## PREFATORY NOTE

*Among the many who have assisted in the preparation of this Biography especial acknowledgment is made to Mr. Irwin Laughlin, First Secretary and Counsellor of the London Embassy under Mr. Page. Mr. Page's papers show the high regard which he entertained for Mr. Laughlin's abilities and character, and the author similarly has found Mr. Laughlin's assistance indispensable. Mr. Laughlin has had the goodness to read the manuscript and make numerous suggestions, all for the purpose of reënforcing the accuracy of the narrative. The author gratefully remembers many long conversations with Viscount Grey of Fallodon, in which Anglo-American relations from 1913 to 1916 were exhaustively canvassed and many side-lights thrown upon Mr. Page's conduct of his difficult and delicate duties. The British Foreign Office most courteously gave the writer permission to examine a large number of documents in its archives bearing upon Mr. Page's ambassadorship and consented to the publication of several of the most important.*
