STALIN
★
ON LENIN

Remember, love and study Lenin, our teacher and leader.

Fight and vanquish the enemies, internal and foreign—as Lenin taught us.

Build the new life, the new existence, the new culture—as Lenin taught us.

Never refuse to do the little things, for from little things are built the big things—this is one of Lenin's important behests.

J. Stalin

Коммунисты, любите, изучайте
Улбину, нашего учителя, нашего вождя
Борисова и поддерживайте вра-
гов, внутренних и внешних, — по
Улбину.

Стройте новую школу, новую
дому, новую культуру — по Улбину
Никогда не откажитесь от
малого в работе, ибо из малого стро-
ится великое, — в этом один из
важных заветов Улбина.

И. Сталин
