1917

P R E F A C E .

MOST of the material for this volume was collected by Mr. T. S. Macpherson in the years 1909—1912 and much of it was written by him. It was completed by Mr. M. G. Hallett.

The authors are indebted to Rai Bahadur Sharat Chandra Ray from whose interesting works on the Mundas and Oryons much information has been taken.

For the portions of the volume which deals with land revenue questions, Mr. Reid's report on the settlement operations in Chota Nagpur has been of great value.

T. S. MACPHERSON.

M. G. HALLETT.

PREFACE.

The preparation of this volume has been greatly facilitated by the use of material which was collected and compiled during the years 1909 to 1912 by Mr. T. S. Macpherson, I.C.S., who was unfortunately not able to complete the work.

I am also greatly indebted to Babu Sharat Chandra Ray from whose interesting works on the Mundas and the Oraons much information has been taken.

For the portions of the volume which deal with land revenue questions, Mr. Reid's report on the settlement operations in Chota Nagpur has been of great use.

M. G. HALLETT.

PLAN OF CONTENTS.

CHAPTER.	PAGES
I. PHYSICAL ASPECTS	1—19
