HORACE HART, PRINTER TO THE UNIVERSITY

PREFACE

MATERIALS for the life of Mountstuart Elphinstone are abundant. In 1861, two years after his death, Sir T. E. Colebrooke, Bart., who had known him intimately during his later years, contributed an obituary of exceptional length and authority to the *Journal of the Royal Asiatic Society* (Old Series, *xxviii*, 221 sq.). The whole of his voluminous papers—journals, letters, despatches, and minutes—were afterwards entrusted to Sir T. E. Colebrooke, for the purpose of writing a formal biography, which was published in 1884, in two volumes, illustrated with portraits and maps. These form the basis of the present sketch; and from them all the quotations, unless otherwise specified, have been taken. In the same year (1884) appeared a volume of “Selections from the Minutes and other Official Writings of Mountstuart Elphinstone,” edited by Prof. George W. Forrest, with an introductory memoir. Much use also has been made of this volume, though the dates of the documents given in it often require to be corrected from other sources. Finally, Sir J. W. Kaye’s *Memoir, in his Lives of Indian Officers*” (new edition, 1890), contains some information, both personal and documentary, not to be found elsewhere.

The engraving that forms the frontispiece has been kindly lent by Mr. John Murray.

CONTENTS

CHAP.	PAGES
I. INTRODUCTION	9-16
II. EARLY LIFE: ARRIVAL IN INDIA	17-21
III. FIRST APPOINTMENT TO POONA	22-30
IV. THE SECOND MARÁTHÁ WAR	31-44
V. NÁGPUR, AND SINDIA'S CAMP	45-58
VI. THE KÁBUL MISSION	59-74
VII. RESIDENT AT POONA	75-100
VIII. THE THIRD MARÁTHÁ WAR	101-120
IX. THE SETTLEMENT OF THE DECCAN	121-158
X. GOVERNOR OF BOMBAY	159-200
XI. RETURN HOME: RETIREMENT IN ENGLAND	201-217
INDEX	219-222

NOTE

The orthography of proper names follows the system adopted by the Indian Government for the *Imperial Gazetteer of India*. That system, while adhering to the popular spelling of very well-known places, such as Punjab, Poona, Deccan, etc., employs in all other cases the vowels with the following uniform sounds:—

a, as in woman: á, as in land: í, as in police: í, as in intrigue:
o, as in cold: u, as in bull: ú, as in rule.

INDEX

THE END.

RULERS OF INDIA

THE CLARENDON PRESS SERIES OF INDIAN HISTORICAL RETROSPECTS

Edited by SIR W. W. HUNTER, K.C.S.I., C.I.E.

Price 2s. 6d. each

The following volumes have been arranged for up to March, 1892:—

- I. *ASOKA: and the Political Organisation of Ancient India*, by PROFESSOR RHYS-DAVIDS, LL.D., Ph.D., Secretary to the Royal Asiatic Society, Professor of Pāli and Buddhist Literature at University College, London; Author of *The Hibbert Lectures*, 1881; *Buddhism*, &c.
- II. *AKBAR: and the Rise of the Mughal Empire*, by COLONEL MALLESON, C.S.I., Author of *A History of the Indian Mutiny*; *The History of Afghanistan*; *Heral*, &c. [Published.]
- III. *ALBUQUERQUE: and the Early Portuguese Settlements in India*, by H. MORSE STEPHENS, Esq., M.A., Balliol College, Author of *The French Revolution*; *The Story of Portugal*, &c.
- IV. *AURANGZEB: and the Decay of the Mughal Empire*, by SIR WILLIAM WILSON HUNTER, K.C.S.I., M.A.
- V. *MADHAVA RAO SINDHIA: and the Hindu Reconquest of India*, by H. G. KEENE, Esq., M.A., C.I.E., Author of *The Moghul Empire*, &c. [Published.]
- VI. *LORD CLIVE: and the Establishment of the English in India*, by COLONEL MALLESON, C.S.I.
- VII. *DUPLEIX: and the Struggle for India by the European Nations*, by COLONEL MALLESON, C.S.I., Author of *The History of the French in India*, &c. [Published.]
- VIII. *WARREN HASTINGS: and the Founding of the British Administration*, by CAPTAIN L. J. TROTTER, Author of *India under Victoria*, &c. [Published.]
- IX. *THE MARQUESS OF CORNWALLIS: and the Consolidation of British Rule*, by W. S. SETON-KARR, Esq., sometime Foreign Secretary to the Government of India, Author of *Selections from the Calcutta Gazette*, 3 vols. (1784-1805). [Published.]
- X. *THE MARQUESS WELLESLEY: and the development of the Company into the supreme Power in India*, by the Rev. W. H. HUTTON, M.A., Fellow of St. John's College, and Senior Proctor of the University of Oxford.
- XI. *THE MARQUESS OF HASTINGS: and the final overthrow of the Marāthā Power*, by MAJOR ROSS of Bladensburg, Professor of Fortification in the Royal Military College, Sandhurst.
- XII. *MOUNTSTUART ELPHINSTONE: and the Making of South-Western India*, by J. S. COTTON, Esq., M.A., formerly fellow of Queen's College, Oxford, Author of *The Decennial Statement of the Moral and Material Progress and Condition of India*, presented to Parliament (1885), &c. [Published.]
- XIII. *SIR THOMAS MUNRO: and the British Settlement of Southern India*, by JOHN BRADSHAW, Esq., M.A., LL.D., H.M.'s Inspector of Schools, Madras.

