TABLE OF CONTENTS.

Report.

CHAPTER I.—INTRODUCTORY.

PARA.	PAGE.
1. Introductory	3
2. Reason for delay in completion of Report	3
3. The Board's procedure	4
4. Evidence brought up to date	5
5. Arrangement of the Report	5

Part I.—Wagons and underframes.

CHAPTER II.—HISTORY AND PROGRESS OF THE INDUSTRY.

6. Applications for protection	9
7. Progress of Wagon industry up to period of protection	9
8. Tariff Board's first proposal	10
9. Expansion follows Steel Industry (Protection) Act	11
10. The method of assessing the bounty	11
11. Restriction on payment of bounty in any one year becomes inoperative	11
12. Underframes	12
13. Recommendations regarding wagons	12
14. Further progress	13
15. Reduction in costs	13
16. Causes of reduction in costs analysed	14
17. Comparison of tenders—January, 1925, and November, 1925	15
18. General result of protection	16
19. Working of bounty scheme	16

CHAPTER III.—FUTURE DEMAND FOR WAGONS. PLAN OF THE REPORT.

20. Surplus wagons	18
21. Future economies restrict demand	18
22. Orders for wagons in current and future years	19
23. Railway requirements in 1929-30 and 1930-31	19
24. Crisis in Wagon industry could not have been foreseen in 1924-25	20
25. But might have been foreseen in 1925-26	20
26. Present crisis could not have been entirely averted	21
27. Measures taken by Government	21
28. Plan of Report	22

PARA.	CHAPTER IV.—FAIR SELLING PRICE OF WAGONS.	PAGE.
29.	Costing system of Messrs. Burn and Company and Messrs. Jessop and Company	23
30.	Difficulty caused by "work in progress"	23
31.	The Indian Standard Wagon Company	23
32.	Indian Standard Wagon Company taken as typical	24
33.	Costs available as a basis of calculation	25
34.	Cost of rolled steel material	25
35.	Castings, fittings and other material	26
36.	Direct labour	26
37.	Cost above material for 1,800 wagons	26
38.	Reduction in cost of repairs and maintenance	27
39.	Further adjustment	27
40.	Incidence for 2,000 wagons	28
41.	Additional charge on account of future manufacture of fittings.	28
42.	Cost above material for 2,500 wagons	29
43.	Works costs	29
44.	Overhead charges: Depreciation	29
45.	Interest on working capital	30
46.	Managing Agents' commission and Office charges	30
47.	Manufacturer's profit	30
48.	Fair selling price	30
49.	Price of imported wagons	31
50.	Probable trend of price of imported wagons	31
51.	Adjustment of imported prices	32
52.	The Indian Standard Wagon Company's costs for 1926-27	32
53.	No increase in duty recommended. Payment of bounties to cease	33
54.	Underframes	34
55.	Erection, landing, wharfage and port charges	34

CHAPTER V.—MEASURE OF IMMEDIATE ASSISTANCE REQUIRED

56.	Immediate problem	35
57.	Method adopted	35
58.	Method not unfair to consumer	36
59.	Capacity of wagon works	36
60.	Order for 1927-28 in terms of C-2 wagon	37
61.	Increase in works cost	37
62.	Cost above material and overhead	37
63.	Increase in costs resulting from non-standardization	38
64.	Summary of works costs other than materials	39
65.	Overhead charges	39
66.	Working capital	40
67.	Assistance required	41
68.	Recommendation that orders shall be placed in India only	41
69.	Maximum prices	42
70.	Method of placing orders in India	43
71.	Period within which recommendations to remain in force	43
72.	Suggested anticipations of railway requirements	43

CHAPTER VI.—MISCELLANEOUS.

PARA.	PAGE.
73. Application of Bombay, Baroda and Central India Railway Company	45.
74. Claim considered as that of a manufacturer of wagons	45
75. Claim for tariff equality for wagon building	45
76. Application in regard to material for locomotives	46.
77. No longer necessary to limit the number of orders placed with an individual firm	46

Part II.—Component parts: Forgings, steel castings and spring steel, bolts and nuts.

