This list contains two parts, the name and description of the chief places, and some official words in common use in the Bombay Presidency. The spellings are according to rules sanctioned by Government. The meanings of official words are in no case authoritative. The places are arranged under the seven heads of Bombay Town and Island; the provinces of Gujarát, Konkan, Deccan, and Southern Marátha Country; Aden; and the Portuguese Possessions. In each of the four provinces, the districts and states are shown separate, the districts first. In every case districts, states, places, and official words follow their alphabetic order.

The list of Sind names, prepared by Mr. Hughes the Compiler of the Sind Gazetteer, has been printed separately as an appendix.

Unless the contrary is stated, the head-quarter station of each district is a town with Collector's, police superintendent's, sub-judge's, and post offices, high school, civil hospital and municipality; and at the head-quarter station of each British revenue sub-division are mámlatdár's, chief constable's, sub-registry, and post offices. The word town means a place of not less than 5,000 inhabitants. The vernacular *mahál* is rendered petty division, *pargana* old revenue division, *táluka* sub-division and *thána* agency post.

In this list, of vowels अ is *a*; आ, *á*; इ, *i*; ई, *í*; उ, *u*; ऊ, *ú*; ए, *e*; ऐ, *ai*; ओ, *o*; and औ, *au*. The mute or inherent *a* is left out. The Maráthi final *en*, or *e* with the *anusvár*, and the Gujaráti final *o* are written *a*. Accents on long final vowels and in the terminations *abad gaon* and *pur* are left out. Of consonants, क is *k*; ख, *kh*; ग, *g*; घ, *gh*; च, *ch*; छ, *chh*; ट, *t*; ठ, *th*; ड, *d*; ढ, *dh*; ण, *n*; फ, *p*; ब, *b*; भ, *bh*; म, *m*; य, *y*; र, *r*; ल, *l*; व, *v*; श, *sh*; स, *s*; ह, *h*; and क्ष, *ksh*.

ज usually *j* and झ *jh* are sometimes *z*; as फैजपूर *Faizpur*; माझगांव *Mázgaon*; हुजूर *Huzúr*. फ usually *ph* is sometimes *f*, as जाफराबाद, *Jáfarabad*; दाफतरदार, *Daftardár*. The compounds च्छ *chchh* and व्ह *vh* are written *chh* and *wh*, as मच्छूकांठा *Machhúkántha*; जव्हार, *Jawhár*. Of terminations, except in Gujarát where the word is *gám*, *gánu* a village is written *gaon*.

The well known spelling of the following names has been kept. In each case the strict transliteration is shown in italics.
