PREFACE.

THIS monograph has been written in accordance with G. O. no. 2021 of 1908. The books to which I am indebted will be sufficiently obvious from the text. I have made local enquiries in Benares, Agra Lucknow and Bareilly. I take this opportunity of thanking Messrs. Girdhar and Hari Das of Benares for much valuable help: also M. Chandrana Prasad of Benares and B. Davindra Nath, Librarian of the Carmichael Library, Benares. These gentlemen made my work much lighter by the readiness with which they put their knowledge at my disposal. The photographs have been taken by a photographer of the Government Press, Allahabad.