CHAPTER VII.—COMPONENT PARTS: FORGINGS, STEEL CASTINGS AND SPRING STEEL, BOLTS AND NUTS.

78. Component parts	49
-------------------------------	----

I.—Forgings.

79. Claim for tariff equality	49
80. Claim for substantive protection	50
81. Protection unnecessary for the manufacture of forgings	50

II.—Steel castings and spring steel.

82. Application for protection for spring steel and steel castings	51
83. Spring steel	51.
84. Manufacture of castings and spring steel inter-dependent	51
85. Capacity for production	52
86. Extent of the market for steel castings	53
87. Demand for spring steel	54
88. General conclusion as to market	54
89. No estimate possible of protection required for spring steel	55
90. Basis of estimate of future works costs of steel castings	55
91. Heads under which economy is possible	56
92. Electricity	56
93. Labour	57
94. General works: Supervision	57
95. Minor savings	57
96. Further savings: Fuel	57
97. Moulding composition	57
98. Summary: Works costs	58
99. Overhead charges. Depreciation	58
100. Working capital and head office charges	58
101. Manufacturer's profit and fair selling price	59
102. Price of imported castings	59
103. Extent of protection	60
104. Form of protection	61
105. Protection to be given by bounty	61
106. Period of protection	61
107. Recommendation	62

III.—Bolts and nuts.

PARA.	PAGE.
108. Applications received	62
109. Present output too small for grant of protection	63
110. Case for granting tariff equality	63
111. Trade figures	64
112. Duty proposed	64
113. Recommendation	65

Part III.—Wire and wire nails.

CHAPTER VIII.—WIRE AND WIRE NAILS.

114. Basis of claim for protection in 1924	69
115. Second enquiry results	69
116. Steel rods not manufactured by the Tata Iron and Steel Company	70
117. Suitability of the industry for protection	70
118. Circumstances changed since second Report	70
119. The manufacture of wire nails as a separate industry	71
120. Recommendation	71

J

Part IV.—Summary of conclusions and recommendations.

CHAPTER IX.—SUMMARY OF CONCLUSIONS AND RECOMMENDATIONS.

121. Conclusions and recommendations	75
------------------------------------------------	----

—

Evidence.

Part I.—Wagons, underframes and Component parts thereof. ✓

I. The Indian Standard Wagon Company, Limited—

- (1) Letter dated 29th April 1927, modifying the Company's original request for an *ad valorem* duty of 27½ per cent. on wagons and wagon parts 81
- (2) Letter dated 29th April 1927, enclosing list of orders for rolling stock received by the Company within the last five weeks, and by Messrs. Burn and Company during 1927-28 82
- (3) Letter dated 2nd May 1927, regarding steel used in one C-2 type wagon 83

II. Messrs. Burn and Company, Limited—

A.—WRITTEN.

- (1) Letter dated the 2nd June 1927, supplying information asked for during the oral examination of the Company 83
- (2) Letter dated the 3rd June 1927, forwarding lists showing the relative weights of certain bolts and nuts 86

B.—ORAL.

PAGE.

Evidence tendered on the 4th May 1927:—

Wagon building costs. Castings—Fittings—Economies resulting from increased output—Power—Non-productive labour—General shop supplies—Repairs—Changes in 1925-26—Repairs and Maintenance—Additions to block—Orders in terms of C-2 wagons—Capacity of Burn and Company—Amount of protection asked for—Rate of conversion of English tenders—Erection charges—Fixing the output of the various works—Minimum orders necessary to keep works open—Foreign competition—Costs of the Indian Standard Wagon Company to be taken as typical—Extra expenditure required to deal with the narrow gauge orders—Cost of jigs and dies required—Orders for spare parts—Castings—Bolts and Nuts	89—111
---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	--------

III. Messrs. Jessop and Company, Limited—

A.—WRITTEN.