- XIV. *LORD WILLIAM BENTINCK: and the Company as a Governing and Non-trading Power*, by DEMETRIUS BOULGER, Esq., Author of *England and Russia in Central Asia; The History of China, &c.* [Immediately.]
- XV. *VISCOUNT HARDINGE: and the Advance of the British Dominions into the Punjab*, by his Son and Private Secretary, the Right Hon. VISCOUNT HARDINGE. [Published.]
- XVI. *RANJIT SINGH: and the Sikh barrier between our Growing Empire and Central Asia*, by SIR LEPHEL GRIFFIN, K.C.S.I., Author of *The Punjab Chiefs, &c.* [Shortly.]
- XVII. *THE MARQUESS OF DALHOUSIE: and the Final Development of the Company's Rule*, by SIR WILLIAM WILSON HUNTER, K.C.S.I., M.A. [Published.]
- XVIII. *CLYDE AND STRATHNAIRN: and the Suppression of the Great Revolt*, by MAJOR-GENERAL SIR OWEN TUDOR BURNE, K.C.S.I., sometime Military Secretary to the Commander-in-Chief in India. [Published.]
- XIX. *EARL CANNING: and the Transfer of India from the Company to the Crown*, by SIR HENRY S. CUNNINGHAM, K.C.L.E., M.A., Author of *British India and its Rulers, &c.* [Published.]
- XX. *LORD LAWRENCE: and the reconstruction of India under the Crown*, by SIR CHARLES UMPHERSTON AITCHISON, K.C.S.I., LL.D., formerly Foreign Secretary to the Government of India, and late Lieutenant-Governor of the Punjab.
- XXI. *THE EARL OF MAYO: and the Consolidation of the Queen's Rule in India*, by SIR WILLIAM WILSON HUNTER, K.C.S.I., M.A. [Published.]

OXFORD UNIVERSITY PRESS WAREHOUSE, AMEN CORNER, LONDON,
AND ALL BOOKSELLERS. Price 2s. 6d. each volume.

Opinions of the Press

ON

SIR WILLIAM HUNTER'S 'DALHOUSIE.'

'An interesting and exceedingly readable volume. . . . Sir William Hunter has produced a valuable work about an important epoch in English history in India, and he has given us a pleasing insight into the character of a remarkable Englishman. The "Rulers of India" series, which he has initiated, thus makes a successful beginning in his hands with one who ranks among the greatest of the great names which will be associated with the subject.'—*The Times*.

'To no one is the credit for the improved condition of public intelligence [regarding India] more due than to Sir William Hunter. From the beginning of his career as an Indian Civilian he has devoted a rare literary faculty to the task of enlightening his countrymen on the subject

OPINIONS OF THE PRESS ON 'DALHOUSIE' (continued).

of England's greatest dependency . . . By inspiring a small army of fellow-labourers with his own spirit, by inducing them to conform to his own method, and shaping a huge agglomeration of facts into a lucid and intelligible system, Sir W. Hunter has brought India and its innumerable interests within the pale of achievable knowledge, and has given definite shape to the truths which its history establishes and the problems which it suggests. . . . Such contributions to literature are apt to be taken as a matter of course, because their highest merit is to conceal the labour, and skill, and knowledge involved in their production; but they raise the whole level of public intelligence, and generate an atmosphere in which the baleful influences of folly, ignorance, prejudice, and presumption dwindle and disappear. . . . No one we think, who fairly studies Sir W. Hunter's exact and lucid narrative of these transactions, can question the result which he seeks to establish—namely, that Lord Dalhousie merely carried out with moderation and skill a policy deliberately adopted by the Government before his arrival in the country—a policy the strict legality of which cannot be disputed, and which was inspired by the growing sense that sovereigns exist, not for their own enjoyment, but for the happiness of their subjects.'—*Saturday Review*.

