One post of the Special Officer in the grade of the District Panchayat Officer was sanctioned to the Department for the preparation of the Kerala Panchayat Manual; and Shri N. Krishnan Nair was appointed to the post with effect from 17th August 1965.

The Department of Panchayats is one of the major departments of Government in which the official correspondence has been switched on to Malayalam to a very great extent. This has contributed much to promote public co-operation and enthusiasm.

3. *Receipts and Expenditure of the Department.*—The total receipts and expenditure of the Department during the year were Rs. 3,52,296 and Rs. 52,64,398 respectively against Rs. 1,72,549 and Rs. 48,60,373 for the previous year.

This includes various taxes and fees such as house tax, profession tax, vehicle tax, entertainment tax, show tax, service tax, land cess, market fees, licence fees and other miscellaneous income. The total revenue realised by the Panchayats during the year by way of these taxation and licence fees alone came to Rs. 1,87,97,650·92 p. as against Rs. 1,60,06,927·88 p. for the previous year. The percentage of collection on the demand for the year comes to 72·7. The percentage of collection is poor and indicates the necessity for greater efforts on the part of the Executive Officers. Besides the revenue due to the Panchayats, they have also collected an amount of Rs. 15,75,885·97 p. by way of surcharges on profession tax and show tax and additional tax on entertainment. This amount, collected on behalf of Government is comparatively higher than the amount collected during the previous year, which was only Rs. 12,51,971·53 p.

The Panchayats were given a sum of Rs. 37,67,488·19 p. as grant and another sum of Rs. 5,11,000 as loans for specified purposes. The corresponding figures for the previous year were Rs. 37,28,168 and Rs. 5,09,000 respectively.

7. *Activities of the Panchayats.*—During the year, 41 Panchayats constructed office buildings of their own. The total number of Panchayats having buildings of their own towards the end of the year has thus risen from 312 to 353. Several public works such as construction of culverts, urinals, latrines, tanks, wells, bus-stands, cattle pounds, etc. were also attended to by the Panchayats. An amount of Rs. 74,51,598·72 p. was spent on public works. A total length of 30,112 kilometres of roads was also maintained by them at a cost of Rs. 32,97,678·80 p.

The Panchayats incurred an expenditure of Rs. 9,29,258·68 p. towards sanitations and public health activities. The total cost of street lighting done by the Panchayats came to Rs. 16,48,505·56 p.

The Panchayats had also contributed towards several social, cultural and educational activities such as starting and management of schools, reading rooms and libraries, giving grants to sports clubs, athletic clubs and physical education centres. They have also helped in furthering the programme of noon feeding in L. P. Schools. There

were 3456 community listening sets under the control of the Panchayats. 296 Radio Kiosks were also functioning in the Panchayats during the year.

The Yogic system of physical education was being propagated through some Panchayats. 60 Instructors of Yogasanas were conducting classes under the control of the Panchayats during the year.

The control and maintenance of markets, slaughter houses, ferries, etc. were some of the important statutory functions of the Panchayats which were normally sources of their income too. During the year, there were 538 public and 624 private markets in the Panchayats from which the Panchayats derived an income of Rs. 10,67,642.77 p. From the management of 775 ferries, the Panchayats got an income of Rs. 1,89,123.32 p.

8. *Publication.*—The publication of the Kerala Panchayat Journal by the Department continued during this year also. A Malayalam version of the issue was also started from December, 1965 consequent on the introduction of Malayalam as official language in the State.

9. *Audit of Accounts and Administrative Vigilance.*—The accounts of the Panchayats were continued to be audited by the Examiner of Local Funds Accounts. As a result of the inspection of the Administrative Vigilance Branch of the Department, several cases of misappropriations and other irregularities were detected and suitable action was taken against the officers involved. During the year, six officers were dismissed from service. Increments of 75 officers were barred. 33 officers were censured. 92 disciplinary cases were pending disposal at the close of the year.

10. *General.*—While the total revenue and consequently the efforts of the Panchayats in general show a satisfactory upward trend, the performance of the departmental machinery as reflected by the general conduct of business, percentage of collection, etc. require substantial improvement. It is expected that the supervisory officers of the Department will endeavour to produce better result.

(By order of the Governor)  
S. PADMAKUMAR,  
*Joint Secretary to Government.*

**ADMINISTRATION REPORT OF THE PANCHAYAT  
DEPARTMENT FOR THE YEAR 1965-66**

**I. INTRODUCTORY**

There was considerable progress in the working of the Panchayats during the year. The Panchayats evinced keen interest in initiating steps for increased agricultural production and it was the feeling of many Panchayats that organising the development of agriculture was one of their primary functions. The activities of Panchayats in the popularisation of National Savings Scheme, Family Planning and furtherance of Community Development activities deserve special mention. The introduction of Malayalam as official language of the Department and Panchayats during the year was a great step towards increasing administrative efficiency.
