INTRODUCTION

This Publication which is brought out annually gives Analysis of Budget provisions made by States and Central Ministries for the Development of Education during the year 1994-95.

Source

The data contained in this Publication have been compiled from Demands for Grants of the Central Ministries and the budget documents of the States and Union Territories as presented in the State Legislatures.

Scope & Coverage

Besides giving details of Plan and Non Plan expenditure budgeted by the States and the Central Ministries for various sub-sectors of Education, it includes the expenditure on research and training (formal and non-formal) by the various Departments of the States and the Centre such as Department of Arts, Culture, Agriculture, Health, Industry, Labour etc. It, however, excludes that portion of the budget provisions which relates to training facilities provided by the Departments for their employees for improving their professional skills or other in-service training courses.

The total amount of budget provisions on revenue account made for education for the year 1994-95 by Education Departments of the State and the Central Department of Education worked out to Rs. 27177.24 crore (Rs. 24756.98 crore in State sector and Rs. 2420.26 crore in the Central sector) which is 12.0% more than the revised estimates for 1993-94. This amount constituted 11.1% of the total budget provisions made on the revenue account in the States and at the Centre.

Apart from revenue account, the Education Departments also make some provisions for capital works. The total budget estimates on capital accounts (including loans) accounted for only Rs. 321.65 crore (Rs. 321.13 crore in the State sector and Rs. 0.52 crore in the Central sector). Taking into account both revenue as well as capital account, the total budget estimates for education for 1994-95 of the State Education Departments and the Education Department of the Centre worked out to Rs. 27498.89 crore which is 9.2% of the total budget estimates.

Since the Departments other than the Departments of Education also incur some expenditure on Education, it is desirable to add the budget estimates of these Departments for Education to get the total picture of public expenditure on

education in the country. The total budget provisions made by the Departments other than Education worked out to Rs. 5562.29 crore. Accounting for the expenditure on Education by all the Departments, the total budget provisions for education on revenue account worked out to Rs. 32739.53 crore which is 13.4% of the total budget of the Centre and the States for 1994-95 (23.0% for the State sector and 3.3% for the Central sector). The budget provisions (Revenue Account) for the education department of the Central and the State Governments are indicated in the following table :-

III. RELATION BETWEEN BUDGETED EXPENDITURE ON EDUCATION AND NATIONAL INCOME.

Table 7 indicates the Statewise relationship between budgeted expenditure on education for all departments on Revenue Account and Net Domestic Product for the available years of various States and Union Territories for the purpose of comparative study. The percentage of total budgeted expenditure of States/UTs to their Net Domestic Product is also worked out.

It is observed from the Table that while total expenditure on Revenue Account of all India level during 1993-94 formed 34.9% of the total Net Domestic Product (NDP), only 3.5% of the NDP was provided in the budgets of the education departments.

when the provision for education for all departments including education departments is taken into account this percentage works out to be 4.2%.
