(1) Number of estates under management.

Northern Division.—At the beginning of the year under report, there were one large and 28 small estates under management. Five estates in Ahmedabad and two in Kaira were released from management on the minors' attaining majority. One estate in Kaira and two in Broach were taken under management and the year thus closed with one large and twenty-four small estates under management. The accounts of the two estates in Broach which were taken under management during the year have been excluded, while those of the two estates (one in Ahmedabad and the other in Kaira) released from management at the close of the year have been included in the statements accompanying the report.

Central Division.—At the beginning of the year there were 18 small estates under management—2 in each of the districts of East Khandesh, Ahmednagar and Sholapur, 4 in Nasik and 8 in West Khandesh. One estate in the Sholapur District was added while 6 estates—2 in each of the districts of East Khandesh and West Khandesh and 1 in each of the districts of Sholapur and Nasik—were released from management during the year on account of the minors having attained their majority. Thus the total number of estates under management at the close of the year was 13, the statistical information regarding which is given in the accompanying 3 statements.

The estate of the minor Giram in Sholapur District was released from management in December last but the moveable property of the estate is still in charge of the Collector. Giram died in February last and as it is likely that the estate would be mismanaged by his widow the Collector has requested the District Judge to take steps under Section 5 (b) of the Court of Wards Act.

The Collector of Ahmednagar was appointed by the District Judge guardian of the property of Mr. Katdhare, late Head Karkun in that district. As all the immoveable property lies in the districts of Ratnagiri, and Kolaba and as the Collector could not manage it properly he applied to the District Judge who discharged the Collector from guardianship of the property under Section 40 of the Guardians and Wards Act (*vide* Government Order No. 1154, Revenue Department, dated 22nd April 1921).

Southern Division.—Two estates were released and four added during the year. The number of estates at the close of the year was thus 31 as against 29.

(2) Income.

Northern Division.—The total gross income of the estates during the year amounted to Rs. 32,011 as against 55,614 during the preceding year. The decrease of Rs. 23,603 is mainly due to scarcity conditions necessitating the grant of suspensions of land revenue demand. The gross income includes petty loans borrowed by the estate holders for maintenance and in one case it includes recoveries of debts.

Central Division.—The gross income of the estates amounted to Rs. 4,837 as against Rs. 37,285 in the preceding year. The decrease is due partly to the release of the 6 estates and partly to the postponement of the recovery of rents owing to the unfavourable season.

Southern Division.—The gross income fell from Rs. 84,862 to Rs. 75,577. The decrease was partly due to the release of the Shintre estate of Belgaum and partly to the bad season.

(3) Expenditure.

Northern Division.—The total gross expenditure of the estates under management amounted to Rs. 33,491 as against 43,306 during the preceding year. The decrease is partly due to the curtailment of unusual expenditure and partly to the suspension of Government dues during the year on account of scarcity conditions. Rs. 3,793 were paid towards the liquidation of private debts.

In the Kaira District, the expenditure shows an increase of Rs. 787 over the previous year's figure. The following were the items of special expenditure during the year.

Name of estate.	Amount spent.	Object of expenditure.
	Rs.	
Kalu estate ..	1,167	Purchase of lands for the Kalu estate.
Anand estate ..	1,150	Repairs to buildings and the building of a Dalkhali.
Mahudha estate ..	700	Pregnancy ceremony of the Mahudha Minor's wife.
Piplao and Mahudha estates ..	850	Litigation expenses.
Piplao and Lindora estates ..	605	Repayment of debts.

In the Broach District Rs. 1,500 were given for the after-death ceremonies of the grandmother of the Amod minors and Rs. 400 were invested in the Bombay Development Loan. Steps will be taken to invest the surplus balances of the Vedach, Bakrol, Khojbal, Tavra and Palej estates.

Central Division.—The gross expenditure fell from Rs. 22,197 to 7,276. The decrease is mainly attributed to release of 6 estates from management during the year.

Southern Division.—The total gross expenditure fell from Rs. 62,555 to Rs. 60,184. If the amounts invested this year and the year previous are excluded from the figures of expenditure, there is a net increase of Rs. 10,000 which is due to the increased cost of maintenance and improvements to the buildings in Belgaum.

(4) Collection of estates' dues.

Northern Division.—Out of the total rental demand of Rs. 41,571, Rs. 18,411 were collected and Rs. 313 were written off, leaving a balance of Rs. 22,847 for collection during future years (Rs. 15,669 for the current and Rs. 7,178 for previous years). The balance chiefly consists of suspension of rent granted to cultivators of estates on account of the failure of the rains. In the Broach District, the total demand of Rs. 7,465 consists of rent of lands and houses and shows a decrease of Rs. 2,641 over the previous year figure. The decrease is mainly due to the fact that in the previous year there were large arrears of former years to be collected which were reduced during the course of that year. In the year under report there were small arrears to collect. The demand for the current year also was reduced on account of the unfavourable nature of the season and fall in the price of cotton.

Central Division.—The unfavourable nature of the season made it difficult to collect the rental demand.

