-INDIA SANITARY CONFERENCE AT MADRAS.

FIRST ROW.—Mr. T. Miller Brownlie. Capt. Morison. Major C. E. Williams, I.M.S. Mr. Motilal Ghosh. Major W. G. Liston, I.M.S. Major W. F. Harvey, I.M.S. Major F. H. G. Hutchinson, I.M.S. Major J. D. Graham, I.M.S. Dr. Amritaraj. Mr. A. W. E. Standley. Lt.-Col. C. Donovan, I.M.S. Mr. J. W. Madeley. Dr. C. A. Bentley. Capt. F. W. Cragg, I.M.S. Dr. J. B. Stephens. Capt. W. S. Patton, I.M.S. The Hon'ble Khan Bahadur Syed Mahdi Shah. Mr. J. M. Lacey. Lt.-Col. E. Wilkinson, I.M.S. Dr. Valentine. Capt. W. C. Ross, I.M.S.

SECOND ROW.—Khan Bahadur M. M. Mullah. Mr. V. D. Pillai. Rai Bahadur Kailash Chandar Bose, C.I.E. Mr. E. G. Turner, I.C.S. Major E. D. W. Greig, I.M.S. Major S. A. Harriss, I.M.S. Major H. A. Forbes Knapton, I.M.S. Dr. T. M. Nair. Dr. A. G. Newell. Capt. T. C. McCombie Young, I.M.S. Capt. F. P. Mackie, I.M.S. Dr. V. T. Korke. Mr. C. N. Mandy. Major W. W. Clemesha, I.M.S. Dr. F. Maitland Gibson. Mr. N. Belvadi.

THIRD ROW.—Mr. A. S. Montgomery. Capt. C. L. Dunn, I.M.S. Kunwar Maharaj Singh. Mr. D. B. Master. Mr. A. J. G. Maflin. Mr. G. W. Disney. Mr. B. B. Brahmachari. Mr. V. R. Iyengar. Mr. W. Hutton. Dr. W. Marshall Philip. Capt. O. A. R. Berkeley Hill, I.M.S. Capt. Norman White. Major T. G. N. Stokes, I.M.S. Mr. E. Gabbett. Major L. W. S. Oldham, R.E. Mr. C. L. Cox. Major N. P. O'Gorman Lalor, I.M.S. Dr. J. A. Turner.

FOURTH ROW.—Dr. W. R. Macdonald. Dr. P. S. Chandra Sekhar. The Hon'ble Rai Bahadur Ganga Prasad Varma. Lt.-Col. S. Browning Smith. Major J. C. Robertson, I.M.S. (Sitting) The Hon'ble Mr. L. C. Porter, C.I.E., I.C.S. The Hon'ble Sir Spencer Harcourt Butler, K.C.S.I., C.I.E., I.C.S. H. E. Lord Pentland, Governor of Madras. The Hon'ble Surgeon-General Sir C. P. Lukis, K.C.S.I. The Hon'ble Surgeon-General W. B. Bannerman, C.S.I. A. D. C. to H. E. the Governor of Madras. Rai Saheb D. Barua. Capt. W. A. Justice, I.M.S. Dr. J. G. Rutherford. Capt. A. G. McKendrick, I.M.S. Mr. C. H. West.

TABLE OF CONTENTS.

