PREFACE

This publication gives information about Universities and their Constituent and Affiliated colleges. It has two chapters. Chapter I gives a brief account of the development of higher education in the country, while Chapter II gives a statistical account of the varied progress made during 1960-61. With this volume, the series enters in the twelfth year of its publication. It is hoped that this publication will be found useful.

I take this opportunity to thank the university authorities who have supplied the information on which this publication is based.

CHAPTER GENERAL SURVEY

1. Introduction :

The year 1960-61 recorded further progress in the field of University Education. Under the Plan and Non-Plan schemes, new courses were introduced in Humanities, Sciences and Professional subjects. Facilities for research in scientific and technical subjects were expanded. Efforts were continued for the improvement of pay scales and service conditions of teachers. Students' welfare schemes were also continued. A brief account of the activities of the Central Government (including the University Grants Commission) in this field is given below—

2. Vice-Chancellors' Conference :

To consider the various problems facing the universities, a Conference of the Vice-Chancellors of all the Indian Universities was convened by the Ministry of Education on June 15-16, 1960. The problems discussed at the Conference included Student Indiscipline, National Service Scheme, Limitation of Numbers in Universities and Colleges, Examination Reform and Moral and Religious Education at the University level.

3. Development of Education :

3.1. A sum of Rs. 7.68 crores was placed at the disposal of the University Grants Commission for giving grants to the universities under various plan and non-plan schemes as under :

For Plan Schemes	Rs. 5.49 crores.
For Non-Plan Schemes	Rs. 2.19 crores.

3.2. Development programmes undertaken at the beginning of the Second Five Year Plan were continued and the following grants were paid to the Universities for schemes under Humanities and Science and Technology during the Second Five Year Plan and the year under report:

Humanities	Total for Second Plan (Rs. in crores)	Paid during 1960-61 (Rs. in crores)
(a) Central Universities	1.07	0.29
(b) State Universities	2.88	0.82
Total	3.95	1.11
<i>Science</i>		
(a) Central Universities	0.90	0.23
(b) State Universities	3.11	0.93
Total	4.01	1.21
<i>Engineering & Technology</i>		
(a) Central Universities	1.02	0.25
(b) State Universities	3.42	0.74
Total	4.44	0.99

3.3. On the recommendation of the Visiting Committee appointed by the Government of India to assess the rehabilitation needs of the Punjab University a sum of Rs. 10 lakhs was sanctioned to the University as the third instalment of the Central contribution to meet the cost of its rehabilitation.

3.4. The U.G.C. continued its scheme of special grants of Rs. one lakh to colleges completing a hundred years of existence. A sum of Rs. 3.90 lakhs was paid during the year under this scheme.

4. *Post Graduate Education :*

4.1. In accordance with the recommendations of the Expert Committees and Visiting Committee, the Commission continued its assistance to the universities for strengthening the existing facilities for training and research in basic science and humanities as well as for the introduction of courses in newer branches of study. Review committees were appointed in various Science subjects to enquire into the state of development attained in these fields particularly at the Post-Graduate level and also to make a quantitative and qualitative appraisal of the research work in progress in these fields. Reports received from the Committees in Botany, Biochemistry and Mathematics were under examination. Similar Committees were also appointed in subjects like English, Economics, Philosophy, Political Science, Sociology, Education, Library Science and Social Work.

4.2. During the Second Plan period, the Commission assisted in the establishment of 103 new post-graduate departments in the universities and colleges in Science subjects. For these, 642 additional posts of teachers were created. Of these, 96 were posts of Professors, 192 of Readers, 226 of Lecturers and 128 of other ancillary staff.

4.3. On the humanities side, the schemes for the establishment and development of courses in (i) ancient history and archaeology and (ii) Museology, initiated in 1958-59, made further progress. A sum of Rs. 4.22 lakhs was paid to the Universities of Allahabad, Baroda, Calcutta, Madras, Patna and Poona towards the implementation of the scheme for Archaeology. The amount paid to Baroda University towards the development of Museology amounted to Rs. 0.28 lakhs. The scheme of the University of Poona for the establishment of a department for the study of linguistics at the Deccan College Post-Graduate and Research Institute, Poona, was approved and an amount of Rs. 1.41 lakhs was paid. To promote Buddhist studies, the Commission assisted the Universities of Bombay, Calcutta and Delhi to purchase books. It was agreed to assist the Varanaseya Sanskrit Vishwavidyalaya for the restoration of Tibetan and Chinese books at an estimated cost of Rs. 1 lakh.

5. *Three-Year Degree Course :*

The entire work relating to the implementation of this scheme was transferred from the Ministry of Education to the U.G.C. All the Universities with the exception of the State Universities of Uttar Pradesh and the University of Bombay had either introduced the three-year degree course or agreed to introduce it. During the Second Plan period, the three-year degree course was implemented in 668 colleges affiliated to 25 universities. In addition, the Universities of Aligarh, Banaras, Baroda and Visva-Bharati which did not have affiliated

colleges also implemented the scheme. Grants amounting to Rs. 298 were paid on this account during the Second Plan.

6. *General Education :*

6.1. The scheme for the introduction of 'General Education' as part of the syllabus of the three-year degree course received considerable attention. It was felt that before giving assistance to the universities towards the scheme, some suitable reading material should be prepared and all aspects of the scheme should be looked into. Accordingly, the Aligarh Muslim University was paid grants amounting to Rs. 0.93 lakhs (recurring) and Rs. 0.10 lakhs (non-recurring) for preparing reading material. Also, a Standing Advisory Committee was constituted to provide the necessary advice and help in the implementation of the Scheme.

6.2. The Ford Foundation made available to the Commission the services of Professor Hans Simons, formerly President, New School for Social Research, New York, as consultant on General Education.

7. *Women's Education :*

The National Council for Women's Education, while surveying the position of the education of girls and women, recommended that a National Institute for women at University level be set up to train women for positions of high-level leadership and responsibility in every walk of life. The proposal was under consideration by a Committee set up for the purpose.

8. *Technical Education :*

In this field, the Commission had responsibility for university institutions only. In matters of development and expansion of the existing institutions and the opening of new institutions, the Commission acts in consultation with the All-India Council for Technical Education and its regional committees.

During 1960-61, Engineering courses were developed in (i) Mining Engineering (Osmania University), (ii) Chemical Engineering and Technology (Annamalai, Osmania and Punjab Universities), (iii) Tele-Communication Engineering (Jadavpur, Osmania and Roorkee Universities), (iv) Architecture (Roorkee, University) and (v) High Voltage Engineering (Aligarh, Jadavpur, Mysore, Osmania, Patna and Sri Venkateswara Universities). The expansion of training facilities was brought about in universities of Aligarh, Banaras, Baroda, Jadavpur, Mysore, Osmania and Roorkee. The facilities existing at the universities of Aligarh, Banaras, Jadavpur, Mysore and Patna for Civil, Electrical and Mechanical Engineering Courses were further developed. On the recommendations of the All-India Council for Technical Education, the introduction of five-year integrated courses was approved in the case of 12 universities, namely Aligarh, Andhra, Annamalai, Banaras, Baroda, Jadavpur, Mysore, Osmania, Patna, Roorkee, Utkal and Sri Venkateswara.

