TABLE OF CONTENTS

CHAPTER I

GENERAL SURVEY

Introduction. Normal conditions in an Indian village. Subsidiary employment for agriculturists. Industrial organisation of a village. Urban hand industries. Rise of modern industrial conditions: comparison with England. State efforts for industrialisation. Development of Railways. Growth of Towns. Interaction of Industrialisation and improved agriculture. Causes of migration of Labour from Agriculture to Industries. Other avenues of employment. Growth of Factories and Mines.

CHAPTER II

COURSE OF THE INDUSTRIAL REVOLUTION IN INDIA

Causes of slow development of India as compared with England. Growth of Power Industries. Development of coal and iron mines. Resultant changes in export trade. Growth of Towns. Effects of Industrial Revolution (a) on Rural Life; (b) on Agriculture; (c) on hand industries. General, social and intellectual effects.

CHAPTER III

THE SOURCES OF LABOUR SUPPLY

Introductory, I. Bengal: Geographical features; Typical villages; Principal castes; Village occupations; Extent of rural industries; Rigours of caste Government. Trade Guilds. II. Bombay. III. Bihar and Orissa. IV. United Provinces. V. Madras. VI. Central Provinces. VII. Punjab and Assam.

CHAPTER IV

THE DEMAND FOR LABOUR

The scope of the chapter. I. Bengal: Principal organised industries. Districts which supply the Labour. Causes of the scarcity of local labour. Proportion of different castes employed in coal mines, jute mills and tea gardens. II. Bombay; III. Bihar and Orissa; IV. United Provinces; V. Madras; VI. Central Provinces; VII. Assam; VIII. Punjab.

CHAPTER V

CONDITIONS OF EMPLOYMENT

Introductory. Effects of Industrial Revolution in England. Measures to counteract effects. Effects of Industrialisation in India. Comparison between conditions in England and India. Detailed study of conditions of employment in (a) Bombay, (b) Bengal, (c) Cawnpore, (d) Nagpur, (e) Conditions in organised industries other than factories: (a) coals (b) Tea estates.

CHAPTER VI

AMELIORATIVE MEASURES

Introductory. A. State Action:—Factory Legislation; International Labour Conference, 1919; probable trend of future Legislation. Recommendations of International Labour Conference, 1921. Factory Insurance. Mines Legislation. Workmen's Compensation. Proposed Legislation (1) Trade Unions, for (2) Arbitration and Conciliation. Reports of London and Bombay Committees on Industrial Disputes. Public Health Administration. Education. Housing. B. Action by Employers. Intra-mural and extra-mural welfare activities. C. Action by Labour; Formation of Unions. D. Action by Social Agencies. Conclusion.

Tabular Statement Showing Growth of Cotton Trade and Exports to Foreign Countries

INDEX

A

Accidents, and compensation, 167-169, 182; and need of ambulance rooms in factories, 20, 160; inquiry into, 161, 168; treatment of, 182.

See also Workmen's Compensation.

Adults, hours of work limited in factories, 158.

Agra, conditions of land-tenure in, 89.

Agricultural areas, and congestion, 13.

Agricultural implements, import of, 9, 32.

Agricultural labourers, and Conference at Geneva, 161; and factory-life, 116; and subsidiary employments, 3, 4; causes of migration of, 12-15, 89; causes of mobility of, in Madras, 92; conditions of work of, 161.

See also Labourers.

Agricultural machinery, and small holdings, 13; import of, 9, 32.

Agriculture, and industrialisation, 12; and Industrial Revolution, 30-32; and irrigation, 12; and unemployment in India, 110; in—(a) Bengal, 42, (b) Bihar and Orissa, 52, (c) Bombay Presidency, 47, 81, (d) Central Provinces, 95, (e) Madras, 62, 63, (f) Punjab, 99, (g) United Provinces, 57; migration from, 12, 13.

See also Departments of Agriculture.

Ahmedabad, demand for labour in, 79; industrial importance of, 78; labour-supply of, 83, 84; pro-

portion between the sexes in, 84; prosecutions taken up in, 126; reduction of wages in, 169; Unions in, 189, 190; wages paid in textile factories in, 123, 124.

Aluminium industry, fostered by State in Madras, 8.

Ameliorative Measures; *see* Chapter VI, 153-199.

Amenities of life, absence of, in coal-fields, 147, 148; and tea-garden estates, 150; provided by employers in India, 184; provided for factory workers in Madras, 141.

Anderson, Dame Adelaide Mary, 163a.

Arbitration and conciliation, proposed legislation for, in India, 170.

See also Industrial Unrest and Industrial Disputes.

Art, industries connected with, 5, 85.