	PAGE.
The agenda	1
List of delegates	5
The President's opening speech	6
TOWN-PLANNING, CONGESTED AREAS AND BUILDING BYE-LAWS.	
Town-planning	9
Light and air in dwellings, in Bombay	11
Town improvement in Lucknow	13
Building bye-laws	13
Town improvement and drainage in India	13
Relief of congestion	14
Workmen's dwellings	15
Rules for laying out sites and planning model houses for the poorer classes	15
Inspection of the Madras city drainage works	16
TRAVELLING DISPENSARIES.	
Travelling dispensaries in the United Provinces	17
Anti-malarial measures—Itinerating dispensaries	18
PLAGUE.	
The annual reappearance of plague	20
The importance of the persistence of infection in certain villages during the off-plague season	21
Defective registration of plague deaths	21
A simple method of rat destruction	22
The grain trade as a factor in the dissemination of plague	22
Plague in the Madras presidency	23
A note on the fleas infesting the <i>Mus Rattus</i> in Naini Tal and Mussoorie	24
Plague preventive measures	24
Summary of discussion on papers relating to plague	25
SANITARY ENGINEERING.	
The Simla hydro-electric scheme	27
Sanitary problems in Madras	27
English and Indian Sanitary engineering	31
Vote on sanitation in India	33
Just prevention	34
Exhibition of models of a house suitable for villages and small towns, a typical section of an infiltration gallery, wells, house connections and fly-proof latrines	35
URBAN WATER-SUPPLIES.	
Monsoon condition of the Hooghly river	35
Removal of silt for purification of river water-supplies	36
Mechanical filters	37
Well filter at Naini Tal	39
Infiltration galleries	40
The Puch-chabal system of water filtration	41
Tube-wells	42
Artesian and sub-artesian supplies of water in Guzerat	42
The financing of water-supply and drainage schemes	44

WATER ANALYSIS.

	PAGE.
Recent researches in the matter of water analysis	49
Analysis of the water-supply of Calcutta	50
Analysis of potable waters in the tropics	50
Bacteriological examination of water	51
Examination of samples of water	52
Speech by Colonel Firth on the bacteriological examination of water ...	52

VISIT TO GUINDY.

Vaccine lymph	53
Demonstrations in Microbiology	54
Dracontiasis	54
Experimental sand and mechanical filters	54
Sleeping sickness	55

Inspection of the Madras city water works	57
--	----

CHOLERA.

The epidemiology of cholera	57
The occurrence of the cholera vibrio in the biliary passages	58
An investigation of cholera convalescents and contacts in India	59
An investigation of an epidemic of cholera caused by a 'carrier'	60
Observations on disinfection in cholera	60
Effect of pipe water-supplies on cholera	61
Some practical points in dealing with epidemics of cholera	62
Measures for dealing with cholera epidemics	63
Bacteriology of the cholera vibrio	63
Cholera vibrio	65
Discussion on papers relating to cholera	65

MISCELLANEOUS PAPERS ON HYGIENE.

Popular errors in hygiene	67
Conservancy in the tropics	67
Infantile mortality	67
Epidemic fever in Calcutta	67

FEVERS AND INFECTIOUS DISEASES.

Dysentery	68
Diarrhœa in Poona	68
Tuberculosis	69
Malta fever	70
Enteric fever in India	72

SEWAGE AND REFUSE DISPOSAL.

Poona experimental sewage installation	73
Percolating filters	74
Colombo drainage scheme and sewage treatment	74
Night soil disposal and associated fly breeding	75
Disposal of rubbish in Madras	75
The sullage farm at Agra	77
Sullage treatment at Lucknow	78
Reclamation of low lying lands with refuse	78
Colombo refuse destructor	79

VISIT TO CONJEEVERAM.

Conjeeveram water-works	80
--------------------------------	----

PROBLEMS CONNECTED WITH THE MILK SUPPLY.

	PAGE.
The utilisation of a continuous temperature of 50° C. for the preservation of the potability of milk	83
Milk supply of Calcutta	83
Milk supply of towns	84
Some practical points in the Indian milk problem	85

VITAL STATISTICS.

Mortality in the Cossipore-Chitpore municipality	87
Vital statistics, Bengal	87

EDUCATION AND HYGIENE.

Education in public health	88
Medical inspection of school children	93

RURAL SANITATION.

Sanitation of villages and small towns	94
Rural sanitation in Bengal	94
Village sanitation	95

ADULTERATION OF FOOD AND DRUGS.

Inspection of food and drugs	95
-------------------------------------	----

RURAL WATER-SUPPLIES.