As a result of the various schemes undertaken by the Central Government (including the U.G.C), the State Governments and other agencies for the expansion of technical education during the Second Plan period, the admission capacity of the institutions increased to 13,500 students for degree courses and 25,290 for diploma courses.

9. *Industrial Estates :*

With a view to encourage university and college students to seek avenues of employment other than 'white collar' jobs at the end of their higher education and fit them for skilled work to increase the number of skilled workers so greatly needed to meet the growing demands of expanding industries in the country and to provide them with means of 'earning while learning' at least a part of the expenses, the U.G.C., in cooperation with the Ministry of Commerce and Industry, agreed to establish, as an experimental measure, five such estates in the neighbourhood of the universities of Allahabad, Baroda, Jadavpur, Osmania and Rajasthan.

10. *Teachers :*

10.1. The U.G.C. continued its efforts of improving the pay scale and service conditions of teachers. It was decided to introduce the following new scales of pay for teachers in the Central universities with effect from 1st April, 1961 :—

Professor	Rs. 1,000—50—1,500
Reader	Rs. 700—40—1,100
Lecturer	Rs. 400—30—640—40—800

10.2. Assistance was offered to the State Universities towards the revision of pay scales of their teachers to this level during the Third Plan period with a condition that an assurance must be given to maintain these scales after the assistance was withdrawn. In the case of affiliated colleges, the assistance of the Commission towards the revision of pay scales was restricted to a period of five years from the date of implementation of the scheme. It was, however, decided to assist the colleges which did not revise the scales of pay during the Second Plan period, to do so even then, if they so desired.

10.3. Assistance was also offered to the universities for the construction of staff clubs and guest houses. The project envisaged a grant of Rs. 0.75 lakhs for a staff club, Re. 1 lakh for a guest house and Rs. 1.5 lakhs for a club-cum-guest house.

10.4. With the object of establishing contact between the general public and the university teachers, the scheme of extension work by teachers was introduced. Under this scheme, extra-mural lectures on topical subjects were delivered by the teachers so that general public might have some idea of the developments in the world around. A sum of Rs. 0.55 lakh was contributed by the Commission towards this scheme during the year under review.

11. *Library and Laboratory Facilities :*

Special attention was paid to increasing the library and laboratory facilities. An amount of Rs. 87.09 lakhs was paid to the universities towards the construction of library and laboratory buildings. Similary, grants of Rs. 21.29 lakhs were also paid to colleges for the improvement of library and laboratory facilities. Another sum of Rs. 30.05 lakhs was paid for the purchase of library books and journals. The Commission also considered the qualifications to be required for library staff and revised their scales so as to attract better qualified persons.

12. Hostels and Staff Quarters :

The 'Building Sub-Committee', set up by the U.G.C., in collaboration with the Committee on Plan Projects of the Planning Commission, worked out norms and standards for college hostels and staff quarters.

Under the scheme for giving loans to affiliated colleges for the construction of hostels, loans amounting to Rs. 2.28 lakhs were sanctioned directly to four colleges. Moreover a sum of Rs. 45 lakhs was provided in the budget for 1960-61 with the object of giving loans to the State Governments for relending them to colleges for the construction of hostels.

13. Scholarships :

13.1. Various schemes of scholarships, stipends and other financial assistance were operative during the year to provide opportunities to meritorious but poor students for higher education. The main schemes were as follows :—

(i) Two hundred scholarships were offered under the Government of India Scheme of Post-Matric Scholarships.

(ii) The scheme regarding award of scholarships to scheduled caste, scheduled tribe and other Backward class students for post-Matriculation studies in India continued to be administered by the State Governments. The break up of the scholarships awarded and the expenditure incurred during the year was as under :—

	Number of Scholarships Awarded	Expenditure Incurred (Rs. in lakhs)
Scheduled Castes	42,071	167.82
Scheduled Tribes	6,877	30.96
Other Backward Classes	14,421	87.98
Total	63,369	286.76

(iii) One hundred scholarships were offered to students who had taken a Master's or an equivalent degree and wanted to pursue advanced research in any branch of Humanities.

(iv) One hundred and ten scholarships were available to students of non-Hindi-speaking States for university education in Hindi.

(v) To promote research in various branches of Science and Technology, scholarships sanctioned earlier under the Research Training Scholarships Scheme were continued and some new scholarships were sanctioned.

(vi) As many as 20 fresh scholars were selected and 7 scholars selected during the earlier years continued their work at various research centres for Science and Technology under the Research Fellowship Scheme.

(vii) The U.G.C. awarded 93 scholarships of the value of Rs. 200 p.m. and 150 scholarships of Rs. 100 p.m. for post-Graduate research work in Science. A sum of Rs. 2.78 lakhs was incurred under this scheme.

(viii) Eighty post-graduate and 50 research scholarships of the value of Rs. 150 and Rs. 200 p.m. each were offered by the U.G.C., in the Humanities and Social Sciences respectively.

(ix) The U.G.C. instituted 70 post-doctorate fellowships of the value of Rs. 300 p.m. and 40 senior research fellowships of the value of Rs. 500 p.m. for Science, Engineering and Technology. Besides, thirty research fellowships of Rs. 400 p.m. each were offered in Engineering and Technological subjects. Each of these fellowships carried Rs. 1,000 p.a. as contingent expenditure in addition to the monthly fellowship.

(x) The Students' Aid Fund Scheme, sponsored by the U.G.C., to render financial assistance to poor and deserving students was continued. During the year, 642 institutions received grants amounting to Rs. 8 lakhs on this account.

13·2. Besides, Indian students continued to receive assistance for studies abroad and foreign students for studies in India under various Central Schemes and exchange programmes like the Central Overseas Scholarships Scheme, Foreign Language Scholarships Scheme, Fully-paid Overseas Scholarship Scheme, Overseas Scholarships for Scheduled Caste, Scheduled Tribe and Other Backward Class students; the Agatha Harrison Fellowship; the scholarships and fellowships instituted under the United Nations and Unesco; the Commonwealth Education Cooperation Plan and programmes for exchange of scholars between India and other foreign countries.

14. *Student Welfare :*

14·1. A number of students' welfare schemes were in operation to provide physical and recreational amenities to students. The Campus Work Projects scheme of the Central Ministry of Education continued to be popular with the institutions. The object of the scheme is to provide, with the aid of 'Shramdan' by the students and staff, much needed amenities like recreation halls-cum-auditoria, swimming pools, gymnasia, open air theatres, pavillions, etc., in universities and colleges. During 1960-61, a sum of Rs. 25·40 lakhs was sanctioned under this project. Grants were also sanctioned for student tours, youth hostels, youth leadership and dramatic training camps, etc. A provision of Rs. 40,000 was made for giving financial assistance to set up Youth Welfare Boards and Committees.

