## Rules of classification.

The classification of dispensaries prescribed by the Government of India, Home Department (Medical), No. 678-86, dated Simla, the 16th July 1904, is as under (*vide* Inspector-General of Civil Hospitals, Bengal's Circular No. 114, dated the 10th October 1904), and rule 1 of the Dispensary Manual (*vide* Bengal Government notification No. 138T.-Medl., dated the 7th June 1915) :—

Class I—State Public Hospitals and Dispensaries.

Class II—State-Special Hospitals and Dispensaries—

- (i) Police.
- (ii) Forests and Surveys.
- (iii) Canals.
- (iv) Others.

These include all institutions maintained by the Provincial Funds and under Government management. (The fact that an institution possesses endowments or receives contributions from Local Funds or Private subscriptions should not be regarded as a reason for not classing it as "State" so long as Provincial and Imperial Funds are ultimately responsible for all the charges connected with it.)

Class I—"Public" are State dispensaries which are open to the poorer classes of the public.

Class II—"Special" are State dispensaries which serve only a special section of the public as indicated in the sub-classification attached.

Class III—Local Fund Hospitals and Dispensaries—Includes all institutions which are vested in Local authorities, or guaranteed or maintained by Local Funds. The fact that such an institution is aided by private subscription or receives assistance from Government in the shape of part of the salary of the Medical Officer, grants of medicine or otherwise, should not be regarded as a reason for not classing it as a Local Fund Dispensary so long as its existence is ultimately dependent upon Local Fund.

Local Fund Hospitals and Dispensaries for which separate banking accounts are allowed to be opened in the treasury with the sanction of the Government are regarded as Class IIIA.

*N.B.*—Union Board and village dispensaries are not to be Classified as Class III [*vide* Government order No. 1125Medl., dated the 21st April 1933, and unofficial note, dated the 25th March, 1933, (file No. 4-F-6 of 1933)].

Class IV—Private-aided Hospitals and Dispensaries—Comprises institutions supported by private subscriptions or guarantee, but receiving aid from Government or Local Funds.

Class V—Private non-aided Hospitals and Dispensaries—

- (i) under Government supervision.,
- (ii) not under Government supervision.

Comprises institutions maintained entirely at the cost of private individuals or associations. The fact that Government supplies superior inspection, registers and forms should not be regarded as a reason for not treating it as a private non-aided dispensary.

Class VI—Railway Hospitals and Dispensaries—Comprises all railway institutions whether maintained by State Railway or others.

Class VII—Private Hospitals and Dispensaries receiving subsidies from local bodies in the shape of remuneration of the Medical Officer for free treatment of patients [*vide* letter No. 89/213/23, dated the 12th February 1934, from the Director-General, Indian Medical Service, (file No. 2-R-8 of 1934)].

*Union Board Dispensaries.*—Institutions opened, maintained and managed under the rules of the Bengal Village Self-Government Act, 1919, regulating the power and duties of Union Boards in regard to dispensaries (*vide* Government notification No. 292Medl., dated the 27th January 1925).

*Village Dispensaries.*—Institutions governed by the rules regulating the control and administration of village dispensaries established or maintained by District Boards, which are not governed by the rules issued under Government notification No. 138T.—Medl., dated the 7th June 1915 (*vide* Government notification No. 173Medl., dated the 20th January 1927).

*Ayurvedic, Homoeopathic and Unani Dispensaries.*—Institutions governed by the rules under the Bengal Local Self-Government Act, 1885, regulating the control and administration of hospitals and dispensaries following systems of medicine other than Allopathic (*vide* Government notification No. 1504Medl., dated the 30th May 1921).
