P.—————showing the Age at which Widowed—Females—by Castes ...	304
Q.—————showing the chances of early Widowhood in early Marriages ...	306
R.—————showing the Re-marriage of Widows by Natural Divisions and Districts	308
S.—Re-marriage of Widows by Castes and Religions—(in 2 Parts) ...	309
T.—Statement showing the distribution by Civil Condition of 100 of each Sex in each Religion in the Civil and Military Station, Bangalore ...	310
U.—————showing the distribution by Civil Condition of 1,000 of each Sex at each Age-period in each Main Religion in the Civil and Military Station, Bangalore	311
V.—————showing the distribution by 5 Age-periods of 1,000 of each Sex in each Civil Condition in each Religion in the Civil and Military Station, Bangalore	312
W.—————showing the Variations in Population by Civil Condition since 1891 in the Civil and Military Station, Bangalore	313
X.—————showing relative fecundity, i.e., the number of children born during the decade per 100 Females of Reproductive Ages in each Religion ..	314
Y.—————showing relative fecundity of Females by Castes per 100 Females of Reproductive-Ages	316

CHAPTER V—EDUCATION.

I.—Education by Age and Sex (in 4 Parts)	341
II.—Education by Age, Sex and Religion (in 4 Parts for each Religion) ...	345
III.—Education by Age and Sex by Cities, Districts & Natural Divisions..	360
IV.—English Education by Age and Sex, by Cities, Districts and Natural Divisions...	361
V.—Education by Castes, Tribes or Races (in two ways)	362
VI.—Progress of Education since 1881 by Districts, Natural Divisions and Religions (in 5 Parts)	410
VII.—Progress of English Education since 1881 by Districts, Natural Divisions and Religions (in 5 Parts)	413
VIII.—Literacy by Civil Condition and Occupation in each Religion (in 6 Parts) ...	416
IX.—Literacy in Parent-Tongue per 1,000 of Population (in 3 Parts) ..	428

CHAPTER VI—LANGUAGE.

I.—Population by Languages (in 4 Parts)	440
II (a)—Distribution by Language of 10,000 of Population	444
(b)—Distribution by Residence of 10,000 persons of each Language ...	446

CHAPTER VI—LANGUAGE—conold.

III—Statement showing the number of Publications (Books and Periodicals) registered under the Government of Mysore in accordance with the Provisions of Act XXV of 1876 during the ten years ending 31st December 1900 : (a) by years	448
(b) by subjects	449
A.—Statement showing the Languages spoken in Mysore Province and the Linguistic Family to which they severally belong	451

CHAPTER VII—INFIRMITIES.

I—Average number of afflicted per 10,000 of each Sex, by Natural Divisions and Districts in 1881, 1891 and 1901	461
II—Average number of afflicted per 10,000 of each Sex by Religions in 1881, 1891 and 1901	463
III—Average number of afflicted per 10,000 of each Sex in each Caste for 1901, 1891 and 1881	464
IV—Distribution by Age of 10,000 persons for each Infirmary	474
V—Proportion of Females afflicted to 1,000 Males afflicted at each Age	475
VI—Infirmitities among every 10,000 persons of each Caste, Tribe or Race	476
VII—Distribution of every 1,000 persons of each Infirmary by Religion and Civil Condition	482
VIII—Literacy and Occupation of 1,000 persons of each Infirmary	485

CHAPTER VIII—CASTE, TRIBE OR RACE.

I—Caste, Tribe or Race by Traditional Occupation and Religion (in 4 Parts)	595
II—Variation in Caste, Tribe and Race since 1871 (in 4 Parts)	626
III—Civil Condition by Age for Castes—Percentage of each Sex in each Age-period (in 3 Parts)	642
IV—Proportion of Sexes in Castes (in 3 Parts)	678
A.—Castes arranged by Groups, in the order of their Numerical Strength	690
B.—Abstract of classification of Castes into Groups	694
C.—Statement showing the Proportion of the population in each group of Statement A to Total Population in each Religion	695
D.—————showing the distribution of 1,000 Persons of each of the principal Castes etc. by Districts of Enumeration	696
E.—————showing the distribution of 1,000 persons enumerated in each District by their Castes etc.	698
F.—————showing the number of Females to 1,000 Males in the Population of the principal Castes in each of the three Main Age-periods... ..	702
G.—————showing the Distribution of 1,000 Brahmins of each Sect by their Gotras	704
H.—————showing the Distribution of 1,000 Brahmins of each of the principal Gotras by their Sects	705
I.—————showing the Variation since 1891 in the numbers returned under each of the principal Gotras	706
J.—————showing the Population of the Non-Brahminical Hindu Castes and the numbers among them who have returned Gotras	707

CHAPTER IX—OCCUPATION.

