CONTENTS.

PART I.

	PAGES.
Introduction to Part I	xiii
Acknowledgments	xiv
Plans	xv
<hr/>	
1. Indore Preliminary City Survey, and Interpretation (Chapters I-III)	1-14
CHAPTER I:—<i>Indore City, from its Early Beginnings.</i>	
A Preliminary Survey	1
Juni Indore	1
CHAPTER II:—<i>Preliminary Survey (Continued).</i>	
Modern Indore	5
The Early Holkars' Indore	7
The Fort City, and its Six Squares	8
Review of Indore Development	9
Later Military Indore	10
CHAPTER III:—<i>Recent Indore...</i>	
Railway System	13
<hr/>	
2. Public Health	14-24
CHAPTER IV:—<i>Public Health in the Industrial Age.</i>	
Introductory	14
Occupation and Disease	15
Town Planning	15
The General Health Problems of Cities	16
Tuberculosis	18
Plague, and its General Civic Lesson	19
Health Significance of the Town Plan	20
Examples from Diseases (Continued)	21
Further example; Neurasthenia, its origins and abatement	21
Conditions of City Renewal	23
General Conception of Practical Civics	23

	PAGE.
ustries; and New Industrial Town (Chapters V-VI)	24-40

CHAPTER V:—Regional Industries, Rural and Urban.

Rural Industries and their Economics ...	24
Representative Cereals—Wheat and Rice—in their Social Contrast	24
The Textile Industries in their Social significance	26
Cotton in its Social and Civic aspects ...	26
Other Textiles, and their Representative Towns	27
Cotton in Indore	28
Summary as regards Textile Towns ...	29
Silk and its Possibilities in Indore	29
Summary	31

**CHAPTER VI:—Planning of Extension of Cotton Mill Area,
as New Industrial Town (Naya Indore).**

Disadvantage of Earlier Textile Towns	32
Advantage of Indore	32
Further Location, and Planning	33
Present Area, South of Palasia Nulla	33
Defects of Present Lay-out of Industrial Compounds	33
Defects of Internal Planning	34
Impure Effluents	34
Planning of Buildings... ..	35
Lay-out of Buildings within Industrial Compounds	35
American "Efficiency Methods" etc. of Industrial Management	35
Social Management	36
Future Planning of Industrial Area	36
Railway Sidings	36
Vacant Areas South of Nulla	37
General Lay-out for Housing of Industrial Town	38
Further Extension of Mill Area North of Palasia Nulla	38
Corresponding Housing Development	39
Industrial Area again, and its further Possible Extension	39
Planning of Garden Villages in Detail	39
Technical School	40
Summary... ..	40

4. Water Supplies.

CHAPTER VII:— <i>Indore Water Supply</i>	40
Inspections	41
Plans of Bilavli Scheme	41
Possible Abatement of loss from Reservoirs	42
Irrigation Tanks, and Maintenance of Water-Levels	42
Possible New Reservoirs ?	43
Proposed Bilavli Seepage Bund	43
Bilavli Village etc.	44
Piplia Reservoir and Neighbourhood	44
Martandpala Reservoir	45
Order of Improvements Recommended	45
City Water-Improvements	45
Wells	46
Further Water Resources	46
Summary	47
Final Note	48

5. Drainage; (Recent Scheme, made before Town Planning).

CHAPTER VIII:—*Report on Recently Proposed Drainage Scheme for Indore.*

Introductory	48
Drainage Schemes in Indian Cities	49
Criticism of Drainage without Town Planning	50
City Drainage Plans	51
Indore Drainage Plan	52
Drainage of Sia Ganj; and from the Residency Town	52
Possible Treatment of Residency Drainage	53
Danger of Deep Drainage to Foundations etc.	53
Drainage Scheme of North-West Quarter of City	54
Consideration of Estimates	55
Cost of Excavation	55
Urinals, Latrines and Pail Depots	55
Sweepers' Huts	56
Flushing Tanks	57
Surface Drains	57
Septic Tanks	57
Estimates	58
Main Sewer	58
A Sanitary Engineer's Criticism of the Preceding Scheme	58

