Such attendance should be encouraged generally</p> <p>Increase of English classes in tehseelee schools in the North-Western Provinces</p> <p>Increase of hulkabundee schools in the North-Western Provinces. Report showing in detail the actual operation of the system and the collection of funds called for</p> <p>Extension of female schools in the North-Western Provinces. Attendance in some cases of female scholars at the hulkabundee schools. Thakoor Kalyan Singh's exertions favourably noticed... ..</p> <p>Question of exacting an educational test from all candidates for public employment</p> <p>Encouragement of the study of Sanscrit in the Benares College</p>	183

No. of the Series.	No.	Date of the Despatch.	SUBJECT.	Page.
LII	7	16th March 1864	Scheme of education for the Central Provinces. Educational cess should not be charged with the expense of training masters for any but village schools. A Government school of a grade superior to the zillah schools not required at Nagpore, as there is a good missionary school there, which will be aided by Government. Tehseelee schools. General controlling establishment. Plan of entrusting to the civil officers of the districts the duty of organizing and managing the schools within their respective jurisdictions	186
LIII	8	16th March 1864	Scheme of education for Oudh Appropriation of the one per cent. cess, and the source from which funds should be provided for the maintenance of tehseelee schools. Funds raised under the Municipal Act cannot be applied to municipal purposes, but the power of self-assessment may be conferred by legislation on those towns the inhabitants of which may wish to establish schools therein	188
LIV	10	24th March 1864	Irregularity committed by the Director of Public Instruction in the Punjab, in advertising in the <i>London Times</i> for candidates for employment in the Educational Department. No engagements should be made with individuals in England for entering the public service in India except through the medium of the Home authorities	190
LV	13	25th April 1864	Offers by certain Native gentlemen at Bombay to endow Fellowships in memory of the late Franjee Cowasjee and of Lord Canning, conditionally on corresponding endowments being made by the State. The condition declined, on the ground that such an application of State funds would be a diversion from the more legitimate object of promoting the education of the masses, and would not therefore be in accordance with the principles by which the expenditure of the State upon education is governed	191
LVI	14	16th May 1864	Schooling fees may be recognized as forming part of the private contributions entitling a school to a grant-in-aid from Government.	193
LVII	16	24th June 1864	Extension of the circle school system in the south-east Educational Division of Bengal. Extension of education in the Cossyah Hills carried on by the Welsh Mission at Cherra Poonjee. Language in which instruction is to be conveyed	194

No. of the Series.	No.	Date of the Despatch.	SUBJECT.	Page.
LVII,— (continued.)	16	24th June 1864	Application for grants-in-aid of certain vernacular and anglo-vernacular schools established by the Free Church of Scotland in the district of Hooghly	194
LVIII	20	15th Aug. 1864	Proposal for raising the Delhi and Lahore zillah schools to the status of colleges ... Proposed addition of a superior head master to the establishment of three of the existing normal schools in the Punjab. Orders repeated that the expense of training masters for any but village schools must not be borne by local educational funds ...	196
LIX	22	31st Oct. 1864	Female education in the Punjab. Spontaneous efforts made by Baba Khem Singh and other Chiefs and Natives to establish female schools	197
LX	23	7th Nov. 1864	Abolition of the Civil Engineering College at Calcutta as a separate institution, and the training of Civil Engineers in the Presidency College	198
LXI	2	17th Feb. 1865	North-Western Provinces' Report for 1863-64. Satisfactory progress of education. Anglo-vernacular schools and English classes in tehslee schools. Female education. Alleged reluctance of Government offices to employ youths educated in the Government Colleges. Introduction of a compulsory educational test as a qualification for public employment considered unnecessary...	199
LXII	42	24th July 1865	Raising of the educational cess in the Central Provinces to one per cent. on the gross rental, or two per cent. on the Government jumma	201
LXIII	7	31st July 1865	Measures for the promotion of education in British Burmah on an extended and systematic plan	202
LXIV	8	31st July 1865	Scheme of education for the Hyderabad Assigned Districts. Combination of the offices of Director of Public Instruction and Principal of the Berar School. Introduction of the grant-in-aid system recommended	203