(1) Letter, dated 29th April 1927, suggesting certain means for overcoming the temporary uncertain demand for wagons and giving list of orders received by the Company during March 1927	112
(2) Letter, dated 7th May 1927, giving latest prices for imported cast steel axle boxes	113
(3) Letter, dated 7th May 1927, giving costs for bolts and nuts	113

B.—ORAL.

Evidence tendered on the 11th May 1927—

Orders received—Capacity of works—The firm's application—Fittings—Orders in terms of C-2 wagons—Miscellaneous types of wagons—Material required for a narrow gauge wagon—Charges—Bolts and Nuts—Steel castings	114—130
--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	---------

IV. Letter from the Tariff Board to the Railway Board, dated 22nd April 1927, asking for certain information regarding railway wagons and carriage underframes, etc	131
-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	-----

V. Railway Board—

Letter dated 2nd May 1927, in reply to the above letter	131
-------------------------------------------------------------------	-----

VI. Indian Stores Department—

(1) Letter dated 14th/16th May 1927, giving information about the value of orders placed by the E. B. Railway against their requirements for Locomotive and Carriage and Wagon parts (local manufacture) 1926-27	156
(2) Letter dated 31st May 1927, giving particulars for axle boxes	160

VII. Bombay, Baroda and Central India Railway Company—

Representation, dated 13th April 1927, regarding import duty on railway material	162
--------------------------------------------------------------------------------------------	-----

VIII. Hukumchand Electric Steel Works—

A.—WRITTEN.

(1) Letter, dated 20th April 1927, submitting the Works production costs for the half year ending September 1926	165
----------------------------------------------------------------------------------------------------------------------------	-----

	PAGE.
(2) Letter, dated 3rd May 1927, submitting the Works production costs for the half year ending March 1927 .	171
(3) Letter dated 6th May 1927, submitting estimate of possible reduction in the Works production costs .	178
(4) Letter dated 17th May 1927, giving present prices for British and Continental steel castings	180
(5) Letter dated 27th May 1927, giving present prices of imported spring steel	180
(6) Letter dated 31st May 1927, giving prices of Continental steel castings and axle boxes	180
B.—ORAL.	
Evidence tendered on the 22nd April 1927—	
Introductory—Works costs—Import prices—Bounty upon steel castings—Spring steel—Import prices—Rolling costs—Prices realized for spring steel	182—199
IX. Letter from the Tariff Board to the Collector of Customs, Calcutta, dated 5th February 1927, regarding assessment of duty on steel castings for locomotives, railway wagons, and underframes	200
X. Collector of Customs, Calcutta—	
A.—WRITTEN.	
Letter dated 26th February 1927, in reply to the above letter	201
B.—ORAL.	
Evidence tendered on the 10th May 1927—	
Refund of import duties on raw materials—Castings and Forgings—Spring steel—Bolts and Nuts	202—205
XI. Messrs. Henry Williams (India), Limited—	
A.—WRITTEN.	
Representation, dated 22nd October 1926, regarding reduction of duty for steel imported for the manufacture of bolts and nuts	206
B.—ORAL.	
Evidence tendered on the 12th January 1927—	
Introductory—The Company's case—Kinds of steel used—The market for bolts and nuts in India—Capacity of the proposed works—Rebate on raw materials of duty on bolts and nuts	207—214
XII. Letter from the Tariff Board to Messrs. Kirloskar Brothers, Limited, dated the 19th April 1927, asking for certain information about bolts and nuts manufactured by the firm	215
XIII. Messrs. Kirloskar Brothers, Limited—	
A.—WRITTEN.	
(1) Letter dated 25th April 1927, in reply to the above letter	215
(2) Statement handed by the firm regarding bolts and nuts	220
(3) Letter dated 12th May 1927, submitting cost per ton of bolts	221

B.—ORAL.

