separation, without further delay, even though this should, in some provinces, involve some extra expenditure.

[Proposed by Mr. N. Subramaniam (Madras); seconded by Babu Kali Charan Bannerjee (Bengal); supported by Mr. Hafiz Abdul Rahim (N.-W. Provinces), and carried unanimously.]

### RESOLUTION IV.

Resolved—That in view of the loyalty of Her Majesty's Indian subjects, this Congress considers it desirable that the Queen's Proclamation should be given effect to; that the Military Service in its higher grades should be practically opened to the natives of this country; and that the Government of India should establish Military Colleges in this country, whereat the natives of India, as

defined by statute, may be educated and trained for a military career as officers of the Indian Army.

[Proposed by B. P. Norandranath, Ben. (Bengal); seconded by Bala Saligran Singh (Behar); supported by Mr. Erdley Norton (Madras); and carried unanimously.]

#### RESOLUTION V

Resolved—That in view of the unsettled state of public affairs in Europe, and the assistance that the people of this country, if duly prepared therefor, are capable of rendering to Great Britain in the event of any serious emergency arising, this Congress once again earnestly appeals to the Government to authorize (under such rules and restrictions as may be found fitting) a system of volunteering for the Indian inhabitants of the country, such as may qualify them to support the Government effectively in any crisis.

[Proposed by C. Sankara Nair (Madras); seconded by Khan Bahadur Sheikh Ahmed Hussain Khan (Oudh); supported by Rajah Ram Lal Singh (N.-W. Provinces), and carried unanimously.]

#### RESOLUTION VI

Resolved—That as the administration of the Income-Tax, especially as regards incomes below Rs. 1,000, has proved extremely unsatisfactory, it is essential, in the opinion of the Congress, that the taxable minimum be raised to Rs. 1,000, the loss of revenue thus involved being made good, and further financial difficulties, if any met, by reductions in the existing public expenditure, or, should this prove impossible, by the re-imposition of an import duty on the finer classes of cotton goods.

[Proposed by Babu Gura Prasad Saha (Behar); seconded by Babu Jogender Chander Ghose (Bengal), and carried unanimously.]

#### RESOLUTION VII

Resolved—That having regard to the poverty of the people, it is desirable that the Government be moved to elaborate a system of Technical Education, suitable to the conditions of the country, to encourage indigenous manufactures by a more strict observance of the orders already existing, in regard to utilizing such manufactures for State purposes, and to employ more extensively, than at present, the skill and talents of the people of the country.

[Proposed by Sir S. Ramaswami Mudaliar (Madras); seconded by Mr. John Adair (Madras); supported by Sheikh Kadir Husain (Oudh), and carried unanimously.]

#### RESOLUTION VIII

Resolved—That in view of the loyalty of the people, the hardships which the Press Act (XI of 1878) causes, and the unmerited slur which it casts upon the people of this country, the Government be moved so to modify the provisions of Chapter IV, and, if necessary, other portions of the said Act, so that all persons be allowed to possess and wear arms, unless debared therefrom, either as individuals or members of particular communities or classes, by the

orders of the Government of India (or any local authority empowered by the Government of India on that behalf), for reasons to be recorded in writing and duly published.

[Proposed by Rao Bahadur Sribapatay Mandalay (Madras); seconded by Babu Biju Chandu Pal (Bengal), and carried unanimously.]

### RESOLUTION IX.

Resolved—That the rules drafted by the Committee appointed under Resolution I stand over for consideration till next Congress, but that, in the meantime, copies be circulated to all Standing Congress Committees, with the request that they will, during the coming year, act in accordance with those rules, so far as this may seem to them possible and desirable, and report thereon to the next Congress, with such further suggestions as to them may seem meet.

[Proposed by Mr. A. O. Hurre (Madras); seconded by Dr. Trailokyanath Mitra (Bengal), and carried unanimously.]

### RESOLUTION XI.

Resolved—That copies of these Resolutions be forwarded to His Excellency the Viceroy-in-Council with the humble request that he will cause all the Resolutions to be laid before Her Majesty's Secretary of State for India, and that he himself will be graciously pleased, in consultation with his colleagues, to accord them his best consideration.

[Proposed by Rajah Yashindranath Chaudhuri (Bengal); seconded by Babu Joteindra Nath Tagore (Bengal), and carried unanimously.]
