This brochure on "Provisional Statistics of Education in Universities in India - 1965-66" is based on the returns received from various universities. In the case of the Universities of Agra, Bhagalpur, Burdwan, Calcutta, Lucknow, Rabindra Bharati, Ranchi, Saugar, Kasni Vidyapeeth and Gujarat Vidyapeeth which did not supply the statistics in time, estimated data have been given. The brochure, however, excludes data in respect of K.S. Darbhanga University, Varanaseya Sanskrit University and four Institutions of National Importance - All India Institute of Medical Sciences, New Delhi, Hindi Sahitya Sammelan, Allahabad, Indian Institute of Technology, Kharagpur and the Indian Statistical Institute, Calcutta in respect of which statistics were not available.

The data presented in this brochure is provisional. Final figures would be available in the printed publication: "Education in Universities in India - 1965-66".

We are grateful to the Universities, Institutions deemed to be Universities and Institutions of National Importance for their co-operation in supplying data without which this brochure would not have been possible.
