SOCIAL ENGLAND

VOLUME III. OF
SOCIAL ENGLAND

CONTAINS

FROM THE ACCESSION OF HENRY VIII. TO THE DEATH
OF ELIZABETH.

"The history of social England is a stupendous undertaking, and Mr. Traill has realised his heavy responsibilities. Few men are better fitted to edit a work so comprehensive and exhaustive, for his knowledge is exceptionally wide and his intellect is singularly lucid. . . . Naturally it was an important question how so complicated a theme was to be treated: Mr. Traill has decided—as we think, wisely, for what may be defined as an encyclopaedical social history. There is methodical classification, with a distribution of the subjects among writers whom we may assume to be specialists."—*The Times*.

"The utility of such a work is obvious, its interest to all cultivated people enormous, and the scale on which the book is to be written, adequate."—*The Speaker*.

"Mr. Traill has, so far as we can judge from this first instalment of his SOCIAL ENGLAND, on the whole been fortunate in procuring the services of a competent band of contributors."—*Saturday Review*.

"SOCIAL ENGLAND is so admirably planned; the experts having charge of several departments are such masters of their subject; it is so excellently prefaced by Mr. Traill, that for a moment the boundary line between an encyclopaedia and a history seems illusory, and in this case illuded."—*National Observer*.

VOLUME V.

WILL CONTAIN

FROM THE ACCESSION OF GEORGE I. TO THE BATTLE
OF WATERLOO.