'Admirably calculated to impart in a concise and agreeable form a clear general outline of the history of our great Indian Empire.'—*Economist*.

'A skilful and most attractive picture. . . . The author has made good use of public and private documents, and has enjoyed the privilege of being aided by the deceased statesman's family. His little work is, consequently, a valuable contribution to modern history.'—*Academy*.

'The book should command a wide circle of readers, not only for its author's sake and that of its subject, but partly at least on account of the very attractive way in which it has been published at the moderate price of half-a-crown. But it is, of course, by its intrinsic merits alone that a work of this nature should be judged. And those merits are everywhere conspicuous. . . . A writer whose thorough mastery of all Indian subjects has been acquired by years of practical experience and patient research.'—*The Athenæum*.

'Never have we been so much impressed by the great literary abilities of Sir William Hunter as we have been by the perusal of "The Marquess of Dalhousie." . . . The knowledge displayed by the writer of the motives of Lord Dalhousie's action, of the inner working of his mind, is so complete, that Lord Dalhousie himself, were he living, could not state them more clearly. In the next place the argument throughout the book is so lucid, based so entirely upon facts, resting upon official documents and other evidences not to be controverted, that the opponents of Lord Dalhousie's policy will be sorely put to it to make a case against him. . . . Sir William Hunter's style is so clear, his language so vivid, and yet so simple, conveying the impressions he wishes so perspicuously that they cannot but be understood, that the work must have a place in every library, in every home, we might say indeed every cottage.'—*Evening News*.

'Sir William Hunter has written an admirable little volume on "The Marquess of Dalhousie" for his series of the "Rulers of India." It can be read at a sitting, yet its references—expressed or implied—suggest the study and observation of half a life-time.'—*The Daily News*.

Opinions of the Press

ON

SIR WILLIAM HUNTER'S 'LORD MAYO.'

'Sir William W. Hunter has contributed a brief but admirable biography of the Earl of Mayo to the series entitled "Rulers of India," edited by himself (Oxford, at the Clarendon Press).—*The Times*.

'In telling this story in the monograph before us, Sir William Hunter has combined his well-known literary skill with an earnest sympathy and fullness of knowledge which are worthy of all commendation. . . . The world is indebted to the author for a fit and attractive record of what was eminently a noble life.—*The Academy*.

'The sketch of The Man is full of interest, drawn as it is with complete sympathy, understanding, and appreciation. But more valuable is the account of his administration. No one can show so well and clearly as Sir William Hunter does what the policy of Lord Mayo contributed to the making of the Indian Empire of to-day.—*The Scotsman*.

'Sir William Hunter has given us a monograph in which there is a happy combination of the essay and the biography. We are presented with the main features of Lord Mayo's administration unencumbered with tedious details which would interest none but the most official of Anglo-Indians; while in the biography the man is brought before us, not analytically, but in a life-like portrait.—*Vanity Fair*.

'The story of his life Sir W. W. Hunter tells in well-chosen language—clear, succinct, and manly. Sir W. W. Hunter is in sympathy with his subject, and does full justice to Mayo's strong, genuine nature. Without exaggeration and in a direct, unaffected style, as befits his theme, he brings the man and his work vividly before us.—*The Glasgow Herald*.

'All the knowledge acquired by personal association, familiarity with administrative details of the Indian Government, and a strong grasp of the vast problems to be dealt with, is utilised in this presentation of Lord Mayo's personality and career. Sir W. Hunter, however, never overloads his pages, and the outlines of the sketch are clear and firm.—*The Manchester Express*.

'This is another of the "Rulers of India" series, and it will be hard to beat. . . . Sir William Hunter's perception and expression are here at their very best.—*The Pall Mall Gazette*.

