AN OUTLINE
OF
IRISH HISTORY

A HISTORY OF OUR OWN TIMES

By JUSTIN MCCARTHY, M.P.

'Mr. McCarthy is temperate, reasonable, and judicious; his eminently entertaining, and his power of entertaining his readers is never exhausted, and his fourth volume is perhaps the best. To say that this work is as pleasant and attractive to read as to pay a great compliment to novels. Almost every page of it that is good because it is at once unexpected and yet not overdone, is pervaded with a gentle spirit of subdued fun, and yet without being comic. Mr. McCarthy has not only the art of giving his narrative sparkle with happy hits, and yet without the more modest bulk of his story. There are some passages criticised severely, that it is refreshing to come to a work so praised.'—*Saturday Review*.

'Of modern historians, Mr. Justin McCarthy is among the most successful. His rise was sudden. Known in literature as a successful novelist, till the appearance of his first two volumes on the reign of Victoria obtained rank as a more serious writer. His History at once took the world by storm. The buoyancy of his narrative, his powers of precise description, his epigrammatic judgment of character, his lucid array of facts, and the clear, fresh manner in which he dealt with his story, his opinions, charmed alike the philosophical student as well as the general reader. . . . The end is as good as the beginning; there is no nothing to tempt invidious criticism. . . . Mr. McCarthy's History is finished, and we have no hesitation in saying that it is one of the best that the latter part of this century has produced. It is written with accuracy is not sacrificed for effect; it is lively without flippancy, and on occasion calls for sobriety of judgment the author can be judicious without being dull.'—*Observer*.

'We have read the volumes throughout with unflagging interest, and received from their pages an amount of pleasure equal to the enjoyment from the perusal of one of Mr. McCarthy's most stirring and useful works.'—*Morning Post*.

'Happier than many historians who have marked out for themselves a path of labour and difficulty, Mr. McCarthy has completed his "History of our Times" within the limits originally intended, and certainly without any unreasonable delay. In the two solid volumes, which form the second and concluding portion of the work, he tells the story of our national life for the last twenty-four years. . . . If the duty which he has imposed on himself has, of necessity, become more delicate as the course of the narrative has proceeded more and more within the heated atmosphere of contemporary events, the historian has found his recompense in the higher opportunities for exhibiting the tact and judgment conspicuous in his former works. The wide and genuine popularity of his History is a circumstance perfectly parallel in the case of works of its class.'—*Daily News*.

HISTORY OF OUR OWN T

By JUSTIN McCARTHY, M.P.

'Mr. McCarthy is temperate, reasonable, and judicious; he is eminently entertaining, and his power of entertaining his reader He never seems to be exhausted, and his fourth volume is perhaps the set. To say that this work is as pleasant and attractive to read is to pay a great compliment to novels. Almost every page has in it that is good because it is at once unexpected and yet not forced upon the reader. It is pervaded with a gentle spirit of subdued fun, and yet it is never comic. Mr. McCarthy has not only the art of story-telling, but a narrative sparkle with happy hits, and yet these happy hits do not increase the more modest bulk of his story. There are so many bad books written severely, that it is refreshing to come across a book which is praised.'—*Saturday Review*.

'Of modern historians, Mr. Justin McCarthy is among the first. His rise was sudden. Known in literature as a successful novelist till the appearance of his first two volumes on the reign of Vic obtained rank as a more serious writer. His History at once took the world by storm. The buoyancy of his narrative, his powers of description, his epigrammatic judgment of character, his lucid arrangement of facts, and the clear, fresh manner in which he dealt with his subjects, his opinions, charmed alike the philosophical student as well as the general reader. . . . The end is as good as the beginning; there is nothing to tempt invidious criticism. . . . Mr. McCarthy's History is finished, and we have no hesitation in saying that it is one of the best that the latter part of this century has produced. It is written with accuracy is not sacrificed for effect; it is lively without flippancy, and on occasion calls for sobriety of judgment the author can be judicial and opinionated, and thoughtful without being dull.'—*Observer*.

'We have read the volumes throughout with unflagging interest received from their pages an amount of pleasure equal to the enjoyment from the perusal of one of Mr. McCarthy's most stirring and useful works. Mr. McCarthy has written, in a popular and effective style, an extremely useful work.'—*Morning Post*.

'Happier than many historians who have marked out for themselves a life of labour and difficulty, Mr. McCarthy has completed his "History of the Times" within the limits originally intended, and certainly with a reasonable delay. In the two solid volumes, which form the second concluding portion of the work, he tells the story of our national life from the last twenty-four years. . . . If the duty which he has imposed upon himself has, of necessity, become more delicate as the course of the narrative has gone on, and more within the heated atmosphere of contemporary events, the historian has found his recompense in the higher opportunities afforded for exhibiting the tact and judgment conspicuous in his former volumes, and the genuine popularity of his History is a circumstance perfectly parallel in the case of works of its class.'—*Daily News*.
