Under Rule 16 of the Devolution Rules the Governor-General in Council, with the previous sanction of the Secretary of State in Council, issued Treasury Orders in the Government of India, Finance Department, Resolution No. 116-A dated the 9th February 1922 and Appendix A thereto was revised by Government of India, Finance Department, Endorsement No. D. 5780-F dated the 3rd August 1933. These Treasury Orders prescribe the procedure for the payment of moneys into, and the withdrawal, transfer and disbursement of moneys from the public account and for the custody of moneys standing in the public account. Under the powers vested in the Local Governments by some of the Treasury Orders, Subsidiary Rules have been framed by this Government, with the approval of the Government of India and the Auditor General where necessary. The Treasury Orders have been reproduced in this Manual for convenience of reference, and the subsidiary rules framed by the Government of Bombay have been printed below each Treasury Order. These subsidiary rules include many of the existing detailed rules in the Civil, Public Works, and Forest Account Codes. The explanatory memorandum inserted at the end of this volume indicates the particular rules or authority on which each subsidiary rule is based. Forms and other Schedules relevant to the rules taken from the existing codes referred to above have been included in a separate "Subsidiary Rules" series for the use of the Government officers concerned.

2. The Subsidiary Rules came into force with effect from 1st August 1926.

3. This edition embodies the orders of Government issued up to 7th August 1934. The Accountant General, the Treasury Officers and other Government servants dealing with the custody, payment, disbursement and transfer of public money are requested to bring to the notice of the Finance Department any omissions or inaccuracies in these rules.
