## PREFATORY NOTE.

THE letters and papers received from England during the period 1706—10 as contained in Volumes 14 and 15 of the series "Despatches from England" and supplemented by transcripts supplied by the courtesy of the India Office out of their "Letter Books" for the missing papers are printed *in extenso*.

2. The years expressed are in the old civil style and their conversion into corresponding historical years can be effected by the adoption of the following formula enunciated by Mr. Arthur T. Pringle in his notes on page 198 of the Diary and Consultation Book for 1685, viz.—

"(1) When any day from 1st January to 24th March (inclusive) is followed by figures denoting a single year, add one to them.

Example, 25th February 1690=25th February 1691.

(2) When any day from 25th March to 31st December (inclusive) is followed by figures denoting a single year, make no alteration.

Example, 25th June 1690=25th June 1690.

(3) When any day in the year is followed by figures denoting two years, adopt the second of these two.

Examples, 25th January 1690-91=25th February 1691,

25th June 1690-91=25th June 1691."

3. The sheets in the manuscript volumes which were very brittle and torn have been carefully mended.

EGMORE,  
28 h June 1927.
