## TABLE OF CONTENTS

	PAGES
CHAPTER I.—General principles .. .. .	1—5
” II.—Survey instruments and their use .. .. .	6—11
” III.—Measurement of fields .. .. .	12—24
” IV.—The use of survey tippan .. .. .	25—32
” V.—Calculation of measurements .. .. .	33—41
” VI.—Plotting and calculation of areas .. .. .	42—60
” VII.—Sub-division measurement .. .. .	61—70
” VIII.—Practical measurements .. .. .	71—75
APPENDIX I.—Glossary of measurement terms .. .. .	76
” II.—Signs used in connection with survey work .. .. .	77—78

## APPENDIX I

### *Glossary of Measurement Terms*

Marathi	Explanations
Bandh map ..	.. The length of the boundary of a field between any two corners.
Gunakar	.. Multiplication.
Kshetra	.. The plot or measurement sketch of a survey number drawn to scale.
Kshetra book	.. The book containing such plots.
Lambi	.. The base line.
Rundi	.. An offset.
Tippan	.. The sketch of a number, not drawn to scale, but showing the measurements.
Tippan book	.. The measurement book containing such sketches.
Warga Mul	.. The ready reckoner of squares and square roots ( <i>vide</i> Chapter VI).
Wasla	.. The triangles and trapezia into which survey numbers are divided by the cross-staff.
Wazai Wasla	.. A wasla formed by an offset passing outside the number and which has to be deducted in calculating the area.

## APPENDIX II

### *Signs used in connection with Survey Work*

- |      |   |  |
|------|---|--|
| (1)  |    | A well with one water lift (mot).  |
| (2)  |    | A well with two lifts (mots).  |
| (3)  |    | A well without a lift but in repair and formerly used for irrigation.          |
| (4)  |    | A well with steps.   |
| (5)  |    | A well without a lift and steps and never used for the purposes of irrigation. |
| (6)  |    | A dry well but in good repair.   |
| (7)  |   | An old dry well out of repair.   |
| (8)  |  | A tank.  |
| (9)  |  | A large stream or river.   |
| (10) |  | A small nalla.   |
| (11) |  | A made road which forms the boundary of a survey number.                       |
| (12) |  | A road which passes through a survey number.                                   |
| (13) |  | Single cart-track passing through a survey number.                             |
| (14) |  | Two annas footpath passing through survey number for loaded animal.            |
| (15) |  | One anna foot path passing through survey number for public.                   |

- (16)  Railway line.
- (17)  Earthen mounds (warulis) which constitute the boundary marks of survey numbers.
- (18)  Stone boundary marks.
- (19)  A hedge forming the boundary of a survey number.
- (20)  Forest boundary mark.
- (21)  Trigonometrical station.
- (22)  Theodolite station.
- (23)  A temple.
- (24)  A house.
- (25)  A tower.
- (26)  A toddy tree.
- (27)  A mango or a tamarind tree.
- (28)  A banyan tree.
- (29)  Any tree.
- (30)  A hill.