'The latest addition to the "Rulers of India" series yields to none of its predecessors in attractiveness, vigour, and artistic portraiture. . . . The final chapter must either be copied verbally and literally—which the space at our disposal will not permit—or be left to the sorrowful perusal of the reader. The man is not to be envied who can read it with dry eyes.—*Allen's Indian Mail*.

'The little volume which has just been brought out is a study of Lord Mayo's career by one who knew all about it and was in full sympathy with it. . . . Some of these chapters are full of spirit and fire. The closing passages, the picture of the Viceroy's assassination, cannot fail to make any reader hold his breath. We know what is going to happen, but we are thrilled as if we did not know it, and were still held in suspense. The event itself was so terribly tragic that any ordinary description might seem feeble and laggard. But in this volume we are made to feel as we must have felt if we had been on the spot and seen the murderer "fastened like a tiger" on the back of the Viceroy.—*Daily News*, Leading Article.

Opinions of the Press

ON

MR. W. S. SETON-KARR'S 'CORNWALLIS.'

'This new volume of the "Rulers of India" series keeps up to the high standard set by the author of "The Marquess of Dalhousie." For dealing with the salient passages in Lord Cornwallis's Indian career no one could have been better qualified than the whilom foreign secretary to Lord Lawrence.'—*The Athenaeum*.

'Lord Cornwallis has been very properly included in the list of those "Rulers of India" whose biographies are calculated to illustrate the past growth and present development of the English administration in that country. His name is connected with several great measures, which more, perhaps, than any others have given a special colour to our rule, have influenced the course of subsequent legislation, and have made the Civil Service what it at present is. He completed the administrative fabric of which Warren Hastings, in the midst of unexampled difficulties and vicissitudes, had laid the foundation.'—*The Saturday Review*.

'We hope that the volumes on the "Rulers of India" which are being published by the Clarendon Press are carefully read by a large section of the public. There is a dense wall of ignorance still standing between the average Englishman and the greatest dependency of the Crown, although we can scarcely hope to see it broken down altogether, some of these admirable biographies cannot fail to lower it a little. . . . Mr. Seton-Karr has succeeded in the task, and he has not only presented a large mass of information, but he has brought it together in an attractive form. . . . We strongly recommend the book to all who wish to enlarge the area of their knowledge with reference to India.'—*New York Herald*.

'The "Rulers of India" series. This outcome of the Clarendon Press grows in value as it proceeds. The account of Cornwallis is from the pen of Mr. W. Seton-Karr, who was formerly Foreign Secretary to the Government of India, and whose acquaintance with Eastern affairs has been of obvious service to him in the compilation of this useful manual.'—*The Globe*.

'One might almost say that the history of our great Indian Empire might be read with comparative ease in the excellent "Rulers of India Series," published at the Clarendon Press at Oxford. . . . Of Cornwallis it might be said he transformed the East India Company's servants from merchants to administrators, and determined to place them above jobbery, which he despised.'—*The Independent*.

'We have already expressed our sense of the value and timeliness of the series of Indian historical retrospects now issuing, under the editorship of Sir W. W. Hunter, from the Clarendon Press. It is somewhat less than fair to say of Mr. Seton-Karr's monograph upon Cornwallis that it reaches the high standard of literary workmanship which that series has maintained. . . . His accurate and lucid summary of the necessities which dictated Cornwallis's policy, and the methods by which he initiated and, to a great extent, effected, the transformation of our rule in India from the lines of an Oriental despotism to those with which we are now familiar, is as attractive as it is instructive.'—*The Literary World*.

Opinions of the Press

ON

COLONEL MALLESON'S 'DUPELIX.'

'In the character of Duplex there was the element of greatness that contact with India seems to have generated in so many European minds, French as well as English, and a broad capacity for government, which, if suffered to have full play, might have ended in giving the whole of Southern India to France. Even as it was, Colonel Malleison shows how narrowly the prize slipped from French grasp. In 1783 the Treaty of Versailles arrived just in time to save the British power from extinction.'—*Times*.

'Colonel Malleison's *Life of Duplex*, which has just been published, though his estimate of his hero differs in some respects from Lord Stanhope's and Lord Macaulay's, may be accepted as, on the whole, a fairly faithful portraiture of the prophetic genius to whom the possibility of a great Indo-European Empire first revealed itself. Had the French profited by all the advantages they possessed when Clive exchanged the counting-house for the army, the history of India, and perhaps of Europe also, might have been different.'—*Standard* (leading article).

