TO
HIS HIGHNESS
MAJOR-GENERAL MAHARAJA SIR PRATAP SINGH
G.C.S.I.
MAHARAJA OF JAMMU AND KASHMIR
THIS BOOK IS DEDICATED
IN RECOGNITION OF MUCH HOSPITALITY AND IN TOKEN OF
A FRIENDSHIP OF MANY YEARS

PREFACE

WHEN Major Molyneux asked me to combine with him in the production of a book on Kashmir I could not resist the temptation to describe what he had so faithfully depicted, though my official duties naturally leave me insufficient time to do real justice to the theme. I have not been able to write with the completeness that I should have wished ; and I am aware of many sins of omission. I can only hope that when the description fails the reader will be fortunate to have his attention irresistibly diverted to one or other of my collaborator's beautiful pictures.

THE RESIDENCY, SRINAGAR,
September 1908.