14·2. The Inter Collegiate Youth Festivals were organised during the year. Grants amounting to Rs. 26,000 were sanctioned by the Ministry of Education to 8 universities under this scheme.

The U.G.C. also sanctioned grants to various institutions for schemes like Non-Resident Students' Centres, Student Health Centres, Students' Homes Hobby Workshops and Psychological Counselling Centres.

15. *Special Publications Scheme :*

15·1. Grants amounting to Rs. 40,000 were paid to the Annamalai University for the publication of a variorum edition of *Kamba Ramayana*, to the Baroda

University for providing a critical edition of *Valmiki Ramayana* and to Kerala University for bringing out a Malayalam Lexicon.

15.2 A sum of Rs. 12,000 was paid to 4 universities towards the publication of (a) doctorate theses of high standard and (b) learned work by the university teachers.

16. *Republication of Cheap Text Books, etc. :*

It was increasingly felt that one of the handicaps suffered by the students and teachers in colleges and universities was the high cost of text and reference books in English. In order to overcome this difficulty, the Ministry of Education decided to help to produce and make available text books at reasonable prices by arrangements with foreign publishers.

17. *Gandhi Bhavans :*

It was decided to assist the Universities of Allahabad, Andhra, Delhi, Karnatak, Kerala, Mysore, Nagpur, Punjab and Rajasthan for the establishment of Gandhi Bhavans for promoting the study of Mahatma Gandhiji's ideals and his way of life in universities.

18. *Tagore Chairs and Tagore Lectures :*

To commemorate the birth centenary of Rabindranath Tagore, the U.G.C. offered assistance to universities to establish either Tagore Chairs or institute Tagore Lectures.

19. *Foreign Assistance and Exchange of Personnel :*

19.1. Foreign assistance in the form of library books, laboratory equipment, experts and training facilities continued to be received under various agreements.

19.2. Under India Wheat Loan Educational Exchange Programme, books worth \$1,68,850 and scientific equipment worth \$1,75,000 were received. Five librarians, 3 scientists and 2 astronomers were sent to the U.S.A. for study/training.

19.3. Under the project for the assistance of Home Science education and research under the Indo-U.S. Technical Cooperation Programme, 4 Indian Home Science Administrators were selected for observation tour of the U.S.A. and Home Science Teachers for higher studies/training in the U.S.A. Supplies envisaged under the agreement (books worth \$ 8700 and equipment worth \$32,000) continued to be received.

19.4. A Home Science Conference was held in New Delhi in April, 1960 to review and evaluate the accomplishments under the Programme. The Conference also considered the findings of a survey conducted by the Home Science Technicians. A Home Science Administrators conference was also held in New Delhi in January 1961 to exchange ideas and experiences by the Home Science Administrators. The American technicians helped in the training programme through seminars, workshops and refresher courses at the 'Demonstration Centres'.

19.5. The project for assistance to the Public Administration Centre at the Lucknow University under the Indo-U.S. Technical Cooperation Programme continued during 1960-61 in so far as the supply of library material was concerned.

19·6. Under the Indo-U.S. agreements regarding Educational Exchange Programme administered by the U. S. Educational Foundation in India, 99 students, 20 teachers and 13 university professors and research scholars were sent to the U.S.A. for studies/research/training, while 9 students and 27 professors came to India from the U.S.A. for similar purposes.

20. *Main Development :*

A brief account of major developments in university education in the various universities is given below—

AGRA

(a) Certificate course in Proficiency in Foreign Languages and Proficiency in Hindi Phonetics were introduced.

(b) A blue print was prepared for the translation of reference books in Hindi. The University set apart a sum of Rs. 2½ lakhs for a beginning to be made in this direction.

(c) The university accepted the recommendations of the Committee appointed to go into the question of improvement of standards of teaching in the university. The main recommendations of the Committee were—

- (i) Tutorials in degree classes and seminars in Post-Graduate classes should be made compulsory.
- (ii) In order to increase the research potential, experimental methods in teaching at both the under-graduate and post-graduate levels should be introduced in the curriculum.
- (iii) Marks for internal appraisal should be of the same value as prescribed for university examinations. Students should pass in the internal assessment, otherwise they should not be allowed to appear at the university examinations.
- (iv) The recommendation of the U.G.C. with regard to teacher-pupil ratio of 1 : 14 should be implemented by all colleges seeking affiliation in post-graduate classes.
- (v) Refresher courses (for junior teachers) and seminars (for senior teachers) should be held in each subject.
- (vi) Teachers of graduate and post-graduate classes should do research work.
- (vii) The academic year should be divided into two terms and at the commencement of each term, every teacher should be asked to submit to his Principal a synopsis of the lectures he would deliver during the term. Before the lecture, students should be required to consult the texts and/or reference books on the subject. The lecturer should leave sufficient time for students to ask questions.

CHAPTER II
STATISTICAL SURVEY

Institutions

(A) *Universities*

With the establishment of 4 new universities, namely Bhagalpur, Burdwan, Ranchi and U.P. Agriculture, the number of universities in the country increased to 44 during the year. The statistics of the colleges affiliated to the Indira Kala Sangeet Vishwavidyalaya and the Varanaseya Sanskrit Vishwavidyalaya, being not available, have been excluded from this chapter as well as from the statistical tables that follow it.

Information about the years of foundation/reconstitution of the universities, their territorial jurisdiction and type is given in Table I. The same table also gives information about the faculties for which provision existed in these universities and the medium of instruction/examination. The distribution of universities according to type was as under:—

Type	Number
Teaching and Affiliating	30*
Residential and Teaching	11
Teaching and Federal	2
Affiliating only	1

(B) *Teaching Departments*

During the year, the universities expanded their teaching functions considerably, with the result that the number of teaching departments rose from 403 to 479. Actually, 57 new teaching departments came up, of which an increase of 2 departments was off set by the amalgamation of the departments of Organic and Inorganic Chemistry into one in Karnatak University and the closure of the Department of Astronomy in the Panjab University. The balance of 21 teaching departments (1 from Indira Kala Sangeet and 20 from Varanaseya Sanskrit Vishwavidyalaya), although not new, was included for the first time this year. The details of the 57 new departments are given below:—

University	Number of new Teaching Departments	Name of the new Departments
Allahabad	1	Applied Physics
Bhagalpur	3**	Rural Economics and Cooperation; Sociology; Statistics.
Bombay	1	Law.
Burdwan	6	Bengali; Economics; English; History; Mathematics; Sanskrit.
Delhi	1	Music

*Including Indira Kala Sangeet Vishwavidyalaya and Varanaseya Sanskrit Vishwavidyalaya.

**Excludes University Teaching Departments transferred from the erstwhile Bihar University to the newly established Bhagalpur University.

*Excludes University Teaching Departments transferred from the old Bihar University to the newly established Ranchi University.

