INTRODUCTION

This publication, which is brought out annually, contains a detailed analysis of Budget Provisions made by various States and Central Ministries for the development of education during 1983-84. As per the set pattern, Budget Estimates for 1983-84 also include the Revised Estimates of the previous year 1982-83 and Actual Expenditure of 1981-82 for various programmes of education being implemented in the States and at the Centre. The information contained in this publication has been compiled from Demands for Grants of the Central Ministries and the Budget Documents of the States and Union Territories as presented in the State Legislatures.

2. Besides giving all the details in respect of Plan and Non-Plan Expenditure budgeted for 1983-84 by the States and the Central Ministries for various sectors of Education, it also includes the expenditure incurred on Research and Training (Formal and Non-Formal) by various departments in the States and Central Ministries such as Department of Art & Culture, Agriculture, Health, Industry, Labour and Community Development etc. It, however, excludes that portion of budget provisions which relates to training facilities provided by the departments for its own employees for improving their professional skills or in-service training courses.

3. The total amount of budget provisions made for education by various Education Departments of State and the Central Ministry of Education & Culture worked out to be Rs.5229.28 crores on Revenue Account (Rs.4888.08 crores in State Sector and Rs.341.20 crores in the Central Sector) for the year 1983-84. This is more than the Revised Estimates for 1982-83 both in the States and Central Sectors as it should be the corresponding figures of Revised Estimates for 1982-83, was reported to be as Rs.4820.94 crores (Rs.4507.16 crores in the State Sector and Rs.313.78 crores in the Central Sector) as against the Actual Expenditure for 1981-82 of Rs.3790.11 crores (Rs.3549.37 crores in the State Sector and Rs.240.74 crores in the Central Sector).

4. The total budget provisions made for education for 1983-84 on Revenue Account by the State Education Departments and the Central Ministry of Education constituted 11.5% of the total budget provisions made on the Revenue Account in the States and at the Centre. The percentage of plan expenditure on this account worked out to be 6.9%. The corresponding figures for the previous years were 5.9% and 4.9% respectively.

5. Apart from the Revenue Account, Education Departments including Central Ministry of Education & Culture, also make some budget provision for capital works. The Budget Estimates on capital account (including loans) for 1983-84 accounted for only Rs.64.08 crores (Rs.58.90 crores in the State Sector and Rs.5.18 crores in the Central Sector) and it forms only 0.3% of the total budget provision of the country for 1983-84. If we add this expenditure on capital account to the Revenue Budget Estimates for education, then the total budget estimates for education for 1983-84 in respect of State Education Departments and the Central Ministry of Education worked out to be Rs.5293.36 crores and this constitutes 8.2% of the total budget estimates of the country.

6. Since departments other than departments of education in the States and the Ministries other than the Central Ministry of Education & Culture also incur some expenditure on education, it is desirable to add the budget estimates of these departments for education to get the total picture of public expenditure expended on education in the country. As compiled in the Statements annexed with this publication, the total budget provisions made by these departments in the States and at the Centre work out to be Rs.888.67 crores (Rs.328.57 crores on Plan side and Rs.560.10 crores on the Non-Plan side). If we add this expenditure to the budget provisions made by the education departments then the total budget provisions for education on Revenue Account work out to be Rs.6117.95 crores and this forms 13.4% of the total budget of the country in 1983-84 (24.0% in case of State Sector and 2.5% in case of the Central Sector). The percentage of the Plan expenditure on this account works out to be 10.3%.

In review of the overall composition of the budget estimates as distributed among various sub-sectors of education and between Plan and Non-Plan in respect of Central and State Sectors of education departments, following picture emerges:-

2. Note:- Percentage of All India in Col. Nos. (4, 5, 6 & 7) relates to States and Central Budgets (excluding Railway Budget).

It is observed from Table (23) that while total budgeted expenditure on Revenue Account of all India level during 1981-82 formed 23.5% of the total net national income, only 3.0% of the national income was provided in the budgets of the education departments, when the provision for education for all departments including education departments is taken into account this percentage works out to be 3.6%.

While making inter-State comparison, it is seen that percentage of budgeted expenditure of education departments to the net domestic product of the States varies from 1.9% lowest in case of Haryana to 10.9% highest in case of Manipur. Gujarat, Madhya Pradesh, Maharashtra, Punjab and Uttar Pradesh have provided less than the all India average percentage of 3.0%. The other States/Union Territories which have provided more than the All India average percentage are Assam 3.4%, Bihar 3.7%, Himachal Pradesh 6.0%, Jammu & Kashmir 4.6%, Karnataka 3.4%, Kerala 5.7%, Meghalaya 5.5%, Orissa 3.3%, Rajasthan 3.1%, Tamil Nadu 3.7%, Tripura 5.8%, West Bengal 3.3%, Arunachal Pradesh 5.3%, Delhi 3.3%, Goa, Daman & Diu 3.9% and Pondicherry 3.4%.

It can also be seen from this Table that while percentage of total educational expenditure to the total State budget is 21.0% in Haryana the percentage of education budget to the State income is only 2.8%. On the other hand in case of Manipur, percentage of education budget to the total State budget is 18.7% and the percentage provision for education to the total State income is 12.8%. It shows that though Government of Haryana and Manipur are providing almost equal in terms of their total budgets yet there is variation in terms of percentage provision for education to the State income. Similar variations are also observed in case of other States which can be glanced better from the table.

VI - BUDGETED EXPENDITURE ON EDUCATION (CAPITAL ACCOUNT)

This head accommodates the capital expenditure outside the Revenue Account and loans and advances for all States/Union Territories and at the centre. Capital expenditure and loans for education are quite meagre in comparison with the expenditure on Revenue Account.

Under capital account (outside the Revenue Account) a provision of Rs.5.10 crores has been made under loans for education department at the centre. Substantial part of this amount is provided for construction of hostels and staff quarters for regional engineering colleges Rs.0.85 crores under technical education and loans to Punjab university for its development Rs.0.25 crores. Remaining Rs.0.004 crores is proposed as other

educational loans to Punjab university for its developmental loans. Besides Rs.4.00 crores are proposed to provide loans to States/Union Territories. Rs.4.00 crores of these loans are proposed to provide to State Governments under national loans scholarship scheme.