	PAGE.
Evidence tendered on the 2nd May 1927—	
Introductory—Market for bolts and nuts—Agricultural implements—The Company's claim—Market—Costs—Prices of imported bolts and nuts—The Company's claim—Bolts used in a plough—Other makers—Selling price of bolts and nuts—Imports	222—240
XIV. Letter from the Tariff Board, to the Baroda Bolt Manufacturing Company, dated the 19th April 1927, asking for certain information about bolts and nuts manufactured by the Company	241
XV. Baroda Bolt Manufacturing Company— Letter dated 30th April 1927, in reply to the above letter	241

Part II.—Wire and Wire nails.

XVI. Letter from the Government of India, Department of Commerce, to the Tariff Board, dated the 29th May 1926, regarding assessment of galvanized iron seizing wire	245
XVII. The Indian Steel Wire Products, Limited—	

A.—WRITTEN.

(1) Representation, dated 11th May 1926, regarding protection to the Wire and Wire Nail industry	245
(2) Further representation, dated 11th August 1926	246
(3) Letter from the Tariff Board, dated 21st December 1926, asking for certain information from the firm	256
(4) Letter from the Indian Steel Wire Products, Limited, dated 29th December 1926, in reply to the above letter	256
(5) Letter dated 10th January 1927, forwarding letter from the Tata Iron and Steel Company, Limited, dated the 30th December 1926, regarding negotiations for loan	270
(6) Statements submitted by the Indian Steel Wire Products, Limited during oral evidence on the 10th January 1927 regarding works costs and import prices of wire and wire nails	271
(7) Letter dated 20th January 1927, regarding the financial position of the Company	273
(8) Letter dated 21st January 1927, giving an estimate of outlay necessary for three shifts working for wire and nail production taken together	273
(9) Letter dated 24th January 1927, forwarding copies of correspondence exchanged with Messrs. Barlow and Company and Messrs. Beruck and Comens regarding supply of wire rods to the Company	275
(10) Letter dated 20th April 1927, forwarding copy of their letter to the Imperial Bank, Calcutta, regarding cash credit account to be opened in favour of the Company at the Jamshedpur branch of the bank	280
(11) Letter dated 22nd April 1927, forwarding copy of letter from Messrs. Frank Mott and Company Limited, London, in connection with the importation of wire rods by the Company	283
(12) Letter dated 2nd May 1927, forwarding the Company's last balance sheet, etc., and certain other information regarding interest and overhead charges	285

	PAGE.
(13) Letter dated 3rd May 1927, forwarding a revised estimate for capital outlay required per month for all the wire drawing blocks and nail machines at one shift (maximum capacity)	286
(14) Letter dated 7th May 1927, giving further information regarding debenture interest, etc., omitted in the previous letter	287

B.—ORAL.

Evidence tendered on—

(1) 10th January 1927:—

Introductory—Progress made since 1924—Financial position—Use of Indian wire rod—Price of imported wire rod and wire—The Company's selling price—Railway freight—Wire costs—Overhead charges—Depreciation—Head Office charges—Block value—Selling price—Wire nail costs—Price of nails—Import of wire rods—Three shift working—Market—Galvanized wire—Market—Working capital required for three shift working	289—322
------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	---------

(2) 28th April 1927:—

Introductory—Position of the Company—Market—Labour charges—Fuel charges—Packing charges—Interest and overhead charges—Calcutta factory—Packing charges	323—336
------------------------------------------------------------------------------------------------------------------------------------------------------------------	---------

III. Pioneer Wire Nail Manufacturing Company—

Representation dated 16th August 1926, renewing application for a higher protective duty on wire nail than on wire	337
------------------------------------------------------------------------------------------------------------------------------	-----

C. Tata Iron and Steel Company, Limited—

A.—WRITTEN.

(1) Letter dated 13th January 1927, forwarding copy of a letter from the Agents, The Indian Steel Wire Products, Limited, dated 30th December 1926, regarding negotiations for a loan	341
(2) Supplementary Statement No. 1—regarding sale of properties of the Indian Steel Wire Products, Limited by debenture trustees	341
(3) Supplementary Statement No. 2—estimate by the Tata Iron and Steel Company of the savings which could be effected if the wire factory at Jamshedpur were to be taken over and run by the Tata Iron and Steel Company	342
(4) Supplementary Statement No. 3—estimates framed by the Tata Iron and Steel Company regarding cost of wire and wire nails	344

B.—ORAL.