Artisans, castes of, in—(a) Bengal, 41, 42, (b) Bihar and Orissa, 54, (c) Bombay, 47, (d) Central Provinces, 66, (e) Madras, 63, (f) United Provinces, 58; villages, 4.

Assam, conditions in tea-gardens in, 148-150; labour in, 68; labour laws in, 98; need for imported labour in, 97; numbers industrially employed in, 97; tea-garden estates in, 97.

Assam Labour Inquiry Committee, opinion of, in relation to Workmen's Breach of Contract, 174; report of, 98, 148.

Azamgarh, 56, 57.

B

Barnes, Dr, 120, 127.

Benares, 5.

- Bengal, castes employed in:—(a) jute-mills in, 77, 78, (b) mines in, 75, (c) tea-gardens in, 77; causes of scarcity of local labour in, 71; death rate in, 109; defective system of education in, 73; demand for agricultural labour in, 73; demand for good conditions of employment in, 74; dependence upon income from land in, 71; inquiry by Dr. Curjel into working conditions for women in, 159; extent of rural industries in, 43; geographical features of, 39-40; labour-supply in, 71-78; laxity of joint-family system in, 73; numbers industrially employed in, 128; organized industries in, 70, 128; population of, 39; proportion of different castes employed in coal, jute and tea in, 76; ravages of malaria in, 73; rigours of caste-government in, 43; Table showing birthplace of workers in, 72; Table showing caste or race of workers in, 76; Trade-Guilds in, 45; Trade Unions in, 190; typical villages in, 40; village occupations in, 42, 43.
- Bihar and Orissa, caste-government in, 55; causes of migration from, 85; geographical features of, 52; local supply of labour in, 85; organized industries in, 84, 85; principal castes in, 53; proportion of castes in different industries in, 87; supply of labour in coal and iron industries in, 85; Table showing birthplace of workers in, 86; typical villages of, 53; village occupations in, 54.
- Blacksmiths, in:—(a) Bengal, 42, (b) Central Provinces, 97, (c) United Provinces, 58.
- Blunt, R. A. H., 6.
- Bombay, caste-customs in, 48, 49, 50; comparison of conditions in Bengal and in, 79; death rate in, 109, 121; different streams of immigration to, 79; districts which supply labour in, 79; extent of migration to, 79; extent of rural industries in, 72; factory population of, 79; geographical features of, 46; local distribution of organized industries in, 78; organized industries in, 78, 117; principal castes of, 47-50; proportion of different castes among workers in, 82; sources of labour-supply for, 79-81; Table showing birthplace of workers in Province of, 80; Table showing religions and castes of workers in Province of, 82; Trade Unions in, 190; typical caste-customs in, 48-50; typical villages in, 47; village occupations in, 48.
- Bombay City, arrangements for meals in mills in, 127; causes of instability of labour in, 83, 121, 123; comparison with London, 118; death rate in, 121; description of work in textile factories in, 123; disparity between the sexes in, 11, 83; drainage system of, 119; effect of over-crowding in, 119; employment of women and children in, 124; inquiry by Dr. Barnes into conditions in, 120; growth of, 10, 27, 118; housing conditions in 108, 118; industries of, 78, 117; labour-supply of, 83, 123; measures for improvement of, 11, 121; number of persons per acre in, 108, 118; rate of infantile mortality in, 109, 119, 121; situation of factories and mills in, 121; Trade Unions in, 190; wages in textile factories in, 123, 124.
- Bombay Factory Commission, appointed in 1875, 154.
- Bombay Presidency Workmen's Council, 194.
- Burma, emigrants to, from Madras, 92.

