PREFATORY NOTE

This volume contains the letters received at Fort St. George during 1742 and is the twenty-seventh in the series of records known as "Letters to Fort St. George." Some of the letters about the middle of the volume are lost. These gaps could not be filled in as the India Office does not possess copies of the missing letters.

The manuscript volume has been mended and is in a fair state of preservation.

EGMORE,
9th January 1933.

Curator, Madras Record Office.
