

Report
OF THE
INDUSTRIAL SURVEY COMMITTEE
Part II - Vol. I

(Govt. of the Central Provinces and Berar)

IMPORTANT INFORMATION

REPORT OF THE INDUSTRIAL SURVEY COMMITTEE

PART I—VOLUME 1

This volume discusses the considerations that underlie this survey and report in regard to the functions of the State, taxes and expenditure, capital and labour wealth, money and barter economics, etc. It reviews the work done by the Department of Industries since its establishment and makes certain recommendations for the reorganization of the department. It contains the results of a survey of 606 villages and the suggestions made to the Government to encourage about 30 village and cottage industries.

[Pages 50—Price Re. 0-8-0]

PART I—VOLUME 2

This volume contains the survey reports of Wardha and Balaghat districts and notes on 24 village and cottage industries.

[Pages 186—Price Re. 1]

PART II—VOLUME 1

This volume discusses the possibilities of exploiting Forest, Mineral and Power resources of the Province and recommends the reorganisation of the departments.

[Pages 45—Price Re. 0-8-0]

PART II—VOLUME 2

(Under preparation)

This volume contains selected portions of the findings of the sub-committees and others on Forest Mineral and Power resources, and Transport, Taxation and Marketing.

All these Reports
are printed on hand-made paper
