ITS PUBLIC AND PRIVATE ECONOMY

FINLAND

ITS PUBLIC AND PRIVATE ECONOMY

BY

N. C. FREDERIKSEN

FORMERLY PROFESSOR OF POLITICAL ECONOMY AND
FINANCE IN THE UNIVERSITY OF COPENHAGEN

LONDON
EDWARD ARNOLD
Publisher to the India Office
1902

NOTE

For the English edition of this work—which appears simultaneously in French and in Danish—I am indebted in the highest degree to Mr. Edward H. Cooper of London, and Dr. J. N. Reuter of Helsingfors, for their advice and careful co-operation not only in respect of the English language, but also in regard to numerous details of facts, and general clearness and correctness of expression.

N. C. F.

CONTENTS

CHAPTER I

PECULIARITIES OF FINNISH CIVILISATION

	PAGES
Aristotle on Northern agricultural nations—Scandinavian influence on European civilisation—Ancient inhabitants of Finland—Settlement of the Finns—Lapps—Gipsies—Crusades in Finland—Swedish freedom—Difference in language—Importance of the Swedish language—Limitations of old settlements—Settlements in the interior—"Birkarlar"—Small number of parishes—Small population in former times—Famines—Advantages of the climate—Progress in wealth—Comparison with the United States	1-16

CHAPTER II

THE AGRICULTURAL CLASSES
