LETTER OF TRANSMITTAL

THE WHITE HOUSE,
Washington, June 24, 1943.

THE SPEAKER OF THE HOUSE OF REPRESENTATIVES.

SIR: In a letter dated July 27, 1942, I indicated that I would ask the Director of the Bureau of the Budget to make a comprehensive study of organizations and problems in the field of vital records. The Director has reported to me on this subject and I am transmitting his report to you herewith. I am transmitting another copy of the report to the President of the Senate. In view of the relevance of this report to the subject matter of various bills which are now before the Congress, I would suggest that the report and appendixes I-VIII might appropriately be printed as a public document. .

Respectfully,

FRANKLIN D. ROOSEVELT.
