PREFATORY NOTE

This volume contains the letters received at Fort St. George during the year 1738 and is the twenty-third in the series of records known as "Letters to Fort St. George." There is a big gap in the beginning of the volume, the letters prior to letter No. 77, except parts of 40, 41 and 42, having been lost.

The manuscript volume has been mended and is in a fair state of preservation.

EGMORR,
16th February 1932.

P. MACQUEEN,
Curator, Madras Record Office.
