ACKNOWLEDGEMENT

In compiling this brief summary the authors have consulted Dr. F. R. Tegengren's *The Iron Ores and Iron Industry of China*, Mr. William F. Collins' *Mineral Enterprise in China*, Mr. J. Morgan Clements' *Gold Placer Area in Mongolia*, Mr. Adachi Kinnosuke's *Manchuria*, Mr. Yu Ho-yin's *Report on the Fushun Mine* and a number of other publications.

Mention should be made of Dr. V. K. Ting's *Brief History of Chinese Mines Cooperated with Foreign Capitals*, also Dr. Ting's *Fifty Years of Chinese Mining Industry* in the *Shun Pao* Anniversary Volume, and Mr. T. F. Hou's *General Statement of the Mining Industry*, No. 3. These publications have been of great help.

The authors are particularly obliged to Dr. W. H. Wong, Director of the National Geological Survey of China, for his kindness in reading over the manuscripts, for his invaluable criticism and suggestions, and for his permission to make use of the records and files of the National Geological Survey.
