FOREWORD.

This volume was intended to be a continuation of "Indian Unrest, 1919-20" and to record the political events of the year 1921, but the delay in printing has given an opportunity to bring the book up to date. To combine the functions of a historian and an impartial critic is not an easy task. How far the writer has succeeded he will leave the readers to judge.

DEHRA DUN, }
15th August, 1922. } ALFRED NUNDY.
