PREFATORY NOTE

THIS volume contains the Letters sent to the Company during 1714—18, as comprised in the IV volume of the series "Despatches to England." The India Office had, as usual, the courtesy to supply the omissions in the original volume in this office from their volumes of "Coast and Bay Abstracts," and also to read the proof of pages 1—31, as several gaps had to be filled therein.

The manuscript volume has been mended and is in a fair state of preservation.

EGMORE,
12th October 1929.

A. V. VENKATARAMA AYYAR,
Curator, Madras Record Office.