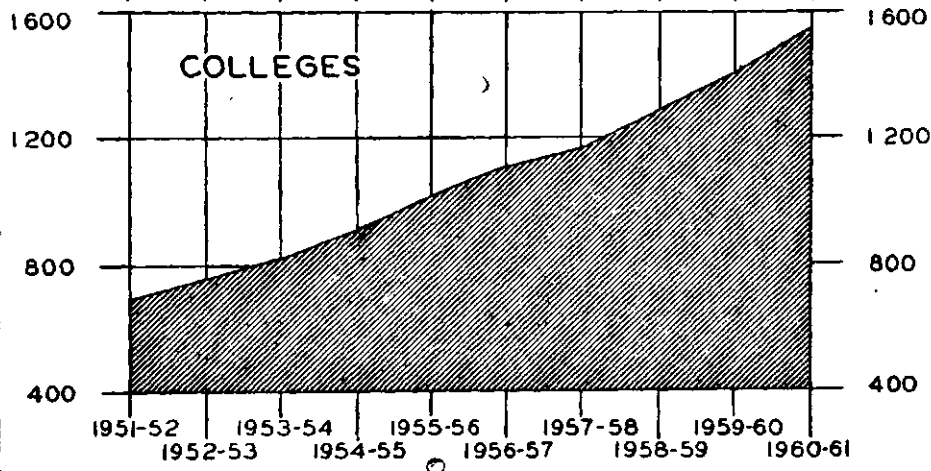

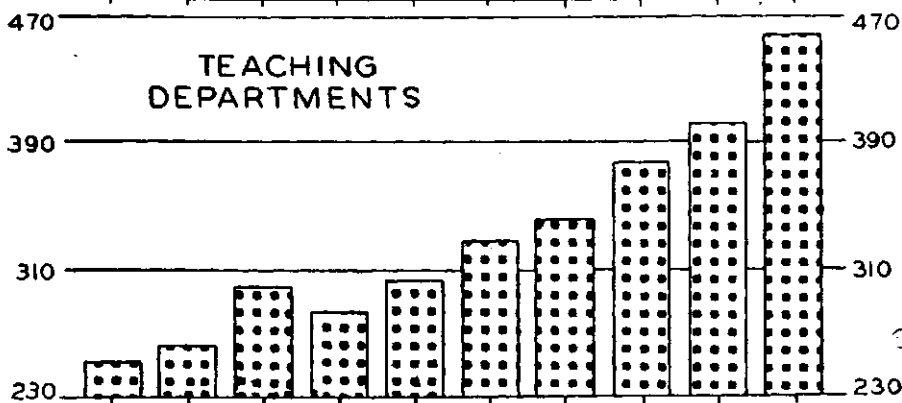

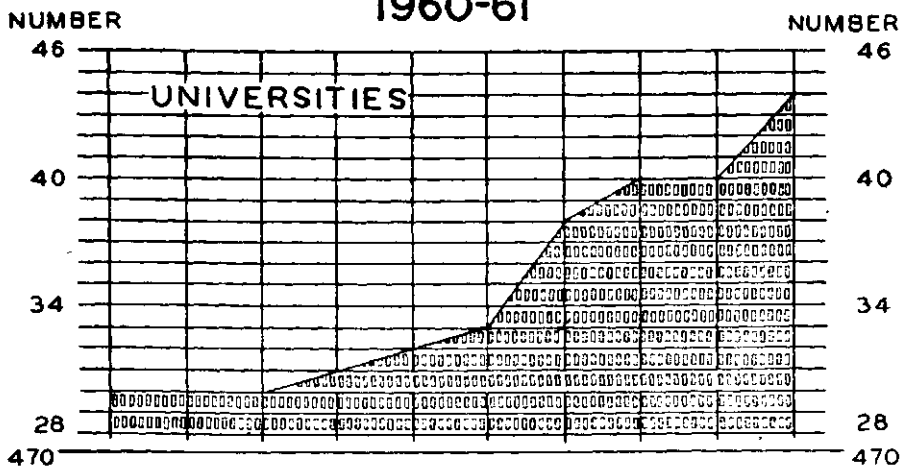

(C) Colleges

The number of colleges maintained by or affiliated to the various universities rose from 1,405 in 1959-60 to 1,542, giving an increase of 9.7 per cent, as compared to an increase of 8.8 per cent in the previous year. This increase was the outcome of granting new affiliation to or opening of 204 colleges during the year and the disaffiliation or closing down of 95 colleges of the last year. The latter 95 colleges belonged to the Universities of Banaras (2), Bihar (65), Calcutta (27) and Jabalpur (1). The decrease in case of colleges affiliated to the erstwhile Bihar University and the Calcutta University was mainly on account of the transfer of their colleges to newly opened universities in other parts of Bihar and West Bengal States. The distribution of the additional 204 colleges among 27 universities was as follows: Agra (15), Bhagalpur (34), Bombay (5), Burdwan (32), Delhi (1), Gauhati (2), Gorakhpur (7), Gujarat (12), Karnatak (2), Kerala (7), Kurukshetra (1), Madras (1), Marathwada (6), Mysore (8), Nagpur (7), Osmania (4), Panjab (4), Poona (8), Rajasthan (4), Ranchi (20), S.V. Vidyapeeth (1), Saugar (5), S.N.D.T. (2), Sri Venkateswara (2), U.P. Agriculture (2), Utkal (6) and Vikram (6).

Of 1,542 colleges in 1960-61, 236 were University/Constituent colleges and the remaining 1,306 affiliated colleges (Table II). The corresponding number for the previous year was 230 and 1,169 respectively. As regards the managements, private bodies controlled 997 or 64.7 per cent of the colleges, Government 433 or 28.6 per cent and the universities 108 or 7.1 per cent. Local Boards administered 4 or 0.3 per cent of the colleges only.

Table III gives the number of colleges by type of education. Of the total number of colleges, 777 provided instruction in general education--which

PROGRESS OF UNIVERSITY EDUCATION 1960-61

includes the study of Arts, Science, Oriental Learning, Home Science Social Work, Music, Fine Arts, etc., 417 in professional education and the remaining 348 in general as well as professional education. Further classification of colleges for professional education is given below:—

Type of College	Number of Colleges	
	1959-60	1960-61
Agriculture	33	37
Commerce	28	35
Education/Teachers' Training	116	125
Engineering and Technology	70	76
Law	37	40
Medicine (including Pharmacy, Nursing etc.)	74	80
Physical Education	5	5
Veterinary Science	17	18
Others	1‡	1‡
<i>Total</i>	<i>381</i>	<i>417</i>

‡Silpa Sudhna, Visva-Bharati.

Besides, there were 408 classes for professional education attached to 348 colleges of general as well as professional education mentioned above. Their subject-wise details are: classes in Agriculture 24, Commerce 269, Education (Teacher's Training) 46, Engineering and Technology 5, Law 38, Medicine 13, Physical Education 1, Veterinary Science 2 and other professional education subjects such as Business Management, Journalism, Library Science etc., 10.

