PREFACE.

THIS Gazetteer has been compiled on the basis of the Statistical Account of Hazārībāgh, which was prepared about 1875 under the supervision of Sir William Hunter. It follows closely the form of the corresponding volume on Mānbhum which was written by Mr. H. Coupland, I.C.S., and much of its matter has been suggested by the gazetteers of Mānbhum and Gaya. In addition to published books, which have been indicated in the appropriate places, valuable original contributions have been received on special subjects from the Rev. S. L. Thompson (Botany), Mr. L. L. Fermor (General Geology), Mr. Thomas H. Ward (Giridih Coal-field), Mr. G. C. Lathbury (Bokāro Colliery), Dr. A. Jowett (Karanpura Valley), Mr. E. Lane (Mica), Mr. C. J. B. Wight Boycott (Emigration), the Rev. J. C. Forrester (Anglican Mission), the Rev. J. A. Dyer (U. F. Church of Scotland Mission), and Babu Bisheshvar Mukharjī (Agriculture). The statistics of the recent years have been compiled by Babu J. C. Datta, Deputy Magistrate and Collector of Hazārībāgh.

Extracts from or references to the Settlement Report of Hazārībāgh appear throughout the book, and I take this opportunity of acknowledging my great indebtedness to its author, Mr. J. D. Sifton, I.C.S., late Settlement Officer of Chotā Nāgpur.
