------	--	------

## II. Technical.

16	The technical working classified into ... .. (A) Agricultural. (B) Engineering and, (C) Animal Husbandry sections.	6
17	Season and crop conditions during the year under report ... ..	6-7
	A AGRICULTURAL SECTION.	
18	Activities of the section distributed into :- ... (1) Research. (2) Agricultural Stations. (3) Propaganda and (4) Education.	7
	1. <i>Research.</i>	
19	Cotton Root Rot Scheme ... ..	8
20	Work of the Deputy Director of Agriculture ...	8-9
21	Comparative field tests on cotton types in Navsari District ... ..	9
22	Contribution by the Indian Central Cotton Committee ... ..	9
23-26	Details of the comparative field tests in Navsari District ... ..	9-11
	2 <i>Agricultural Stations.</i>	
27	Agricultural stations and their locations ... <i>Baroda Agricultural Experimental Station.</i>	11
28	Object-soil and area ... ..	11
29-30	Season, rainfall, its distribution and condition of crops ... ..	11-12
31	Insect pests and diseases ... ..	12
32	Out-turns of principal crop ... ..	12-13
33	A note of experimental work ... ..	13
34	Fertiliser tests on cotton and Bajri ... ..	13-14
35	Cultivation of Pusa 4 wheat ... ..	14

Para		Page
36	Summary of fertilizer tests on cotton, Bajri, Wheat and Tobacco in collaboration of the Imperial Chemical Industries Ltd....	14-15
37	Silage ... ..	15
38	Horticultural work ... ..	16
39	Implements and machinery section ... ..	17
40-43	Items of general interest-inquiries, visitors selection work and demonstrations on the Farm ... ..	17
44	Finances of the Baroda Farm during the year under report ... ..	17
	<i>Jagudan, Agricultural Experimental Station.</i>	
45	Area, soil, object ... ..	18
46-47	Seasonal conditions, rainfall distribution and crop conditions ... ..	18
48	Items of crop-work ... ..	19
49	Out-turns of principal crops ... ..	19
50	Horticultural section ... ..	20
51	Items of general interest ... ..	20
52	Expenditure and receipts of the Jagudan Farm during the year under report ... ..	20
	<i>(3) Amreli, Agricultural Experimental Station.</i>	
53	Object, area, soil ... ..	20-21
54	Seasonal conditions, rainfall distribution and crop conditions ... ..	21-22
55	Important crop results... ..	22-23
56	Out-turns of principal crops ... ..	23
57-58	Horticultural section of the Amreli Farm; the work of the Panchayat Nursery ... ..	23-24
59	Implement section ... ..	24
60	Expenditure and receipts of the Amreli Farm during the year under report ... ..	24
	<i>(3) Propaganda.</i>	
61	Propaganda work and the means employed ... ..	25
	<i>Rural Reconstruction Centre.</i>	
62	The object of Rural Reconstruction work ... ..	25

Para	Page

99-102	Details of the Agricultural School on the Baroda Farm ... ..	42-43
103	Refresher classes and the Departmental share in instructing the same ... ..	43-44
104	Special courses given as the tractor and oil engine class and a short course at the Kosamba Rural Reconstruction Centre ...	44
(B) AGRICULTURAL ENGINEERING.		
105	Charge and activities of the Engineering branch.	44
106	Equipment of the Boring Section and the Boring Work done during the year... ..	44-45

Para	Page
107 Sinking of wells with dynamite ... ..	46
108 Water finder - how utilised ... ..	46-47
109 Tractor - work ; equipment of the section ...	47
110 Tractor operator's services utilised in different directions ... ..	47
111-112 Oil Engines and pumps; inspection and repair work done during the year and new installations ... ..	47-48
113 Persian wheel ... ..	48
(C) ANIMAL HUSBANDRY.	
114 Divided into sub-sections of ... ..	48
(1) Breeding and	
(2) Veterinary relief.	
115 Makarpura Palace Dairy; its object, location ... ..	48-49
116 Strength of the herd etc. ... ..	49
117 Health of the stock ... ..	49
118 Performance of the milking animals ... ..	49
119 Total milk - produce and its disposal... ..	50
120 Fodder used and concentrates fed ... ..	50-51
121 Expenditure and receipts of the Dairy during the year ... ..	51
(B) POULTRY AND BEE-KEEPING AS ADJUNCTS TO THE BARODA FARM.	
122-23 Poultry and bee-keeping adjuncts on the Baroda Farm ... ..	51-52
(C) PREMIUM BULLS.	
124 Distribution of premium bulls ... ..	52
(2) <i>Veterinary Relief.</i>	
125 Progress in Veterinary relief ... ..	52-53
126 Number of animals treated during the year under report ... ..	53
127 Classes of animals treated ... ..	53
128 Diseases treated and operations done ... ..	54
127 Castrations performed by the new method ...	54

Para	Page
130 Out-break of epidemics... ..	54-55
131 Veterinary relief on tour ... ..	55
132 Miscellaneous items of importance in the Veterinary section ... ..	55
133-134 Inspection of dispensaries and expenditure on the section during the year under report ...	55-56

POINTS MENTIONED IN THE LAST REVIEW AND  
ACTION TAKEN.

135 Information regarding area and yields of impor- tant crops ... ..	56
136 Tests on cultivators' fields ... ..	56
137 Analyses of soils using artificial manures ...	56-57
138 Suggestions for the expansion or removal to a more suitable place of the Jagudan Farm ...	57
139 Specialization of fruit-culture ... ..	57
