P\_R\_E\_F\_A\_C\_E

This brochure is the eighth in the series of Selected Educational Statistics and contains data about States/Union Territories for the year 1968-69 as on 1st August, 1968. Among the items covered in the brochure are area and population, number of recognised educational institutions, enrolment and number of teachers in schools for general education.

2. The material has been supplied by the Directorates of Education/Public Instruction of States and Union Territories. With a view to making it available early, this has been compiled without subjecting it to any elaborate scrutiny. The final data, after due verification, will be issued later in the publication "Education in India".

3. The assistance of the Directorates of Education/Public Instruction in the States and Union Territories who supplied the basic data for this brochure is warmly appreciated.

S.CHAKRAVARTI
