PREFATORY NOTE

This volume contains the Proceedings of the President and Council of Fort St. George for the year 1720, comprised in the fifty-first volume of the series "Diary and Consultation Books." As a few pages at the end of the original volume here are torn, the India Office had the kindness to supply the typescripts of these pages.

The original volume has been mended and is in a fair state of preservation, and the typescripts received from the India Office have been incorporated into it.

EGMORE,
15th April 1930.

P. MACQUEEN,
Curator, Madras Record Office.
