NOTICE

In the present issue of the volume of Financial and Commercial Statistics, the undermentioned additions and changes have been made—

The Summaries of Contents and Explanatory Memoranda hitherto put together at the beginning of the volume have been separated and prefixed to the sections of the volume to which they relate.

To table No. 1 (of Section XXV.—Breweries) relating to the progress of brewing industry the number of persons employed in 1903, 1904, and 1905 in each brewery has been added.

The name of the tables in Section No. XXVIII, styled "Sundry Industries," has been changed to "Industrial Labour," and the tables have been transformed into a record of the labour employed in those industries which may be regarded as organised in such a manner as to lend themselves to statistical treatment.

Two years' figures have been added to the following sections: V.—Excise, VIII.—Income Tax, XIX.—Enfaced Securities, XXXII.—Port Trusts, and XXXV.—Emigration.