Madras	96
Bombay	97
Bengal	98
United Provinces	98
Punjab	100
Burma	100
Bihar and Orissa	103
Central Provinces	103
Assam	103

RESOLUTIONS AND CONCLUSION.

His Excellency Lord Pentland's speech	105
The President's reply	105
Resolutions	107
Conclusion	112
Index	113

113
INDEX.

Subject.	Page.
A	
Adulteration of food and drugs	95—96
Agenda	1—4
Agra The sullage farm at—	77—78
Air— Light and—in dwellings in Bombay	11—12
Amritaraj, Dr. S— Paper by—on the medical inspection of school children	93—94
" "—on the relief of congestion in the Civil and Military Station, Bangalore and its results	14—15
Analysis of water-supply of Calcutta	50
—potable waters in the tropics	50—51
Annual meetings of Sanitary conference Resolution on—	110
—reappearance of plague	20—21
Artesian and sub-artesian supplies of water in Guzerat	42—43
B	
Bacteriological examination of water	51—52
Bacteriology of the cholera vibrio	63—65
Bangalore, Civil and Military Station— Relief of congestion in—	14—15
Bannerman, The Honourable Surgeon-General, W. B., C.S.I., I.M.S.,— Paper by—on Anti-malarial measures—Itinerating dispensaries	18—19
Bengal, Vital statistics,—	87—88
Bentley, Dr. C. A.— Paper by—on Vital Statistics, Bengal	87—88
Bombay Light and air in dwellings in—	11—12
Bose, Rai Bahadur Kailas Chandra, C.I.E.,— Paper by—on epidemic fever in Calcutta	67—68
" "—on infantile mortality	67

Subject.	Page.
B—concl'd.	
Bose, Rai Bahadur Kailas Chandra, C.I.E.,— Paper by—on the analysis of the water-supply of Calcutta ...	30
" " —on the milk supply of Calcutta ...	83—84
Brown, Captain H. C., I.M.S.,— Paper by Captain T. G. F. Paterson and—on Malta fever ...	70—71
Browning-Smith, Lieutenant-Colonel S., I.M.S.,— Paper by—on annual reappearance of plague ...	20—21
" " —on a simple method of rat destruction ...	22
Brownlie, Mr. T. A. Miller— Paper by—on tube-wells ...	42
Building bye-laws ...	13
Town-planning, congested areas and— ...	9—15
Butler, The Honourable Sir Spencer Harcourt, K.C.S.I., C.I.E., I.C.S.,— Concluding remarks by— ...	112
Opening speech by— ...	6—9
Reply by—to His Excellency the Governor of Madras's speech ...	105—106
Bye-laws, Building— ...	13
Town-planning, congested areas and— ...	9—15
C	
Calcutta Epidemic fever in— ...	67—68
Milk supply of— ...	83—84
Carrier An investigation of cholera epidemic caused by a— ...	60
Chandra Sekhar, Dr. P. S.,— Paper by—on Tuberculosis ...	69
Children, School— Medical inspection of— ...	93—94
Cholera ...	57—67
Discussion on papers relating to— ...	65—67
Effect of pipe water-supplies on— ...	61—62

Subject.	Page.
C—contd.	
Cholera	
Epidemiology of—	57—58
Observations on disinfection in—	60—61
Resolution on—	108
—convalescents and contacts	
An investigation of— in India	59—60
—epidemic(s)	
An investigation of— caused by a 'carrier'	60
Measures for dealing with—	63
Practical points in dealing with—	62—63
—vibrios	65
Bacteriology of —	63—65
Occurrence of — in biliary passages	58—59
Clemesha, Major W. W., I.M.S.,—	
Paper by — on mechanical filters	37—38
" " — on recent researches in the method of water analysis	49—50
" " — on the monsoon condition of the Hooghly river	35—36
Colombo drainage scheme and sewage treatment	74—75
—refuse destructor	79
Conclusion	112
Resolutions and—	105—112
Congested areas	
Resolution on —	107—108
Town planning, — and building bye-laws	9—15
Congestion	
Relief of —	14—15
Conjeeveram—	
Visit to —	} 80—82
Water-supply of —	
Conservancy in the tropics	67
Cossipore-Chitpore municipality—	
Mortality in the —	87