(D) Boards of Intermediate Education

In addition to the 44 universities, the following 4 Boards of Intermediate Education, inter-alia, conducted intermediate examination:—

- (i) Board of High School and Intermediate Education, Uttar Pradesh, Allahabad;
- (ii) Board of Secondary Education, Madhya Pradesh, Bhopal;
- (iii) Board of Secondary Education, Rajasthan, Jaipur;
- (iv) Central Board of Secondary Education, Ajmer.

During the year, 977 colleges were affiliated to these 4 boards. These colleges include 67 colleges which were also affiliated to the universities for degree courses. The distribution of 67 colleges by type of education is already included above along with the other colleges affiliated to universities, while the classification of the remaining 910 colleges affiliated to boards only is given below:—

Type of College	Number of Colleges	
	1959-60	1960-61
General Education	470	656
Professional Education:—		
Agriculture	10	7
Commerce	12	7
General and Professional Education	401	240
Grand Total	893	910

Pupils

The total number of students enrolled in university teaching departments, constituent colleges and colleges affiliated to universities and boards of intermediate education rose from 9,97,137 (8,42,392 boys and 1,54,745 girls) in 1959-60 to 10,49,864 (8,79,409 boys and 1,70,455 girls) in 1960-61. This gives an increase of 3.3 per cent, as against an increase of 7.4 per cent during the previous years.

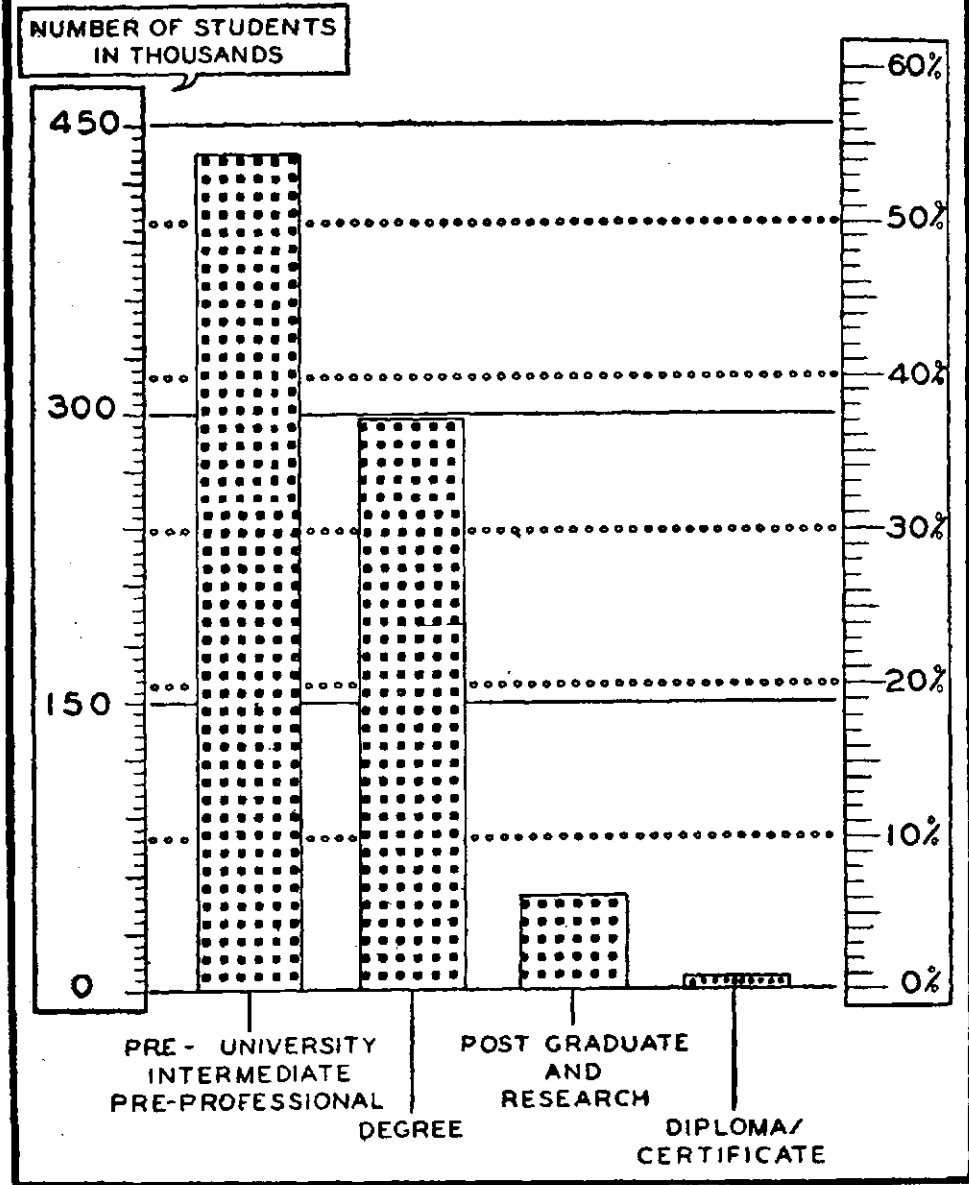

The break-up of this enrolment among university teaching departments and colleges of different types is given below :—

Type of Institutions	1959-60		1960-61	
	Boys	Girls	Boys	Girls
University Teaching Departments . . .	42,714	5,386	44,440	6,030
University/Constituent Colleges . . .	1,49,425	38,482	1,45,938	37,462
Colleges/Classes Affiliated to Universities . . .	5,10,719	94,089	5,44,418	1,07,397
Colleges/Classes Affiliated to Boards . . .	1,39,534	16,788	1,44,613	19,566
<i>Total</i> . . .	<i>8,42,392</i>	<i>1,54,745</i>	<i>8,79,409</i>	<i>1,70,455</i>

Table IV gives a detailed break-up of enrolment in universities and boards of intermediate education. Among universities, the largest number of students (1,15,518) was enrolled by the university teaching departments and colleges of Calcutta University and the least (96) by Kurukshetra University. Other universities with more than 50 thousand students on rolls were: Punjab (63,712), Madras (54,250) and Bombay (50,161). In 11 Universities the enrolment varied between 20 thousand and 50 thousand and in 24 universities between one thousand and 20 thousand each. Other Universities with less than one thousand enrolment each were : Visva-Bharati (530), Varanaseya Sanskrit (497), U.P. Agriculture (250) and Indira Kala Sangeet (212). In so far as Boards are concerned, the intermediate students of U.P. Board alone constituted about 94 per cent of the total number of intermediate students studying in colleges affiliated to all the Boards taken together.