I—General Distribution by Occupation (in 2 Parts)	754
II—Distribution of the Agricultural Population by Cities, Districts and Natural Divisions	766

CHAPTER IX—OCCUPATION—concl'd.

III—Distribution of the Industrial Population by Cities, Districts and Natural Divisions	767
IV—Distribution of the Industrial Population by Domestic and Factory Industries (in 4 Parts)	768
V—Distribution of the Commercial Population by Cities, Districts and Natural Divisions	772
VI—Distribution of the Professional Population by Cities, Districts and Natural Divisions	773
VI (a)—Distribution of Population supported by Earthwork and General Labour by Cities, Districts and Natural Divisions	774
VII—Occupation by Orders, 1901-1891 (in 4 Parts)	775
VIII—Occupation by selected Sub-orders 1901 and 1891 (in 4 Parts)	779
IX—Occupation of Females by Orders (in 4 Parts)	787
X—Occupation of Females by Sub-orders (in 4 Parts)	789
XI—Combined Occupations (in 3 Parts)	800
XII—Occupation and Caste (in 3 Parts)	830
XIII—Subsidiary Occupation and Caste (in 3 Parts)	866
A.—Statement showing Groups of Occupations supporting more than 10,000 persons	902
B.—showing the percentage of Actual Workers of each Sex and both Sexes to the Total population of that Sex and both Sexes in the several Taluks	903
C.—showing percentage of Actual Workers to Total Population in the principal Castes	905
D.—showing Combined Occupations, Mysore Province	906
E.—Eastern Division	907
F.—Western Division	908
G.—showing the distribution by Principal Occupation of 100 persons pursuing the Subsidiary Occupations followed by more than one in 500 Actual Workers, Province	909
H.—showing the distribution by Principal Occupation of 100 Persons pursuing the Subsidiary Occupations followed by more than one in 500 Actual Workers, Eastern Division	910
I.—showing the distribution by Principal Occupation of 100 Persons pursuing the Subsidiary Occupations followed by more than one in 500 Actual Workers, Western Division	912
J.—showing the percentage of Actual Workers in the several Castes following Traditional Occupations	914
K.—showing the distribution of 100 Actual Workers of each Caste by their Occupation, Principal and Subsidiary	916
L.—showing the absolute figures furnishing the proportion per cent entered in column "26—Miscellaneous" of Statement K	924
M.—showing the distribution by Castes of 1,000 Actual Workers pursuing each Order of Occupation	932
N.—showing the distribution by castes of 100 Actual Workers pursuing the several Orders of Occupation as subsidiary means of livelihood...	940
N-A.—showing percentage of population supported by each Order of Occupation in the Censuses of 1901 and 1891...	944
O.—showing Groups of Occupation supporting more than 500 persons each—Civil and Military Station, Bangalore	945
P.—showing Variations since 1891, Civil and Military Station, Bangalore	947

**LIST OF MAPS, DIAGRAMS AND PICTURES IN MYSORE CENSUS
(1901) REPORT..**

33, 34, 35 & 36	At the end of Chapter 9.

LIST OF CENSUS TABLES IN VOLUMES XXIV—A, XXIV—B
AND XXIV—C.

Volume XXIV.—A

PART A.—(Mysore State excluding the Civil and Military Station of Bangalore.)

No. OF TABLE.

- I Area, Houses and Population showing for each City, District and Division:— ...
- (1) Summary of Villages
 - (2) Area in Square Miles
 - (3) Number of Towns and Inhabited Villages
 - (4) Number of Occupied Houses in Towns and Villages
 - (5) The Population by Sexes in Towns and Villages
- II Variation in Population since 1871, showing for each City, District and Division:— ...
- (1) The Population at each of the last four Censuses
 - (2) The Variations in Total Population between each Census
 - (3) The Net Variation between the Census of 1871 and that of 1901
 - (4) The Population by Sexes at each of the last four Censuses ...
- III Towns and Villages classified by Population showing for each City, District and Division, the distribution of Population among Towns and Villages of certain sizes ...
- IV Towns classified by Population with Variation since 1871 showing for each Town in the Province, the Towns being arranged in the order of Population in 1901 ...
- (1) The District in which the Town lies
 - (2) If it is a Municipality or Cantonment
 - (3) The Population at each of the last four Censuses
 - (4) The Variations in the Total Population between each Census
 - (5) The Net Variation between the Census of 1871 and that of 1901
 - (6) The Population by Sexes at each of the last four Censuses
- V Towns arranged Territorially with Population by Religion—showing by Sexes, the Religions of the people of each Town, the Towns being arranged by Districts and Divisions and within each District in the order of Population ...
- VI Religion—showing for each City, District and Division, the Religions of the people by Sexes ...
- VII Age, Sex and Civil Condition—Showing for each City, District and Division, the Civil Condition by Religions, 17 Age-periods and Sexes ...
- (1) All Religious
 - (2) Hindu
 - (3) Mussalman
 - (4) Christian
 - (5) Jain
 - (6) Parsi
 - (7) Sikh
 - (8) Brahmo
 - (9) Animist
 - (10) Jew
 - (11) Buddhist
- VIII Education—Showing by Religions, 4 Age-periods and Sexes, the number of persons Illiterate, Literate in Vernaculars, English and other Languages ...
- (1) The Total Population of the Province
 - (2) The Total Populations of the Divisions
 - (3) The Population of each District and City

No. OF TABLE.