Subject.	Page.
C—concl'd.	
Cox, Mr. C. L.—	
Paper by — on a Colombo refuse destructor	79
" " — on dust prevention	34
" " — on the Colombo drainage scheme and sewage treatment	74—75
Cunningham, Captain J., I.M.S.—	
Paper by — and Major W. F. Harvey, I.M.S., on Dysentery ...	68
Curtis, The Honourable Mr. G. S.—	
Speech by — on the question of the financing of water-supply and drainage schemes	44—46
D	
Delegates	
List of —	5—6
Resolution regarding the date of nomination of—	110
" " number of Engineering—to the next Sanitary conference	110
Demonstrations in Microbiology	54
Diarrhoea in Poona	68—69
Discussion on certain resolutions	111—112
— papers relating to Cholera	65—67
— travelling dispensaries	19—20
— Tuberculosis	70
Summary of — on papers relating to Plague	25—26
Disinfection in cholera	60—61
Dispensaries, Itinerating	18—19
—, Travelling—	17—20
— in the United Provinces	17—18
Dracontiasis	54
Drainage	
Town improvement and — in India	13
— scheme, Colombo	74—75
— works, Madras City—	
- Inspection of —	16—17
Dunn, Captain C. L., I.M.S.—	
Paper by — on measures for dealing with cholera epidemics ...	63
" " — on the Jewell filter at Naini Tal	39—40
Dust prevention	34

Subject.	Page.
D—concl'd.	
Dwellings	
Light and air in — in Bombay	11—12
Workmen's—	15
Dysentery	
Paper by Major W. F. Harvey and Captain J. Cunningham, I.M.S., on—	68
Resolution on —	109
E	
Education and Hygiene	88—94
— in Public Health	88—93
Speech by Major Liston on —	89—92
Engineering delegates	
Resolution regarding the number of—at the next Sanitary conference ...	110
—, Sanitary—	27—35
— Section	
Proposal for a separate Joint Secretary for the —	112
Proposal of the — for extension of time required for their deliberations	112
Resolution regarding the appointment of a separate Secretary for the—	} 110
and the extension of the time for discussing questions connected with Sanitary Engineering	
Resolution regarding the Number of delegates to—of the next Sanitary conference	
— subjects for next conference	
Resolution on —	110—111
English and Indian Sanitary Engineering	31—33
Enteric fever in India	72
Epidemic fever in Calcutta	67—68
Epidemiology of cholera	57—58
Exhibition of models of a house suitable for villages and small towns, a typical section of an infiltration gallery, wells, house connections and fly-proof latrines	35
F	
Fever, Enteric — in India	72
—, Malta—	70—71
Fevers and infectious diseases	68—72
Filter, Jewell — at Naini Tal	39—40
Filters, Experimental Sand and Mechanical—	
— at the King Institute, Guindy	54—55
— Mechanical—	37—39
— Percolating—	74
Financing of water-supply and drainage schemes	44—49
Firth, Colonel R. H., R. A. M. C.,—	
Speech by — on the bacteriological examination of water ...	52—53
Fleas	
Note on — infesting Mus Rattus	24
Flies	
Resolution on —	109