C

- Calcutta, average death rate in, 130; disparity between the sexes in, 11, 129; growth of, 10, 27; health conditions in, 130; housing conditions in, 108; immigrants in, 74, 129; industries in, 40, 70, 128; measures for improvement of, 11; numbers industrially employed in, 128; population of, 10, 129; rate of female mortality in, 130; rate of infantile mortality in, 109, 130.
- Caste, customs in Bombay, 48-51; government in Bengal, 43-45; government in Bihar and Orissa, 55; government in Madras, 64; importance in village of, 28.
- Caste-panchayat, definition of, 38, 44; powers of, in the United provinces, 60, 61.
- Castes, employed in organised industries in:—(a) Bengal, 75, 76, 77, 78, (b) Bihar and Orissa, 87, (c) Bombay, 81, (d) Central Provinces, 96, 97, (e) Madras, 94, (f) Punjab, 99, (g) United Provinces, 90; principal, in Bengal, 41, 42; principal, in Bihar and Orissa, 53; principal, in Bombay, 47; principal, in Central Provinces and Berar, 66; principal, in Madras, 62, 63; principal, in United Provinces, 57, 58.
- See also* Tables, and Blacksmiths, Cultivators, Graziers, Leather-workers, Oil-pressers, Priests, Tribes, Weavers.
- Cawnpore, compensation for accidents of factory employees in, 182; factory workers in, 90; growth of, 10, 27; housing conditions in, 109, 139, 184; medical aid for factory employees in, 182; provident and pension funds for factory employees in, 183, 184; provision of education for factory employees in, 186; Welfare Superintendents in, 139, 140.
- Central Provinces and Berar, castes in organized industries in, 96, 97; distribution of industries in, 96; geographical features of, 64, 65; migrants to, 96; organized industries in, 95, 96; principal castes of, 66; rural occupations and industries in, 66, 67; sources of labour-supply in, 96.
- Ceylon, South Indian labourers in, 92.
- Chatterjee, A. C., 33, 58.
- Chatterton, Sir Alfred, 63, 64.
- Children, accidents to, in factories, 137; age of employment of, in factories, 154, 156, 157, 158; crèches for, 183; disadvantages arising from employment of, 125, 126; employment of, in Bengal Jute Mills, 133, 136, 137; employment of, in Bombay textile factories, 122, 124, 125; hours of work of, restricted in factories, 155, 156, 158; need of further legislative protection for, 160; not allowed to work in Indian Mines, 165; presence in factories of small, 127.
- See also* Indian Factories Acts.
- Clow, A. G., 153.
- Coal-mines, amenities of life in, 147; and education of miners, 148; castes employed in Bengal, 75, 143, and Table on page 76; development of, 24; distinctive conditions in, 144; employment of women in, 147; housing arrangements in:—(a) Bengal, 145, (b) Bihar and Orissa, 146, (c) Central Provinces, 146; in Bengal, 40; in Central Provinces, 96; in Punjab, 99; labour supply of, in Bihar and Orissa, 85, 87; medical aid in, 147; prohibition of employment of children in, 165: Table showing

- birthplace of miners in Bihar and Orissa, 86.
- Coffee plantations, in Madras, 92.
- Colleges, for agriculture, 32.
- Commission, appointed to consider working of factories in the Bombay Presidency in 1884, 155, 167; appointment in 1890 of Indian Factory, 155; appointment in 1908 of Indian Factory Labour, 156; Bombay Factory, of 1875, 154; Indian Famine, 7; Indian Fiscal, 8; Indian Industrial, 7, 8, 12, 21, 33, 164.
- Committee, appointment in Bombay of Technical and Industrial, 178; appointment in 1884 of a Medical, 155; appointment in 1908 of Textile Factories Labour, 156; Assam Labour Inquiry, 148-150, 174; Indian Sugar, 31; on Industrial Disputes in Bombay, 112, 170, 171, 172; on Industrial Unrest in Bengal, 170, 171, 172; Whitley, 196.
- Conciliation Court, formation of, 171.
- Co-operative Societies, for industrial workers, 176, 185, 198; in Jamshedpur, 185; managed by Social Agencies in India, 193, 194.
- Co-operative Stores, for industrial workers, 175, 176.
- Cotton, acreage of, in India, 80; export of, from India, 9; import of manufactured, 8; in Gujarat, 46; production of, in India, 6; research, 31.
- Cotton, C. W. R., 63, 64.
- Cotton-ginning and pressing mills, employment of women and children in, 124; in Madras, 91; in Punjab, 98; in the United Provinces, 58, 88.
- Cotton industry, centred in Bombay, 117; growth of, 22, 23; hampered by slow development of coal and iron, 6.
See also Table I in Appendix.
- Cotton mills, comparative cost of erection of, 23; dispensaries in, 20; employment of women in, 124; in Bombay, 69, 121; in United Provinces, 88, 90; scarcity of, in Bengal, 128.
See also Textile Factories and Textile Industries.
- Cotton spinning, by hand and attempts at improvement, 3, 33; in Bihar and Orissa, 54; in Bombay, 48; in United Provinces, 59.
- Cotton weaving, by hand, 3, 33; in Bihar and Orissa, 54; in Bombay, 48; in Madras, 64; in United Provinces, 59.
- Crèches, for factory children, 183.
- Crops, area devoted to, 30; improved varieties of, 12, 31; shifting of, 30.
- Cultivators, castes of, in:—(a) Bengal, 41, (b) Bihar and Orissa, 53, 54, (c) Bombay, 47, (d) Central Provinces, 66, (e) Madras, 63, (f) United Provinces, 58; in Bombay factories 81, 82; of Bihar and Orissa, 87; of United Provinces, 90; of Madras, 95.
See also Traditional Occupations.
