### PREFACE TO THE SECOND EDITION OF THE RAWAL-PINDI GAZETTEER.

The first edition of the Gazetteer of the Ráwalpindi district was published in 1884. This was revised by me at the conclusion of settlement operations, and submitted to Government with my final report of the resettlement of the Ráwalpindi district in April 1887. It was published with that report, and formed the first six chapters of it. But it was not then published in a separate Gazetteer form, and last year I was requested to revise it once more. This I have now done, and I have endeavoured to bring the letterpress as well as the state-This was a task of considerable labor, rendered more ments up to date. difficult by the fact that I have not served in the district myself since I must tender my thanks to the present Deputy Commissioner 1887. of Ráwalpindi, Mr. H. B. Beckett, and to other gentlemen who very kindly assisted me with notes for particular sections.

JULY 1895.