As compared to 1959-60, the enrolment during 1960-61 increased in all the universities except Allahabad, Andhra, Banaras, Bihar, Calcutta, Karnatak, Panjab, S.N.D.T. and Visva-Bharati. The decrease in Bihar and Calcutta Universities was on account of the transfer of some of their colleges to the newly established universities in the respective States. The decrease in the case of Visva-Bharati was nominal and that in the case of other universities was due mainly to the abolition of intermediate classes and the introduction of the Three-Year Degree Course. Numerically, the largest increase in enrolment (7,501) was reported by Rajasthan University, followed by Agra (6,349), Kerala (6,037) and Poona (4,113). The lowest increase of 67 was reported by Kurukshetra. On percentage basis, however, the highest increase was reported by Kurukshetra University (231.0) and followed by Gorakhpur University (43.1). The lowest percentage of increase (1.0) was reported by Nagpur University.

NUMBER OF STUDENTS RECEIVING GENERAL EDUCATION 1960-61

Of the total enrolment, 7,93,984 students (75.6 per cent) were enrolled for general education courses and the remaining 2,55,880 students (24.4 per cent) for professional and technical education courses. The corresponding percentages for the previous year are 77.4 and 22.6 respectively. During 1960-61, the increase in the enrolment for general education was only 0.8 per cent and that for professional and technical education 12.3 per cent, as compared to an increase of 6.4 per cent and 7.3 per cent respectively during the previous year.

The distribution of the total enrolment by stages of education was as follows:—

	Percentage
<i>Intermediate (including Pre-University/Pre-Professional stage)</i>	46.8
Graduate (Pass and Hons.) stage	45.0
Post-Graduate and Research stage	6.2
Diploma and Certificate Course	2.0

The following table gives further details of enrolment by type and stage of education:—

For further details, reference may be made to Tables V and VI.

Girl students numbering 1,70,455 constituted 16.2 per cent of the total enrolment in the universities and colleges. Of these, 1,52,681 (89.6 per cent) were enrolled for general education courses and the remaining 17,774 (10.4 per cent) for professional education courses. Among professional education

courses, medicine continued to attract the largest number of girl students (7,714) and teacher training with 6,230 girl students on rolls was the next favourite.

Foreign Students

Of the total number of students on rolls in the universities and colleges, 3,588 were foreign nationals. The largest number of these students came from African Countries (1,025) followed by Ceylon (839), Pakistan (370), Nepal (555) and Malaya (341). For further details reference may be made to Table VII.

Teachers

The total number of teachers working in universities and colleges, rose from 49,549 (43,581 men and 5,968 women) in 1959-60 to 55,460 (48,537 men and 6,923 women) during the year. This gives an increase of 11·9 per cent (11·4 per cent in the case of men teachers and 16·0 per cent in the case of women teachers), as compared to an increase of 13·6 per cent (12·8 per cent in the case of men teachers and 19·1 per cent in the case of women teachers) during the previous year. The distribution of teachers by type of institutions is given below:—

Type of Institution	1959-60		1960-61	
	Total	Women	Total	Women
University Teaching Departments	3,411	173	3,341	188

<i>Total</i>	<i>49,549</i>	<i>5,968</i>	<i>55,460</i>	<i>6,923</i>

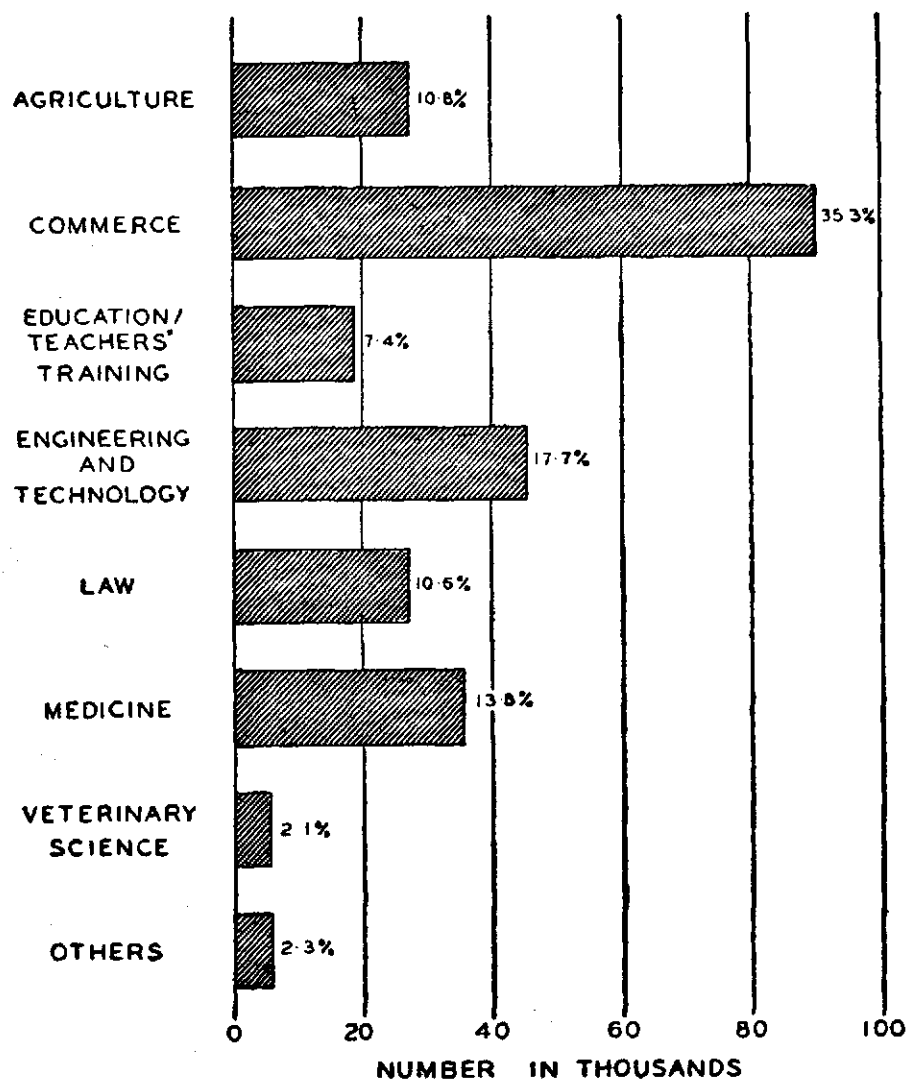

The number of teachers in university teaching departments decreased by 2·1 per cent and that in university/constituent and affiliated colleges increased by 13·0 per cent. The corresponding percentages for increase for the previous year were 31·9 and 12·4 respectively. The university-wise details of these teachers are given in Table VIII.

Of the total number of teachers, 37,634 (67·9 per cent) were engaged in teaching general education courses and the remaining 17,826 (32·1 per cent) in professional education courses.

Their details are given below:—

Type of Education	1959-60		1960-61

NUMBER OF STUDENTS RECEIVING PROFESSIONAL EDUCATION 1960-61

During the year, the increase in the number of teachers for general education was 11·2 per cent and that for professional education 13·4 per cent. Among professional education courses, the highest percentage of increase was reported by Agriculture (29·9 per cent), followed by Medicine (14·5 per cent), Engineering and Technology (13·1 per cent) Teachers' Training (12·6 per cent), Law (10·0 per cent) Veterinary Science (17·3 per cent) and Commerce (8·8 per cent).