'The "Rulers of India" series, edited by Sir W. W. Hunter, and published at the Clarendon Press, Oxford, is one of the very best of the serial collections which are now so popular. All the writers of these little volumes are well-known and acknowledged authorities on the subjects with which they deal. Not the least interesting volume in this particular series is Colonel Malleison's biography of Duplex . . . It was to Duplex, and not to Clive, that the idea first occurred of founding a European Empire in India . . . It is a stirring story, and full of moral for the administrators of India at this hour.'—*Echo*.

'One of the best of Sir W. Hunter's interesting and valuable series. Colonel Malleison writes out of the fulness of familiarity, moving with ease over a field which he had long ago surveyed in every nook and corner. To do a small book as well as this on Duplex has been done, will be recognised by competent judges as no small achievement. When one considers the bulk of the material out of which the little volume has been distilled, one can still better appreciate the labour and dexterity involved in the performance.'—*Academy*.

'Colonel Malleison has here written a most compact and effective history of the French in India in a little handbook of 180 pages. He gives a brief summary of French enterprise in India from the first, and clearly outlines the grand designs that rose in the fertile brain of Duplex. Colonel Malleison's chapter on the "Downfall of Duplex" is as touching as anything we remember to have recently read, and his chapter on Clive and his work may be read with interest and pleasure, even after the glowing and brilliant account of Macaulay.'—*Nonconformist*.

'Well arranged, lucid and eminently readable, an excellent addition to a most useful series.'—*Record*.

Opinions of the Press

ON

CAPTAIN TROTTER'S 'WARREN HASTINGS.'

'The publication, recently noticed in this place, of the "Letters, Despatches, and other State Papers preserved in the Foreign Department of the Government of India, 1772-1785," has thrown entirely new light from the most authentic sources on the whole history of Warren Hastings and his government of India. Captain L. J. Trotter's WARREN HASTINGS, a volume of the "Rulers of India" series, edited by Sir W. Hunter (Oxford, at the Clarendon Press), is accordingly neither inopportune nor devoid of an adequate *raison d'être*. "The present volume," says a brief preface, "endeavours to exhibit for the first time the actual work of that great Governor-General, as reviewed from the firm stand-point of the original records now made available to the students of Indian history." Captain Trotter is well known as a competent and attractive writer on Indian history, and this is not the first time that Warren Hastings has supplied him with a theme.'—*The Times*.

'He has put his best work into this memoir . . . Captain Trotter's memoir is more valuable [than Sir A. Lyall's] from a strictly historical point of view. It contains more of the history of the period, and it embraces the very latest information that casts light on Hastings' remarkable career . . . His work too is of distinct literary merit, and is worthy of a theme than which British history presents none nobler. It is a distinct gain to the British race to be enabled, as it now may, to count the great Governor-General among those heroes for whom it need not blush.'—*Scotsman*.

'Captain Trotter has done his work well, and his volume deserves to stand with that on Dalhousie by Sir William Hunter. Higher praise it would be hard to give it.'—*New York Herald*.

'This is an able book, written with candour and discrimination.'—*Leeds Mercury*.

'Captain Trotter has done full justice to the fascinating story of the splendid achievements of a great Englishman.'—*Manchester Guardian*.

'This neat little volume contains a brief but admirable biography of the first Governor-General of India. The author has been fortunate in having had access to State papers which cover the period of the entire rule of Warren Hastings.'—*The Newcastle Chronicle*.

'In preparing this sketch for "The Rulers of India," Captain Trotter has had the advantage of consulting the "Letters, despatches, and other State papers preserved in the Foreign Department of the Government of India, 1772-85," a period which covers the entire administration of Warren Hastings. The present volume, therefore, may truly claim that it "exhibits for the first time the actual work of the great Governor-General, as reviewed from the firm stand-point of original records." It is a book which all must peruse who desire to be "up to date" on the subject.'—*The Globe*.

Opinions of the Press

ON

COLONEL MALLESON'S 'AKBAR.'

'Colonel Malleison's interesting monograph on Akbar in the "Rulers of India" (Clarendon Press) should more than satisfy the general reader. Colonel Malleison traces the origin and foundation of the Mughal Empire; and, as an introduction to the history of Muhammadan India, the book leaves nothing to be desired.'—*St. James's Gazette*.