	PAGES.
Possible Alternative Drainage Scheme ...	60
Increased Expenditures inevitable beyond Estimates	60
Additional Expense of Water-Closets and Connections	61
Cost of Modern Conveniences	62
Resources of Indian Cities	63
Needed Alternative Scheme	63
Town Planning before Drainage	64
<hr/>	
ensions, Housing and Sanitation (Chapters IX-XIII)	65-85
CHAPTER IX:—<i>Suburbs of Indore: Plague Camps, Garden Villages, and Industrial Housing with appropriate Sanitation.</i>	
Plague Camps and their Possibilities ...	65
French Working Class Garden Suburbs. ...	65
Advantages of Country Homes	66
Present Military Quarters	66
House Famine and Plague	66
Land Tenure	67
Community Groupings	67
Planning of New Suburbs in Detail ...	67
CHAPTER X:—<i>Housing of Cotton Workers.</i>	
Urgency, yet Difficulties	67
Arguments for and against Housing by Employers	68
The Workers' point of view	68
The Housing Difficulty—What Solutions? ...	69
Sites and Planning	69
State Aid and Guidance	70
Progress and Difficulties	70
CHAPTER XI:—<i>Suburb Planning in Detail.</i>	
The Problem	71
Need of Better Planning	71
Contrast of Methods of Sanitation and Planning	72
Manure	73
Separation of Dwellings	74
Sweepers as Gardeners	74
Gardens on Plan	75
Needed Management	75
A Distinctive Type of Planning	76
Example from Proposed Garden Village South of Jail	77

	PAGES.
Essentials of Health and Well-being for all Classes	77
 CHAPTER XII:—Sanitary Problems Continued.	
Sewage on the Land?	78
The Disabilities of Refinement	78
Developments in Sanitation	78
Further yet simpler Developments	79
Summary	80
 CHAPTER XIII:—Constructive Problems.	
Diagram Plans; Acres Variously Laid Out and Homes Variously Growing	81
Indebtedness, and its Abatement	82
A Reconstructive Policy, applicable even to the Slum	83
Compensation	84
Construction in Progress	84
Housing Organisations and Societies	84
Noteworthy Recent Examples	85
Final Reminder	85
<hr style="width: 20%; margin: 10px auto;"/>	
Park and Garden Designing, River Purification &c. (Chapters XIV-XXIII)	86-128
 CHAPTER XIV:—Garden Designs for Indore City, and their Bearings.	
City Gardens and Parks: Improvements	86
Change of Order of these Chapters	86
Improvements of Gardens etc. from Krishna- pura Bridge northwards	87
Bolia's Chhatri and Neighbourhood	87
Topkhana	88
Topkhana Public Garden (and Possible Under- Bridge)	88
Railway Crossing	89
Tukoganj and Palace Park	89
Palasia Park	89
Avenue Trees; Shelter; and Fuel Trees	90
Gardening and Planting from the Palaces West- wards; Malharganj Square	90
Old Town Planning	91
Hansdasji Temple, and Western Temple Park	91
Sacred Parks Viewed More Generally	92

	PAGES.
Bohra Park and Garden Village	92
Appeal to other Communities; Rich and Poor	93
CHAPTER XV.—Central Palace Gardens and Avenues.	
Vacant Spaces Available, and Proposed Treatment	94
Vegetable Market	94
Garden West of New Palace	95
West, South-West, North and East of old Palace	95
Old Palace Avenue Southwards	95
CHAPTER XVI.—Chhatri Bagh, as Sacred Park of Indore.	
General Aspect	96
Improvements and Extensions	96
“Park-way” System of Park Extension	96
Chhatri Bagh Improvement in Detail	97
The Two Main Chhatri	97
The Yogis’ Camp	98
The Park Farm; and its Proposed Uses	98
Sacred Parks of City, and Dhuni	99
CHAPTER XVII.—Zoological Park.	
Introduction	99
Practical Beginnings Existing	100
Further Developments	100
Possible Utilisation of West and East River	
Banks	100
Birds of Prey etc.	100
Camel Enclosure	101
Vegetable Garden and its Gardeners	101
Extension of Zoological Park South of Palace	
Road	101
CHAPTER XVIII.—Zoological Garden Completed; Pleasure Garden and Sports Park.	
Pleasure Garden	102
Completion of Zoological Garden	102
Pergola	103
Birds Again	103
Need of Shade, and Shade-House	103
Fruit Garden	104
Out-door Maze	104
Rock Garden	105
New Club and Sports Park	106