The total demand was Rs. 9,717 of which Rs. 3,197 were recovered and arrears to the extent of Rs. 20 were written off, leaving a balance of Rs. 6,500.

Southern Division.—Out of a total rental demand of Rs. 75,469, Rs. 52,974 or 70.2 per cent. was collected as against 87.9 per cent. during the preceding year and Rs. 1,762 written off, leaving a balance of Rs. 20,733. Rs. 8,850 out of this balance pertains to the Hebli estate of Dharwar where the crops were bad for three successive years including the year under report. Steps are in progress for the

recovery of this amount. The collection suffered also in Belgaum and Bijapur on account of famine as a result of which suspensions were granted in several cases. Recourse to Revenue Courts was as usual necessary for the recovery of rent in Kanara and Kolaba. The arrears in Kolaba also are large for the recovery of which the Collector is taking special steps.

(5) Government revenue, cesses and rates.

Northern Division.—All Government dues ordered to be paid according to the anna valuation were paid up in full during the year under report.

Central Division.—Amounts due to Government have been paid except in the case of assessments suspended owing to failure of crops.

Southern Division.—Suspensions were granted in Bijapur and in case of some estates in Belgaum on account of the failure of crops.

(6) Cost of management.

Northern Division.—The total cost of management of all the estates amounted to Rs. 2,703 or 8·4 per cent. of the total gross income as against 2,252 or 4·05 per cent. during the previous year. The increase in the percentage is due to reduced income of estates on account of scarcity conditions.

In the Kaira District the cost of management shows an increase of Rs. 596 over the previous year's figure which is explained as under :—

(a) Increase in the pay of the establishment.

(b) Recovery of the previous year's management charges in case of Piplao, Lindora and other estates.

Central Division.—Only two estates—Deshmukh of Akluj and Mohonlal of Malegaon in Sholapur and Nasik districts respectively—paid towards the cost of their management. The management of the rest was conducted departmentally through the Mamlatdars of the respective talukas.

Southern Division.—The total cost of management amounted to Rs. 6,704 or 8·8 per cent. of the total gross income as against Rs. 4,849 or 5·7 per cent. in the preceding year. The incidence of cost was high in Ghongdi (50·52), Sanikop (12·60), Belvdi (17·96) and Mutalik (14·32) in Belgaum and in Hebli (13·24) in Dharwar, owing partly to the fall in revenue due to the failure of crops and partly to the increase in the cost of maintenance. The abnormal rise in Ghongdi is also due to the fact that an item of Rs. 170-13-6 was wrongly debited to the estate. This item has subsequently been transferred to the proper estate. The percentage of cost for this estate is therefore really about 41.

(7) Advances to cultivators.

No advances were made during the year to the tenants by any of the estates.

(8) Special scheme for management.

Northern Division.—One estate in Ahmedabad was given on lease while the rest were managed departmentally.

Central and Southern Divisions.—No special scheme was framed or undertaken.

(9) Maintenance and education of minors.

Northern Division.—The total expenditure under this head amounted to Rs. 8,705 as against 10,679 during the previous year.

The number of minors of school going age was 25 (1 in Ahmedabad, 11 in Kaira and 13 in Broach) as against 18 in the previous year. Of these only 17 (1 in Ahmedabad, 8 in Kaira and 8 in Broach) attend schools. Of the 17 minors referred to above one resides in the Talukdari Hostel at Nadiad, 1 is attending the Baroda

College and is in the Previous Class and 15 attend local English or vernacular schools. A special tutor continues to be engaged for the two Amod minors.

On the whole the progress in this direction seems to be satisfactory.

Central Division.—All reasonable demands for the maintenance of the wards and their relatives dependent on them continued to be satisfied.

The minor Pawar in the Sholapur District is the son of Subhedar Sakharam, who died on field service. On the recommendation of the Collector, Government sanctioned a family pension of Rs. 20 per mensem till the minor attains majority.

All the 13 minors are of school going age. Two are attending English schools, 5 are receiving education in local vernacular schools, one is learning commercial business and the rest do not attend any school.

Southern Division.—One of the Ghongdi wards of Belgaum was sent back to Athni, as the climate of Belgaum did not agree with him. He is now reading in the Athni English School. The Kodni ward has left school and gone home in spite of all attempts to induce him to resume his studies. The remaining wards in Belgaum are reported to be doing well.

Out of the 13 wards in Dharwar 2 are attending English schools, 8 are in Vernacular schools and 3 have left school. There was a slight increase in the maintenance allowance of the wards owing to high prices.

The Bijapur ward is attending the primary school at Jamkhandi where he is living with his mother-in-law. A monthly allowance of Rs. 25 is paid for his maintenance and that of his wife.

The Honkeri ward in Kanara is reading in the Kumta primary school. His progress is reported to be moderate.

Of the two wards in Kolaba, one was maintained by his guardian relative at her own cost. A sum of Rs. 25 per month is paid for the maintenance and education of the other, who is attending the primary school at Panvel.

(10) Repayment of debt and existing liabilities.