'Akbar was certainly a great man. Colonel Malleison has done well to tell his story thus succinctly and sympathetically: hitherto it has been mostly buried from the mass of readers. The book is in our idea a piece of thoroughly well-executed work, which cannot fail to recommend still further a series which has begun right well.'—*Nonconformist*.

'The chief interest of the book lies in the later chapters, in which Colonel Malleison presents an interesting and singularly pleasing picture of the great Emperor himself and the principles which governed his enlightened and humane administration.'—*Literary World*.

'It is almost superfluous to say that the book is characterised by the narrative vigour and the extensive familiarity with Indian history to which the readers of Colonel Malleison's other works are accustomed.'—*Glasgow Herald*.

'This volume will, no doubt, be welcomed, even by experts in Indian history, in the light of a new, clear, and terse rendering of an old, but not worn-out theme. It is a worthy and valuable addition to Sir W. Hunter's promising series.'—*Athenæum*.

'Colonel Malleison has broken ground new to the general reader. The story of Akbar is briefly but clearly told, with an account of what he was and what he did, and how he found and how he left India. . . . The native chronicles of the reign are many, and from them it is still possible, as Colonel Malleison has shown, to construct a living portrait of this great and mighty potentate.'—*Scots Observer*.

'Akbar is, after Mohammed himself, the most striking and interesting figure in Mussulman history. Few men of any age or country have united in equally successful measure the gifts of the conqueror, the organiser, and the philosophic statesman . . . His personal character is even more exceptional among Oriental rulers than his intellectual brilliance . . . He is the only great Mussulman ruler who showed himself capable of rising out of the narrow bigotry of Islam to a lofty and comprehensive view of religious truth. The life and rule of such a man is a noble theme for a great historian.'—*Speaker*.

'The brilliant historian of the Indian Mutiny has been assigned in this volume of the series an important epoch and a strong personality for critical study, and he has admirably fulfilled his task. A luminous exposition of the invasions of India by Babar, Akbar's grandfather, makes a good introduction to Asiatic history of the sixteenth century. Akbar's own career is full of interest, and to the principles of his internal administration Colonel Malleison devotes in the final chapter more than a quarter of the pages of his book. Alike in dress and style, this volume is a fit companion for its predecessor.'—*Manchester Guardian*.

Opinions of the Press

OR

VISCOUNT HARDINGE'S 'LORD HARDINGE.'

'An exception to the rule that biographies ought not to be entrusted to near relatives. Lord Hardinge, a scholar and an artist, has given us an accurate record of his father's long and distinguished services. There is no filial exaggeration. The author has dealt with some controversial matters with skill, and has managed to combine truth with tact and regard for the feelings of others.'—*The Saturday Review*.

'This interesting life reveals the first Lord Hardinge as a brave, just, able man, the very soul of honour, admired and trusted equally by friends and political opponents. The biographer . . . has produced a most engaging volume, which is enriched by many private and official documents that have not before seen the light.'—*The Anti-Jacobin*.

'Lord Hardinge has accomplished a grateful, no doubt, but, from the abundance of material and delicacy of certain matters, a very difficult task in a workmanlike manner, marked by restraint and lucidity.'—*The Pall Mall Gazette*.

'His son and biographer has done his work with a true appreciation of proportion, and has added substantially to our knowledge of the Sutlej Campaign.'—*Vanity Fair*.

'The present Lord Hardinge is in some respects exceptionally well qualified to tell the tale of the eventful four years of his father's Governor-Generalship.'—*The Times*.

'It contains a full account of everything of importance in Lord Hardinge's military and political career; it is arranged . . . so as to bring into special prominence his government of India; and it gives a lifelike and striking picture of the man.'—*Academy*.

'The style is clear, the treatment dispassionate, and the total result a manual which does credit to the interesting series in which it figures.'—*The Globe*.

'The concise and vivid account which the son has given of his father's career will interest many readers.'—*The Morning Post*.

'Eminently readable for everybody. The history is given succinctly, and the unpublished letters quoted are of real value.'—*The Colonies and India*.

'Compiled from public documents, family papers, and letters, this brief biography gives the reader a clear idea of what Hardinge was both as a soldier and as an administrator.'—*The Manchester Examiner*.

'An admirable sketch.'—*The New York Herald*.

'The Memoir is well and concisely written, and is accompanied by an excellent likeness after the portrait by Sir Francis Grant.'—*The Queen*.

