**RESOLUTION.**—The statistics of the demand and collection of land reve-  
nue for the Presidency proper for the year 1915-16 are presented in the  
improved form from the new Manual of Revenue Accounts. The figures for  
land revenue as well as those for tagai are based on later and more accurate  
information than those given in paragraphs 3 and 4 of Government Resolu-  
tion No. 7685 dated 23rd June 1917, which reviews Part II of the report.  
The total consolidated demand of the year (including local fund of 24½ lakhs)  
was about 352 lakhs. Authorised and unauthorised arrears of former years  
amounted to 12·3 lakhs, the total consolidated demand for recovery in 1915-  
16 being 364½ lakhs. Of this amount 333¼ lakhs were recovered, 22½ lakhs  
were suspended and 8½ lakhs were remitted or otherwise cancelled.

In Sind, the land revenue for collection in the current year, after deduc-  
tion of 3½ lakhs for remissions, amounted to 102½ lakhs, or 11½ lakhs less  
than in the previous year owing to the low inundation. Outstanding  
balances of former years (after deduction of irrecoverable arrears) amounted  
to over 5½ lakhs. The total demand for the year was therefore 107¾ lakhs.  
Out of the current demand for the year, 101½ lakhs or 99·2 per cent. were  
realised.

2. The favourable character of the season in the Central and Southern  
Divisions of the Presidency proper is indicated by a considerable reduction  
in advances under the Tagai Acts, which amount to a little over 1½ lakhs for  
the two Divisions compared with 5½ lakhs in the previous year. On the  
other hand, the scarcity prevalent in North Gujarát led to more extensive  
borrowings in the affected districts, the total sum advanced being 3½ lakhs  
compared with 1½ in the previous year. The figures in the tagai statements  
appended to the report are for fourteen months up to 30th September 1916.  
The total demand for collection was 27 lakhs, of which 26½ lakhs were

\*Not printed.

collected. The unauthorised arrears were reduced from Rs. 16,000 to Rs. 4,500, while the balance of outstanding principal and interest due to Government was reduced by 16 lakhs to under 70½ lakhs.

In Sind, nearly 8 lakhs were advanced, or one lakh less than in the previous year when the damage done by floods and the cotton crisis had increased the demand. The total demand for collection was 13½ lakhs, of which nearly 11 lakhs were realised. Suspensions amounted to 1½ lakhs. The unauthorised arrears fell from Rs. 1,62,532 to Rs. 97,000 during the fourteen months for which figures are given.