Subject.	Page.
F—concl'd.	
Fly breeding	
Night soil disposal and associated —	75
— Proof latrines	
Exhibition of models of — by Major Forbes-Knapton, I.M.S., and Mr. Pillai	35
Food and drugs	
Adulteration of —	95—96
Forbes-Knapton, Major H. A., I.M.S.,—	
Exhibition of a model of a fly-proof latrine by —	35
Paper by — on some practical points in dealing with cholera epidemics	62—63
Fox, Lieutenant C. J., I.S.M.D.,—	
Paper by — on Tuberculosis	70
— Military Assistant Surgeon E. C. R., I.S.M.D.,—	
Papers by — on bacteriological examination of water	51—52
Future Sanitary conferences	
Division into sections to be maintained at —	112
G	
Ganga Prasad Varma, The Honourable Rai Bahadur—	
Note by — on town-planning and town improvement in Lucknow ...	13
Gibson, Dr. F. Maitland—	
Paper by — on water analysis in the tropics	50—51
Gloster, Captain T. H., I.M.S.,—	
Paper by — on cholera vibrios	65
Governor of Madras, His Excellency the—	
Speech by —	105
Grain trade as a factor in the dissemination of plague	22—23
Greig, Major E. D. W., I.M.S.,—	
Paper by — on an investigation of cholera convalescents and contacts in India.	59—60
" " — on an investigation of cholera epidemic caused by a 'carrier.'	60
" " — on enteric fever in India	72
" " — on observations on disinfection in cholera	60—61
" " — on the occurrence of cholera vibrio in the biliary passages	58—59
Guindy	
Visit to —	53—56
H	
Harriss, Major S. A., I.M.S.,—	
Note by — on building bye-laws	13
Paper by — on the effect of pipe water-supplies on cholera	61—62
" " — on the milk supply of towns	84—85
" " — on the sullage farm at Agra	77—78

Subject.	Page.
H—contd.	
Harvey, Major W. F., I.M.S.,— Paper by — and Captain J. Cunningham, I.M.S., on dysentery ...	68
" " — on vaccine lymph	53—54
Hooghly river Monsoon condition of the —	35—36
Housing of working classes in large cities	15
Hutchinson, Major F. H. G., I.M.S.,— Paper by — on percolating filters	74
" " — on the Poona experimental sewage installation ...	73—74
Hutton, Mr. W.— Explanatory address by — on experimental sand and mechanical filters at the King Institute, Guindy.	54—55
Paper by — on infiltration galleries	41
" " — on sanitary problems in Madras	27—31
Particulars furnished by — about Conjeeveram water-works ...	80—82
Hydro-electric scheme, Simla... ..	27
Hygienic rules, Simple— — for the guidance of municipalities in laying out sites and planning model houses for poorer classes.	15
Hygiene Education and —	88—94
Miscellaneous papers on —	67—68
Popular errors in —	67
I	
Incinerators Disposal of rubbish in Madras city by means of small —	75—77
Indian Sanitary Engineering, English and —	31—33
Infantile mortality	67
Infection The importance of the persistence of — in certain villages during the off-plague season.	21
Infectious diseases, Fevers and —	68—72
Infiltration galleries	40—41
Inoculation Absence of ' Negative phase ' after — with plague prophylactic ...	24
Inspection of food and drugs	95—96
— Madras city drainage works	16—17
— Madras city water-works	57
— models of a house suitable for villages and small towns, a typical section of an infiltration gallery, wells, house connections and fly-proof latrines	35

Subject.	Page.
I—contd.	
Itinerating dispensaries	18—19
Iyengar, Mr. Rangasawmy— Paper by — on mechanical filters	38—39
J	
Jewell filter at Naini Tal	39—40
Joint Secretary Proposal for a separate — for the Engineering Section	112
K	
Kunhardt, Captain J. C. G., I.M.S.— Paper by — on the importance of the persistence of infection in certain villages during the off-plague season.	21
L	
Lacey, Mr. J. M.— Exhibition of models of sanitary works by —	35
Paper by — on infiltration galleries	40—41
Lands, low-lying— Reclamation of — with refuse	78—79
Large cities— Housing of working classes in —	15
Light and air in dwellings in Bombay	11—12
List of delegates	5—6
Liston, Major W. G., I.M.S.— Paper by — on plague preventive measures	24—25
Speech by — on education in public health	89—92
Lucknow Sullage treatment at —	78
Town improvement in —	13

