PREFATORY NOTE

This volume contains the Proceedings of the President and Council of Fort St. George for the year 1746, comprised in the seventy-sixth volume of the series "Diary and Consultation Books".

The manuscript volume has been mended and is in a fair state of preservation. The India Office had the kindness to supply typescripts for the gaps noticed at the end of the volume.

This volume stops with June 16, 1746, and the next volume in the series begins with November 11, 1749. This was due to the fact that Madras was in the hands of the French during the period and the seat of Government was at Fort St. David. The Fort St. David Consultations of this period therefore form the continuation of the series.

EGMORE,
6th March 1931.