- VIII Education—Explanatory Statement—Showing for the Province excluding three Cities and the Cities separately by Religions, 4 Age-periods and Sexes, the persons Illiterate and Literate in Single and Plural Languages
- VIII-A Literacy by Civil Condition and Occupation and Illiteracy by Civil and Industrial Condition—Showing by the Province and the two Divisions for each Occupational group by Religions...
- (1) The Distribution of the Literate persons into Actual Workers and Dependents.
 - (2) The Distribution of the Literates by their Sex and Civil Condition and Industrial Condition.
 - (3) The same Distribution of Illiterates but not with any reference to Occupational groups.
- IX Education by Castes—Showing for each City, District and Division, the number of persons of each Sex who were Illiterate and Literate in Vernaculars, English and Other Languages
- IX. Education by Castes—Explanatory Statement—Showing for the three Cities and the rest of the Province by Castes, the number of persons Illiterate and Literate in Single and Plural Languages
- X. Language (Parent Tongue)—Showing by Sexes, the Population in each City, District and Division who speak :—
- A—Vernaculars of India.
 - (1) Vernaculars of the Province.
 - (2) Foreign Vernaculars.
 - B—Vernaculars of Non-Indian Asiatic countries.
 - C—European Languages.
 - D—Other Languages.
- X-A. Literacy in Mother-Tongue—Showing for each City, District and Division—
- (1) The Population according to Mother-Tongue.
 - (2) The number of persons owning a Mother-Tongue who are Literate in general.
 - (3) The number of persons who speak a Mother-Tongue and are Literate in it.
 - (4) The number of persons who speak a Mother-Tongue and are Literate in language other than their Mother-Tongue.
 - (5) The number of persons who are wholly Illiterate.
- XI Birth-place—Showing for each City, District and Division the number of persons of each Sex born in the various countries of the World

Volume XXIV—B.

PART A.—(continued).

- XI.—A Literacy and Occupation of Immigrants—Showing by Sexes for each City, District and Division :—
- (1) The Birth-place of the Immigrants.
 - (2) The Literate and Illiterate condition of the Immigrants.
 - (3) The Industrial condition of the Immigrants.
 - (4) The Distribution of the Actual Workers among them into the twenty-four Occupational Orders.
- XII Infirmities by Age—Showing for each City, District or Division by 17 Age-periods, the number of persons of each sex who are :
- (1) Insane.
 - (2) Deaf-mutes.
 - (3) Blind.
 - (4) Lepers and
 - (5) Those suffering from combined Infirmities together with an abstract distributing the combined Infirmities among their components

No. of TABLE.

XII—A. Infirmities by Castes, Tribes and Races—Showing for each City, District or Division the number of persons of each Sex in each Caste who are.—

- (1) Insane.
- (2) Deafmutes.
- (3) Blind.
- (4) Lepers and
- (5) Those suffering from combined Infirmities together with a summary distributing the combined Infirmities among their several components.

XII—B. Religion and Civil Condition of the Infirm—Showing by Sexes and Religions for each City, District and Division the Distribution of the Infirms of Single or combined Infirmities by their Civil Condition ...

XII—C. Literacy and Occupation of the Infirm—Showing by Sexes for each City, District or Division ...

- (1) The Literate or Illiterate condition of the Infirms.
- (2) The Industrial condition of the Infirms and
- (3) The Distribution of the Actual Workers among them into the twenty-four Occupational Orders.

XIII. Caste, Tribe, Race or Nationality—Showing for each City, District and Division the number of each Sex in each Caste, Tribe, Race or Nationality, the Castes being arranged alphabetically according to the English Orthography ...

Index of Castes.—An Alphabetical Index showing by Religions, the Sub-castes which have been grouped under the main Castes tabulated in Table XIII...

XIV. Civil Condition by Age for Castes—Showing for each City, District or Division the number of persons of each caste in each Civil Condition by Sexes and 6 Age-periods ...

Classification of Occupations and Means of Livelihood.—Showing the general Scheme of Classification adopted for Tabulating the figures in Table XV...

XV. Occupation or Means of Livelihood—Showing for each City, District or Division and for each of the 8 Classes, 24 Orders, 79 Sub-orders and 520 Groups shown in the Classification of Occupations, the number of:— ...

- (1) Total Actual Workers and Dependents.
- (2) Total Actual Workers of each Sex.