Subject.	Page.
M	
MacDonald, Dr. W. R.— Paper by—on the disposal of rubbish in the Madras city by means of small incinerators.	75—77
Mackey, Military Assistant Surgeon G., I.S.M.D.— Paper by—on the utilisation of a continuous temperature of 50°C. for the preservation of the potability of milk.	83
Mackie, Captain F. P., I.M.S.— Paper by—on sleeping sickness	55—56
Madeley, Mr. J. W.— Paper by—on the Madras city drainage works " "—on the Madras city water-works	16—17 57
Madras Sanitary problems in—	27—31
—city Disposal of rubbish in—	75—77
—drainage works— Inspection of—	16—17
—water-works— Inspection of the—	57
—presidency— Plague in—	23—24
Malta fever	70—71
Mandy, Mr. C. N.— Note by—on sanitation in India	33—34
Master, Dr. D. B.— Paper by—on the reclamation of low-lying lands with refuse	78—79
Measures for dealing with cholera epidemics	63
—, Plague preventive— Paper by Major Liston on—	24—25
Mechanical filters	37—39
—, Sand and— at King Institute, Guindy	54—55

Subject.	Page.
M—contd.	
Medical inspection of school children	93—94
Meetings of Sanitary conference Resolution on—	110
Mehdi Shah, The Honorable Khan Bahadur Syed— Paper by—on the sanitation of villages and small towns ...	94
Microbiology Demonstrations in—	54
Milk The utilisation of a continuous temperature of 50° C. for the preservation of the potability of—	83
—problem, Indian— Practical points in the—	85—87
—supply —of Calcutta	83—84
—of towns	84—85
Problems connected with—	83—87
Model(s) houses Simple hygienic rules for guidance of municipalities in laying out sites and planning— for poorer classes	15
—of a house suitable for villages and small towns, a typical section of an infiltration gallery, wells, house connections and fly-proof latrines } ...	35
—of sanitary works, Exhibition of—	35—36
Monsoon condition of the Hooghly river	35—36
Montgomery, Mr. A. S.— Paper by—on Simla hydro-electric scheme	27
Morison, Captain J., I.M.S.— Paper by—on the causes of diarrhoea in Poona	68—69
Mortality—in the Cossipore-Chitpore Municipality	87
Mus Rattus— Note on fleas infesting—	24
.. ..	
N.	
Naini Tal Jewell filter at—	39—40
Nair, Dr. T. M.— Paper by—on the inspection of food and drugs	95—96
Negative phase Absence of—after inoculation with plague prophylactic	24

Subject	Page.
N—contd.	
Newell, Dr. A.G.— Paper by—on conservancy in the tropics	67
" "—on some practical points in the Indian milk problem ..	85—87
Next Sanitary conference Resolutions regarding the number of Engineering delegates at—and the date of their nomination	110
Night soil disposal and associated fly breeding	75
Note on Sanitation in India	33—34
Nowroji, Mr. Hormusji— Paper by—on the water-supply of Conjeeveram	82
O	
Opening speech of the President	6—9
Orr, The Honourable Mr. J. P., I.C.S.— Paper by — on light and air in dwellings in Bombay	11—12
P	
Paterson, Captain T. G. F., I.M.S.— Paper by — and Captain H. C. Brown, I.M.S., on Malta fever	70—71
Patton, Captain W. S., I.M.S.— Demonstrations by — in Microbiology	54
Pentland, His Excellency Lord— Speech by —	105
Percolating filters	74
Pillai, Mr. V. D.— Exhibition of a model of a fly-proof latrine by —	35
Paper by — on town improvement and drainage in India	13
Pipe water-supplies Effect of — on cholera	61—62
Plague	20—26
—preventive measures	24—25
Annual reappearance of —	20—21
Grain trade as a factor in the dissemination of —	22—23
— in Madras Presidency	23—24
Prevention of —	24
