NOTE

The Congress Jubilee Brochures written in popular style are meant to educate the general public and furnish them with a working knowledge of the current Indian political and cultural problems. The Congress as an organisation may be said to be in general agreement with the conclusions of the different authors, although it may not be possible for it to subscribe to every detail of what has been written. There may be minor points of difference here and there for which we as publishers, or the Congress as an organisation, can take no responsibility.

J. B. KRIPALANI,

General Secretary.
