## PREFACE.

---

THE materials for this work projected in 1890 by Colonel G. H. Trevor, C.S.I., Agent to the Governor-General for Rajputana, were collected from the several States of that province through the Political Officers according to certain specified instructions with regard to arrangement. They were afterwards compiled, at Colonel Trevor's request, and put into their present form by Mr. C. S. Bayley, C.S., then Political Agent, Bikanir, who has drawn on the Rajputana Gazetteer for the historical extracts inserted to render clearer the position of the Chiefs and leading families noticed. For purposes of reference, the compilation will, it is hoped, prove useful and supply a recognized want. It must not be regarded as strictly accurate in all details of family history which, as usual, have been supplied from interested sources. They have, however, been checked as far as possible.