Opinions of the Press

ON

MAJOR-GENERAL SIR OWEN BURNE'S 'CLYDE AND STRATHNAIRN.'

'In "Clyde and Strathnairn," a contribution to Sir William Hunter's excellent "Rulers of India" series (Oxford, at the Clarendon Press), Sir Owen Burne gives a lucid sketch of the military history of the Indian Mutiny and its suppression by the two great soldiers who give their names to his book. The space is limited for so large a theme, but Sir Owen Burne skilfully adjusts his treatment to his limits, and rarely violates the conditions of proportion imposed upon him.' . . . 'Sir Owen Burne does not confine himself exclusively to the military narrative. He gives a brief sketch of the rise and progress of the Mutiny, and devotes a chapter to the Reconstruction which followed its suppression.' . . . '—well written, well proportioned, and eminently worthy of the series to which it belongs.'—*The Times*.

'Sir Owen Burne who, by association, experience, and relations with one of these generals, is well qualified for the task, writes with knowledge, perspicuity, and fairness.'—*Saturday Review*.

'As a brief record of a momentous epoch in India this little book is a remarkable piece of clear, concise, and interesting writing.'—*The Colonies and India*.

'In this new volume of the excellent "Rulers of India" series, Major-General Burne gives in a succinct and readable form an account of the Mutiny, its causes, its nature, and the changes in army organization and civil administration which followed upon it.'—*Glasgow Herald*.

'Like the rest of the book, this part is not only excellently written, but is excellently reasoned also.'—*The National Observer*.

'Sir Owen Burne, who has written the latest volume for Sir William Hunter's "Rulers of India" series, is better qualified than any living person to narrate, from a military standpoint, the story of the suppression of the Indian Mutiny.'—*Daily Telegraph*.

'Sir Owen Burne's book on "Clyde and Strathnairn" is worthy to rank with the best in the admirable series to which it belongs.'—*Manchester Examiner*.

'The book is admirably written; and there is probably no better sketch, equally brief, of the stirring events with which it deals.'—*Scotsman*.

'Sir Owen Burne, from the part he played in the Indian Mutiny, and from his long connexion with the Government of India, and from the fact that he was military secretary of Lord Strathnairn both in India and in Ireland, is well qualified for the task which he has undertaken.'—*The Athenæum*.

'Sir W. W. Hunter acted wisely in commissioning Sir Owen Tudor Burne to write the lives of "Clyde and Strathnairn" for this series (Clarendon Press). Neither of these generals was, strictly speaking, a Ruler of India: still the important period of the Mutiny is so contained in the story of their exploits, that perhaps it was as well to choose them as the personages round whom might be grouped the history of that stirring period. . . . Sir O. T. Burne's book is well worthy of a place in the most valuable of the many series now issuing from the Press.'—*The Reader*.

Opinions of the Press

ON

SIR HENRY CUNNINGHAM'S 'EARL CANNING.'

'The life of Earl Canning, the Viceroy of the Indian Mutiny, affords an excellent subject for a biographer who knows his business, and therefore we need hardly say that "Earl Canning," by Sir H. S. Cunningham, K.C.I.E., is an admirable contribution to the series of the "Rulers of India" edited by Sir W. W. Hunter (Oxford, at the Clarendon Press). Sir Henry Cunningham's rare literary skill and his knowledge of Indian life and affairs are not now displayed for the first time, and he has enjoyed exceptional advantages in dealing with his present subject. Lord Granville, Canning's contemporary at school and colleague in public life and one of his oldest friends, furnished his biographer with notes of his recollections of the early life of his friend. Sir Henry Cunningham has also been allowed access to the Diary of Canning's private secretary, to the Journal of his military secretary, and to an interesting correspondence between the Governor-General and his great lieutenant, Lord Lawrence. Of these exceptional advantages he has made excellent use, and the result is a biography second in interest to none in the series to which it belongs.'—*The Times*.

'Sir Henry Cunningham's "Earl Canning" is a model monograph. The writer knows India, as well as Indian history, well; and his story has a vividness which none but an Anglo-Indian could so well have imparted to it. It has also the advantage of being founded to a large extent on hitherto unused material.'—*The Globe*.

