SUBJECT:—*Annual Report on the working of the Indian Companies Act, 1913,
in the Bombay Presidency for the year 1930-31.*

SIR,

I have the honour to submit the Annual Report on the working of the Joint Stock Companies for the year ending 31st March 1931. The ten statistical statements prescribed by the Government of India are attached to the Report. A list of Private Companies has been appended to this Report and marked "A". The Report also deals with the Provident Insurance Societies Act, V of 1912, the Indian Life Assurance Companies Act, VI of 1912, and the Societies Registration Act, XXI of 1860.

2. I held the charge of the Office of the Registrar of Companies throughout the year under review.

The Indian Companies Act, VII of 1913.

3. The number of new Companies registered during the year was 108 as against 107 in the preceding year. Of these, 103 were limited by shares and 5 limited by guarantee. Out of the said 103 Companies limited by shares, 29 were Public and 74 Private. The number of Companies in operation limited by shares at the close of the year was 959 as compared with 913 in the year preceding, being a net increase of 46.

The aggregate Authorised, Subscribed and Paid up Capitals of the Companies have gone down during the year by about 10 crores, 11 crores and 5 crores respectively. The decrease is chiefly due to the voluntary winding up of six Companies of the Petit group and one Company named the Trustees Corporation (India), Limited.

The decrease under item I (a) (1) is attributable to the small nominal Capital with which the majority of Companies have been registered during the year.

The other items of variations are ordinary fluctuations and call for no comment.

16. The expenditure of the office amounted to Rs. 41,107-10-0 as against Rs. 37,041-14-0 in the previous year. A comparative table showing the details is given below :—

The increase under item I (a) is due to no leave having been taken by the Registrar and to the progressive salary. The increase under item I (b) is attributed to eight months' leave taken by the Head Clerk preparatory to retirement and to progressive salaries. The decrease under items II (a) and (b) is due respectively to the less number of meetings of the Auditors' Council and to no prosecution in the Mofussil. The increase under item III (d) (2) is of a non-recurring nature.

17. The allowances drawn by the Registrar as Administrator General have not been included in this Report.

I have the honour to be,
SIR,
Your most obedient servant,

H. C. B. MITCHELL,
Registrar of Companies.