For university-wise details about teachers, reference may be made to Table IX.

Pay Scales:—The disparity in the pay scales of teachers working in universities and colleges continued to persist. The scales varied from university to university and even within the same university from college to college under different managements. However, efforts were continued to revise the pay scales of teachers in order to bring them at par with the pay scales recommended by the U.G.C. The scales were revised in the following universities:—

University	Designation	Old Scale	New Scale

Table XI gives the university-wise distribution of teachers (except 4,633 honorary and part-time) according to salary blocks. For the purposes of this table, salary excludes all allowances. The all-India position can be summed up as under:—

Salary Block	Number	Percentage	Cumulative Percentage
Rs.			
100 and below	2,050	4.0	4.0
101—150	4,881	9.6	13.6
151—200	7,147	14.0	27.6
201—250	10,825	21.3	48.9
251—300	7,601	14.9	63.8
301—350	5,238	10.3	74.1
351—400	3,362	6.6	80.7
401—450	2,184	4.3	85.0
451—500	1,757	3.5	88.5
501—550	1,213	2.4	90.9
551—600	993	2.0	92.9
601—650	730	1.4	94.3
651—700	483	1.0	95.3
701—750	341	0.7	96.0
751—800	355	0.7	96.7
801 and above	1,667	3.3	100.0
<i>Total</i>	50,827	100.0	

From the above table it is calculated that half of the number of teachers i.e. about 25,000 received a monthly salary below Rs. 278.6 p.m. each and that only 11.5 per cent of the teachers received a salary exceeding Rs. 500 p.m.

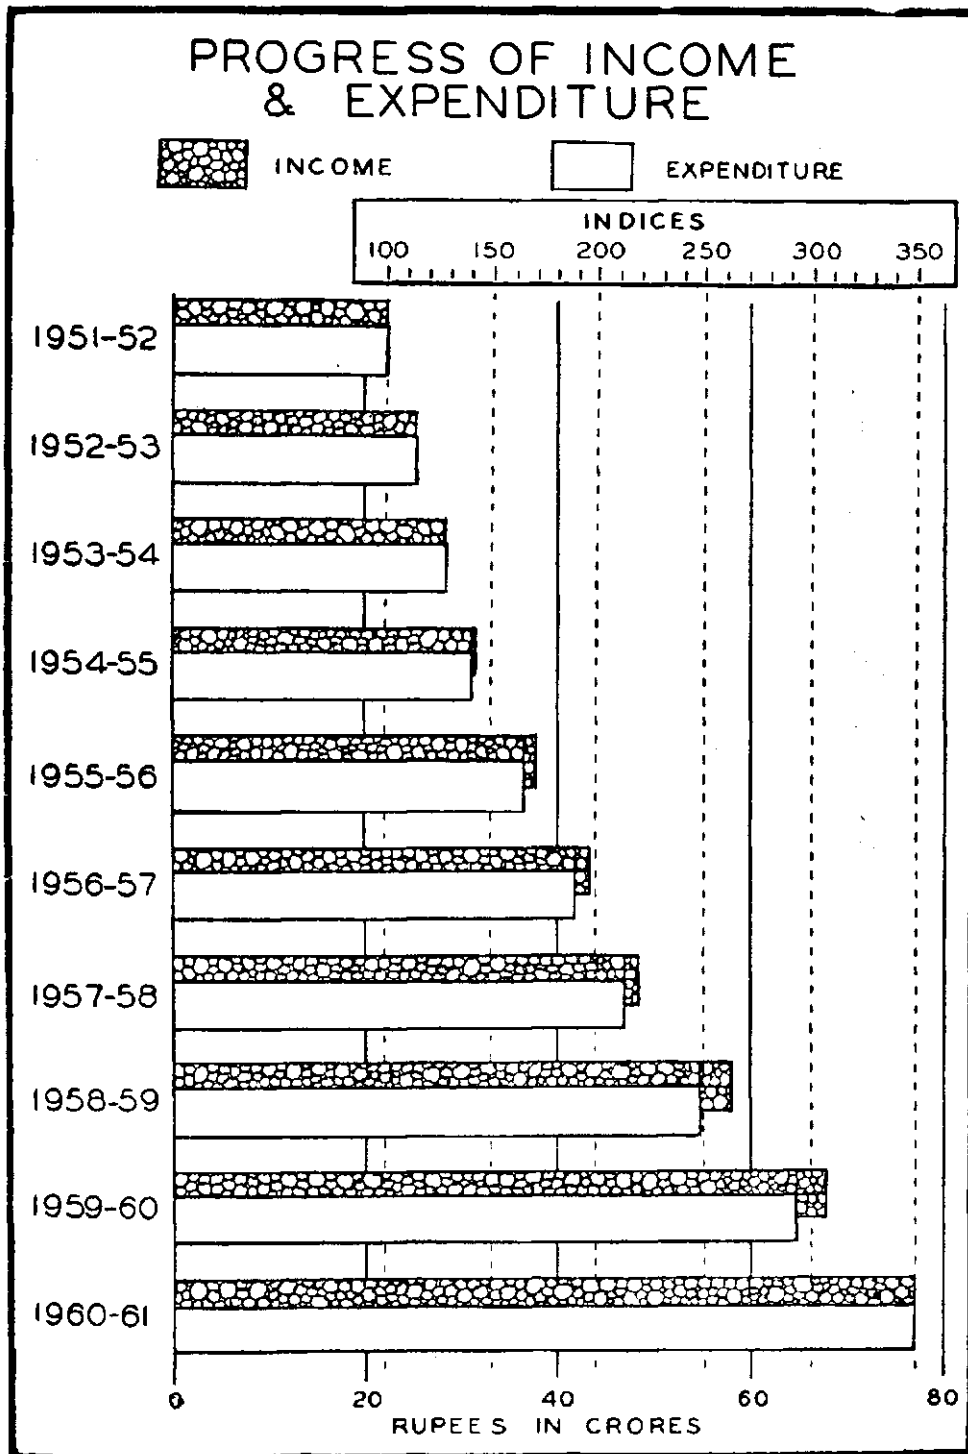

Examination Results

During the year 1961, 8,85,492 candidates (7,28,131 boys and 1,57,361 girls) appeared for various post-Matriculation annual and supplementary examinations, of whom 4,10,743 candidates (3,29,420 boys and 81,323 girls) passed. This gives a pass percentage of 46·4 (45·2 per cent for boys and 51·7 per cent for girls). The corresponding figures for the previous year (1960) are: number appeared 8,31,651 (6,89,608 boys and 1,42,043 girls), number passed 3,71,857 candidates (3,02,534 boys and 69,323 girls) and pass percentage 44·7 (43·9 per cent for boys and 48·8 per cent girls). The break-up of passes at various levels is given below:—

Finances

Income

During the year under report, the universities and their constituent and affiliated colleges reported a total income of Rs. 76·97 crores, as compared to an income of 67·80 crores reported in the previous year. This gives an increase of 11·4 per cent as against an increase of 17·1 per cent during 1959-60. Of the total income, the recurring income was Rs. 56·40 crores (73·3 per cent) and non-recurring income was Rs. 20·56 crores (26·7 per cent).