'Sir H. S. Cunningham has succeeded in writing the history of a critical period in so fair and dispassionate a manner as to make it almost a matter of astonishment that the motives which he has so clearly grasped should ever have been misinterpreted, and the results which he indicates so grossly misjudged. Nor is the excellence of his work less conspicuous from the literary than from the political and historical point of view. The style is clear and vivid, the language well chosen and vigorous, the disposition of details and accessories striking and artistic, and, indeed, under whatever aspect the work be considered, it reaches the high standard of workmanship which, from the outset, has been a distinguishing feature of the series.'—*Glasgow Herald*.

'Sir H. S. Cunningham was fortunate, in a literary sense, in the particular Viceroy and period of Indian history allotted to his pen in the important and valuable series of biographical volumes on "Rulers of India," being published at the Clarendon Press, Oxford, under the editorship of Sir William Wilson Hunter. In *Earl Canning*, first Viceroy of India, Sir H. S. Cunningham had a subject sufficiently inspiring to all who admire honour, courage, patience, wisdom, all the virtues and qualities which go to the building up of the character of an ideal English gentleman; while the episode of the Mutiny, culminating in the fall of Lucknow, lends itself to the more picturesque and graphic description. Sir H. S. Cunningham has treated his subject adequately. In vivid language he paints his word-pictures, and with calm judicial analysis he also proves himself an able critic of the actualities, causes, and results of the outbreak, also a temperate, just appreciator of the character and policy of Earl Canning.'—*The Court Journal*.

ON

MR. KEENE'S 'MADHAVA RAO SINDHIA.'

'The life of such a man should be interesting to all those who have entered, however remotely, into the inheritance of his labours: and Mr. Keene is well qualified, both by his knowledge of Indian history and his literary dexterity in its treatment, to do justice to his subject.'—*The Times*.

'Mr. Keene has the enormous advantage, not enjoyed by every producer of a book, of knowing intimately the topic he has taken up. He has compressed into these 203 pages an immense amount of information, drawn from the best sources, and presented with much neatness and effect . . . Such a life was worth tracing in connection with the general history of the times; and that is the task which Mr. Keene has so well fulfilled in this concise, yet attractive, little volume.'—*The Globe*.

'In this brief monograph Mr. Keene goes over the ground already traversed by him in his "Fall of the Moghul Empire." But the particular work which gives Sindhia his place in Indian history . . . is here made more clearly manifest, while the book deals almost as much in general history as in biography . . . It is valuable as bringing out the originality as well as the greatness of the unacknowledged ruler of Hindustan . . . The book is interesting . . . and forms a valuable addition to the series.'—*Scotsman*.

'Mr. Keene tells the story with knowledge and impartiality, and also with sufficient graphic power to make it thoroughly readable. The recognition of Sindhia in the "Rulers" series is just and graceful, and it cannot fail to give satisfaction to the educated classes of our Indian fellow-subjects.'—*North British Daily Mail*.

'This is probably the most romantic volume in the whole series, and the Sindhia's difference in attitude towards De Boigne and Warren Hastings is very interestingly stated. The history of the foundation of our Indian Empire receives much elucidation from this admirable volume.'—*Liverpool Mercury*.

'Mr. H. G. Keene, C.I.E., M.A., has added a very acceptable volume to the popular half-crown series of works on former potentates in England's vast Indian dependency . . . From the signal defeat of the Marathas at Panipat, in 1761, in which engagement Sindhia, after fighting valiantly, very nearly lost his life, until his death in 1794, his varying fortunes are traced. The important affairs in which he figured so prominently, as also the intrigues and machinations that were directed against him, are recorded, whilst the desirable effect of his policy in assuaging the fierce passions and civilising the habits of the people is depicted. The volume bears incontestable proofs of the expenditure of considerable research by the author, and sustains the reputation he had already acquired by his "Sketch of the History of Hindustan."—*Freeman's Journal*.

'Among the eighteen rulers of India included in the scheme of Sir William Hunter only five are natives of India, and of these the great Madhoji Sindhia is, with the exception of Akbar, the most illustrious. Mr. H. G. Keene, a well-known and skilful writer on Indian questions, is fortunate in his subject, for the career of the greatest bearer of the historic name of Sindhia covered the exciting period from the capture of Delhi, the Imperial capital, by the Persian Nādir Shah, to the occupation of the same city by Lord Lake. . . . Mr. Keene gives a lucid description of his subsequent policy, especially towards the English when he was brought face to face with Warren Hastings. The conclusion of his hostility to us was the real beginning of his own political career in India.'—*The Daily Graphic*.