Evidence tendered on—

(1) 11th January 1927:—

Introductory—The supply of wire rod by the Steel Company—Manufacture of wire and wire nails by a separate Company—Manufacture of wire and wire nails by the Steel Company—Position between the two Companies—Financial position of the Wire Company—Would the Steel Company take over the Wire Company if protection were to be suspended or withdrawn?—The Wire Company's plant—Financial position	345—358
---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	---------

(2) 28th April 1927:—

The position of the Indian Steel Wire Products, Limited—Economies which might be effected if the Wire Company were taken over by the Tata Iron and Steel Company—The manufacture of wire rod in India—Protection—Market—Cost of new plant, etc.—Cost of production—Market—Cost of making Bright wire—Two shift working	359—370
----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	---------

(3) 29th April 1927:—

Two shift working (continued)—The proposed Hoop and Strip Mill	370—377
--------------------------------------------------------------------------	---------

XX. Director of Industries, Bihar and Orissa—**A.—WRITTEN.**

(1) Letter dated the 11th April 1927, to Mr. J. C. K. Peterson, Tata Sons, Limited, Bombay, regarding proposal for foreclosure of the Indian Steel Wire Products, Limited, by the debenture holders	378
(2) Telegram dated the 27th April 1927, from the Tata Iron and Steel Company in reply to the above letter	379

B.—ORAL.**Evidence tendered on 28th April 1927—**

Introductory—Position of the Indian Steel Wire Products, Limited	380—388
----------------------------------------------------------------------------	---------

XXI. Messrs. Ganguli and Company—**A.—WRITTEN.**

(1) Representation, dated 12th January 1927, regarding protection of the Wire and Wire Nail industry	389—392
(2) Statement submitted by the Company showing c.i.f. prices of nails during 1925-26 and 1926-27	392

B.—ORAL.**Evidence tendered on 27th April 1927—**

Introductory—Proposal to establish factories—Advantages of Calcutta site. Freight—Packing—Water supply, etc.—Land rent—Estimates of Costs—Existing business—Plant—Quality of the Jamshedpur Company's products. Market conditions—Quotations for machinery—Working capital—Cost of imported Wire rod and wire—Bonus paid in Germany on exported wire—Selling arrangements as agents for Steel Wire Products Company—Managing Agency of the proposed Company—Quality of wire used for nails	393—411
------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	---------

XXII. Indian Stores Department—

Letter dated 11th May 1927, giving information of the quantity of wire and wire nails shown in the orders placed by the Director-General, Indian Stores Department, London, during the three years 1924-25 to 1926-27 and the yearly average price per ton f.o.r. Bombay of these	412
---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	-----

XXIII. Collector of Customs, Calcutta—

Letter dated 12th January 1927, giving prices for plain wire and wire nails	414
---------------------------------------------------------------------------------------	-----

	PAGE.
XXIV. Collector of Customs, Bombay—	
Letter dated 16th February 1927, giving prices of wire and wire nails	414
XXV. Messrs. Kilburn and Company—	
Letter dated 13th December 1926, giving the gauge of the wire and the length and gauge of the wire nails imported from the United Kingdom during the year 1926	415
XXVI. Messrs. Balmer Lawrie and Company, Limited—	
Letter, dated 8th January 1927, giving details of the only imports of galvanized plain wire made by the Company during 1926	417
XXVII. Burma Indian Chamber of Commerce—	
Letter dated 12th July 1926, forwarding views regarding continuance of protection to the wire nails industry	417
XXVIII. Indian Chamber of Commerce, Calcutta—	
Letter, dated 9th August 1926, submitting views regarding the continuance of protection to the wire and wire nail industry	417