Northern Division.—The debts due by the estates on the assumption of management amounted to Rs. 1,31,355 which by the commencement of the year under report were reduced to Rs. 62,636. In Kaira, the total liabilities of all the estates with the exception of the Piplao estate amounted to Rs. 2,737 at the close of the previous year. The debts of the Piplao estate were settled during the year. These debts amounted to Rs. 19,975 which when added to the sum of Rs. 2,737 referred to above brings the total liabilities of the estates in that district to Rs. 22,712.

The amount of additional debt incurred during the year is shown at Rs. 10,015. This includes the figures of land revenue due to Government suspended during the year. The total liabilities thus rose to Rs. 72,651. Claims amounting to Rs. 134 were rejected by Civil Court and those amounting to Rs. 982 were remitted by creditors and Rs. 3,793 were paid from the current income. The total liabilities at the end of the year thus stood at Rs. 67,742. Looking to the unfavourable condition of the season the liquidation of debts was satisfactory.

Central Division.—Only two estates—Marwadi and Renukabai—in the Nasik District are in debt. The aggregate debt due at the beginning of the year was Rs. 4,314. No fresh debt was incurred, but interest amounting to Rs. 218 was added to it. Rs. 615 were paid by the Marwadi estate in repayment, but nothing was paid by the Renukabai estate owing to scarcity.

Southern Division.—The total repayment of debt amounted to Rs. 3,643 as against Rs. 1,700.

Four out of the 19 estates in Belgaum are in debt. The liabilities of one of these have not yet been ascertained.

The debt of the Shirkol Kulkarni estate of Dharwar has been reduced from Rs. 4,017 to Rs. 2,817. The Shirkol Patilki estate has a debt of Rs. 400 which will be paid off in the current year.

In Kolaba a suit for Rs. 500 has been filed against one of the minors, by a Marwadi, in the Small Causes Court, Poona, on account of some transaction in the time of the minor's grandfather. The Government Pleader, Poona, is conducting the suit on behalf of the minor and the result is expected to be favourable.

The estates in Bijapur and Kanara are free from debt.

(11) Litigation.

Northern Division.—The only suit in the Ahmedabad District which was pending at the beginning of the year was not decided during the year.

In the Kaira District one of the two appeals relating to the Mahudha estate was decided in favour of the minor and the other is still pending. Three suits were filed against the Piplao estate by the creditors of the estate. In two of these, decrees have been passed for payment of Rs. 3,000 on 1st September of each year and the third was compromised.

Central Division.—For the recovery of decretal amounts due to the estates darkhasts have been ordered to be filed on behalf of Zumberlal's estate in West Khandesh and a darkhast for Rs. 1,780 has already been filed on behalf of minor Dange.

Southern Division.—The Collector of Belgaum was concerned as plaintiff or defendant in six suits, of which three were decided in his favour leaving three pending at the close of the year.

The Hebli estate of Dharwar still continues under management, pending the result of the appeal filed in the Privy Council against the decision of the High Court.

(12) General Remarks.

Northern Division.—In the Kaira District there is an uninvested balance of Rs. 10,359. This amount is required for the payment of estates' dues and cannot therefore be invested.

The administration by Government agency of the minors' estates continued to be beneficial to the minors concerned.

Central Division.—The administration of the estates through local officers has been satisfactory.

Southern Division.—The management of the estates by the Collectors has been efficient and continues to be popular.

SIND.

J. L. RIEU, Esq., C.S.I., I.C.S., COMMISSIONER IN SIND.

Assumption and relinquishment of estates.—The year opened with 13 estates under management, to which one new estate in the Larkana District was added. As no estate was released, the total number of estates under management at the close of the year was 14.

In no case was the guardianship of the person of a minor with the Collector.

Income.—The total gross income of the estates was Rs. 1,578 as against Rs. 4,882 in the last year. The decrease is mainly due to the fact that the previous year's figures included Rs. 1,893 on account of receipts of sale-proceeds of unnecessary jewellery and surplus live-stock belonging to the minor in the Thar Parkar District and to the recovery of Rs. 896 awarded by Civil Court in a suit filed on behalf of an estate in the Larkana District. There were no such receipts in the year under report.

Expenditure.—The expenditure during the year amounted as under to Rs. 2,434 as against Rs. 2,336 in the preceeding year.

	Rs.
Government assessment	684
Maintenance	554
Marriage expenses	205
Suit expenses	404
Miscellaneous	587
Total ..	2,434

Management of immovable property.—Of the 14 estates under management 10 were leased, one was managed departmentally, one was managed by the minor who is grown up, one remained as before in charge of the minors' uncle who pays the Government assessment and maintains the minors from the income, and the remaining one consists of residential houses which have been leased on rent.

Management of moveable property.—The moveable property of all the wards excepting one in the Thar Parkar District continued in charge of their relations. That of the ward in the Thar Parkar District was as reported last year in charge of the sub-divisional officer.

Liabilities.—The liabilities of the estates under management at the beginning of the year amounted to Rs. 7,805 which are due by three estates in the Larkana District and one in the Sukkur District.

Owing to lack of funds nothing could be paid during the year under report.