	PAGES.
Arboretum and Type Botanic Garden ...	106
Boys' Corners ...	106
CHAPTER XIX:--Further Gardens, Studious and Practical.	
The Need of " Key Gardens " ...	106
Gardens of the Phases of Life ...	107
Garden of Evolution ...	108
Garden Uses and Applications ...	109
Herb Garden ...	110
Sacred Garden ...	111
Wild Garden ...	111
Working Garden ...	112
Dwellings for Gardeners ...	112
Lecture Room ...	112
Silk Garden ...	113
Suggested small Bacteriological Laboratory ...	113
School of Horticulture, and Forestry ...	114
CHAPTER XX:--Palace Gardens and Park.	
Palace Gardening ...	114
Palace Gardens ...	115
Suggested Japanese Garden ...	115
Criticism of Proposed Diversion of the River ...	116
Manik Bagh ...	116
Kaisar Bagh etc. ...	116
Desirability of Unified Palace Park Scheme ...	116
CHAPTER XXI.--Indore River System.	
Further City Amenities ...	117
Indian (and other) Rivers as Sacred ...	118
The Indore River Union ...	118
Recovery of the Significance of Rivers ...	119
Practical Outcome of this Renewal ...	119
CHAPTER XXII:--Proposed Educational and Scientific Buildings.	
Available Sites on Lal Bagh Boulevard ...	121
Proposed Girls' High School ...	122
Proposed Boys' School ...	123
Scientific Buildings ...	124
CHAPTER XXIII:--Indore Garden Schemes as Whole.	
Womens' Share in Gardens ...	128
Return to the City... ...	128

	PAGES.
provement of City Quarters (East Bank chiefly) (Chapters XXIV-XXVI)	129-143
CHAPTER XXIV:—Improvement of Indore City quarters:	
I. SIAGANJ AND ITS CORN TRADE	129
Sia Ganj Area	129
Siaganj Corn Trade and its present Expansions	129
Residency Corn Market	130
The Problem of Planning	131
Cart-Stand and Corn-Market	131
Iron Trade	132
CHAPTER XXV:—City Quarters Continued.	
II. WEST AND NORTH OF SIAGANJ, CHUNA BHATI ETC. WEST OF SIAGANJ	132
South Ranipura	133
North Ranipura	133
Hospital Nulla Garden	133
Small Public Garden, near Railway Crossing ...	134
CHAPTER XXVI:—City Quarters Continued.	
III. IMPROVEMENT OF JUNI INDORE.	
Historic Decay, and Recent Example of this ...	135
Moral for Town-Planners and their Public ...	136
City Life in its Inter-relations	136
Application of the Preceding, to Recent Town-Planning Scheme	137
Express Boulevard by way of Juni Indore ...	137
New Through Boulevard continued to Ara Bazar	138
Housing Requirements, and New Suburbs of Juni Indore	138
The Renewal of Juni Indore	139
Drainage Scheme in Juni Indore	140
Planning of Garden, and subsequent Minor Gardens	141
Acknowledgments	141
Economic Aspects of the Garden Scheme ...	141
Social Aspect of the Garden Scheme	142
CHAPTER XXVII:—City Quarters Continued.	
IV. RIVER SITES OPPOSITE JUNI INDORE.	
River Bank Area and its Possibilities ...	142
Proposed Hospital	143
Offered Criticism of School Planning ...	143

	PAGES.
9. School Planning	144-157
CHAPTER XXVIII:—<i>The Needed Re-planning of Schools: as Open-Air Schools.</i>	
Arguments for Open-air Schools	144
Needed Re-planning accordingly	147
Open-air Difficulties as Advantages	148
CHAPTER XXIX:—<i>School Planning Continued: Education for life.</i>	
The School Garden	149
The School Workshop	149
The Boy Scout Movement	150
The Recapitulation of Primitive Occupations... ..	150
Proposed Boys' Corners	150
Girls' Play-Houses	151
Vital Education and Public Health together	152
Why Levelling of Sites?	152
Why Removal of Houses?	152
The Education of Life	153
CHAPTER XXX:—<i>Housing Difficulties again.</i>	
School-Building and House-clearing	154
Homes and Legal Protection for them	156
<hr style="width: 20%; margin: 10px auto;"/>	
10. Improvement of City Quarters Continued (Chapters XXXI-XXXV)	157-177
CHAPTER XXXI:—<i>City Quarters Continued: V. Ara Bazar</i> 157	
Widening and Betterment: Their Public Dangers	157
Better Communications to be separately obtained	158
A Defence of Ara Bazar	158
Ara Bazar Through Communication East and West	158
CHAPTER XXXII:—<i>Central City Improvements VI.</i>	
Criticism of Preceding Town Scheme	159
Alternative Treatment Here Proposed	161
CHAPTER XXXIII:—<i>City Quarters Continued: VII. The Six Squares.</i>	
Introductory	162
Bazazkhana	162
Vegetable Market in Odepura Square	163
Interior of Odepura Square, Completed	164
Bohra Bakhal	164

