MAHARASHTRA STATE,
POONA 1**

F O R E W O R D

It gives me great pleasure in presenting the Statistical Epitome for 1965-66, in quick succession of similar publication for the previous year. This publication also fills up the gap in the series of these publications brought out by this Directorate since 1959-60.

The Epitome for 1965-66 practically bears the same pattern of presentation of statistical data for all the districts, divisions and the State at a glance for a particular category. It also tries to cover some additional items like Language-wise distribution of schools and pupils, compulsory education, etc.

It is hoped that the Epitome for 1965-66 will also meet with warm appreciation at the hands of all concerned and will contribute to the growth of Education in Maharashtra, either directly or indirectly.

POONA-1 :
February 14, 1969.

E. R. DHONGDE,
Director of Education.