The distribution of the income by sources is given below:—

Source	1959-60		1960-61

Grand Total	67·80	100·0	76·98	100·0

From the above table it will be seen that government and local boards contributed a sum of Rs. 46·87 crores (60·9 per cent) while fees, endowments and other sources accounted for Rs. 22·42 crores (29·1 per cent), Rs. 0·9

crores (1.2 per cent) and Rs. 6.76 crores (8.8 per cent) respectively. For further details reference may be made to Table XIV.

Expenditure

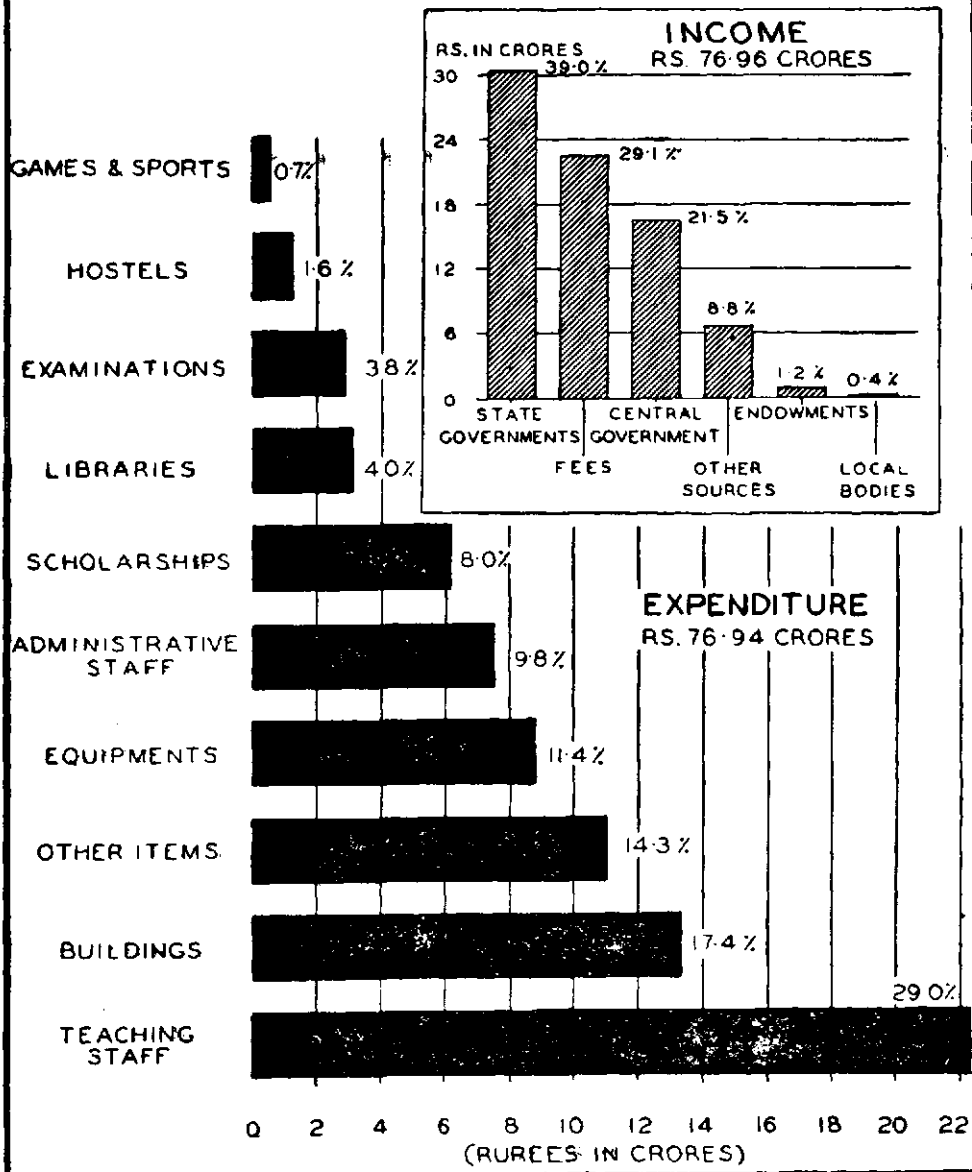

The total expenditure of the universities, and their colleges rose from Rs. 64.74 crores in 1959-60 to Rs. 76.94 crores during 1960-61. This gives an increase of 18.8 per cent as against an increase of 18.1 per cent during 1959-60. Of the total recurring expenditure amounted to Rs. 55.45 crores (72.1 per cent) and non-recurring expenditure Rs. 21.49 crores (27.9 per cent). The break-up of the expenditure by items is given below.

The above table shows that the salaries of staff represented the largest single item of expenditure involving a sum of Rs. 29.85 crores (38.8 per cent), followed by buildings Rs. 13.37 crores (17.4 per cent), equipment Rs. 8.79 crores (11.4 per cent), scholarships Rs. 6.14 crores (8.0 per cent), libraries Rs. 3.11 crores (4.0 per cent), examinations Rs. 2.89 crores (3.8 per cent), maintenance of hostels Rs. 1.21 crores (1.6 per cent) and games and sports Rs. 0.56 crores (0.7 per cent). The expenditure on 'Other items' accounted for Rs. 11.02 crores (14.3 per cent). For university-wise details, reference may be made to Table XV.

UNIVERSITY & COLLEGE FINANCES

1960-61

Libraries:

Library facilities were provided to students by almost all the universities and colleges in varying degrees. The total stock of books in all these libraries (excluding those of the colleges affiliated to boards of intermediate education only) consisted of about 171 lakh volumes, of which 42 lakh volumes belonged to university libraries and 129 lakh to libraries of constituent and affiliated colleges. The corresponding figures for the year 1959-60 are: University libraries 35 lakhs and libraries of constituent and affiliated colleges 115 lakhs. The total number of 171 lakh volumes in 1960-61 consisted of 153 lakh books, 11 lakh periodicals, 2 lakh manuscripts and 5 lakh other volumes. Table XVI gives the detailed statistics of libraries in the universities and their colleges.

Evening Colleges:

During the year, 79 affiliated colleges and university teaching departments functioned in evening, as compared to 67 such institutions in the previous year. The total enrolment in these institutions rose from 30,602 students (30,032 boys and 570 girls) to 32,166 students (31,600 boys and 566 girls) during the year. The increase in the number of teachers working in these institutions was from 1,223 (1,195 men and 28 women) in 1959-60 to 1,353 (1,316 men and 37 women) in 1960-61. The university-wise details of institutions functioning in the evening are given in Table XVII.