	PAGES.
Shakkar Bazar Square: Brahmin Water Carriers	165
Planning Alternatives	166
Dhobies	166
Morsali Street and Neighbourhood ...	166
N. E. Square, S. of Khajuri Bazar ...	167
Dhangali and Nagarchi Bakhal	167
Kanjar Bakhal	167
 CHAPTER XXXIV:—City Quarters Continued VIII. Mohallas	
North of the Six Squares.	
Manik Chowk	167
Koshti Bakhal	168
Juna Kasera Bakhal	168
Juna Pitha etc.	168
 CHAPTER XXXV:—Northward Suburbs IX.	
Jail Neighbourhood	169
New City High School	169
Parkways	170
Small Mohallas, and Topkhana	170
Municipal Buildings and Compound ...	170
New Normal School etc.	171
Imli Bazar Road	171
Park System	172
De-Congestion and Re-Housing of Communities in Garden Suburbs... ..	172
 CHAPTER XXXVI:—Indore East of Railway.	
I. NORTH OF TUKOGANJ, TO MALWA MILLS, AND TO PALASIA	
NULLA AND PALASIA.	
Area East and North-East of Palace ...	174
West of Lal Kothi Road	174
New Dewas Road etc.	175
Dhuni	175
Post Office, and Bank Site	175
Pinjrapol	175
Area South of Tukoganj, and North of Residency	175
 II. RAILWAY STATION NEIGHBOURHOOD	
New Serais and Hotels	176
Gwaltoli etc.	177

	PAGES.
II. Cleansing and Drainage.	
CHAPTER XXXVII:—<i>Cleansing before Drainage.</i> ...	178
Introductory	178
Cleansing before Drainage	178
Cleansing Scheme	179
Public Health Results more definitely ...	179
Co-operation of Schools	180
Utilisation of Volunteers	180
Removal of Garbage	180
Disposal of Residue	181
Further Cleansing of the River	182
Old Wells	182
Haystacks	182
Conclusion	183
CHAPTER XXXVIII:—<i>Surface Drains</i>	183
Introduction to new Drainage Scheme ...	183
Survey of existing Surface Drains ...	183
Improvement of Surface Drains	184
Flushing of Drains	184
Conclusion	185
CHAPTER XXXIX:—<i>Drainage after Town Planning and Cleansing: Proposed Drainage Scheme.</i>	
Introductory	185
Drainage of New Suburbs and Industrial Town	185
Drainage of the Existing City: Sia Gunj and Juni Indore	186
Condition of the Rivers	186
Residency Sullage entering the River ...	186
Drainage Further Down Stream East Bank ...	186
Drainage on West Bank of the Indore River ...	187
Resulting Improvement of Rivers	188
Summary for River Banks	188
Remaining Drainage by the Pilia Nulla Basin to N. W.	188
Acreage and Population	189
" " in detail, Area by Area...	190
Population Difficulties, and their Solutions' ...	191
Acreage of Land actually required, in Europe and in India	191
Proposed Drainage Gardens during Rainy Season	192
Conclusion	192

CHAPTER XL:—Possible future Underground Drainage Scheme.

Conditions of this, and Practicability if and when required	193
Conditions of Design	193
Underground Drainage Scheme	193
(a) East of Rivers	193
(b) West of River	194
(c) Pilia Nulla Drainage Basin	195
Execution in sections, as Required... ..	195
Further Economies in Execution	196
Estimates in Preparation	196
Summary as to Cleansing and Drainage	196

Railway Station and Western Suburbs.

CHAPTER XLI:—Railway Station Neighbourhood.

Introductory	197
Need of West Station Entrance and Platform... ..	197
West Station Place	197
Tukoganj Crossing and Minor Subway	198
East Station Place: New Dharmsala, Serai and Hotel	199
Further Minor Improvements, Station Gardens	199
Proposed Bohra Serai and Improvements Southward to new Boulevard	199
East of Railway Lines again	200
Conclusion	200

CHAPTER XLII:—Western and Northern Suburbs.

Western Suburbs	201
Military Barracks, then possible Utilisation	201
Western Suburbs again	202
Further Isolation from Main City... ..	202
Further Precautions	202
Communication with Railway Station etc.	202
Northerly Suburbs	203
